At the University of Kentucky, safety is among our top priorities. Each year we distribute an Annual Campus Safety and Security Report. It's part of an effort to transparently inform the campus community regarding crimes that occur on our campus as well as important policies designed to create a more inclusive, safer community of belonging.

UK's 2023 Annual Campus Safety and Security Report (covering statistics from 2020-2022) is available for viewing and/or printing at police.uky.edu/sites/default/files/2023-09/ASSR2023FINAL.pdf.

This report includes the latest statistics for 2022, as well as statistics from 2021 and 2020 concerning reported crimes that occurred on campus, in certain off-campus buildings owned or controlled by UK and on public property immediately adjacent to campus. The report also includes institutional policies concerning campus security, such as policies regarding sexual assault and other matters.

If you would like a printed version of the report or if you have any questions, please contact the UK Police Department (UKPD), Division of Crisis Management and Preparedness at 859-257-9567 or cmp@uky.edu .

Additionally, UK's 2023 Annual Fire Report is available for viewing and/or printing at https://ehs.uky.edu/docs/pdf/fs_annual_fire_safety_report_2023_01.pdf. This report includes statistics on fire incidents in residential facilities on campus as well as policies related to fire safety and prevention. If you would like a printed version of the Annual Fire Report or if you have any questions, please contact the University Fire Marshal at 859-257-8590.

The UKPD Daily Crime Log can be found online by visiting crimelog.uky.edu . This log contains all of UKPD's activities such as reports taken and arrests made, as well as any incidents reported to the designated Campus Security Authorities. Additionally, crimes occurring on university property that are reported to the Lexington Police Department (Lexington PD) are included on this log once the university is notified by the Lexington PD. This site is updated every 24 hours, Monday-Friday. Additionally, a printed log containing UKPD activity is maintained by the UKPD Telecommunications Office and is available for viewing at all times. The University of Kentucky Fire Marshal Campus Fire Log can also be found online for viewing here . This log contains a description of all reported fire/threats of fire incidents occurring in on-campus student housing.

As members of the University of Kentucky community, we are all required to notify UKPD of any situation or incident that involves a significant emergency or dangerous situation that may involve an immediate or ongoing threat to the health and safety of the UK community.

To report any criminal behavior on our campus, call UKPD immediately at 859-257-8573 (#UKPD) from any mobile phone or 911 from any campus phone, use the blue emergency phone towers or message UKPD in the LiveSafe app .

(Supervisors, please ensure this is shared with all employees, especially those without email access.)
