## **Supplementary Material**

**Figure S1. Reconstructed genealogy of the Árpád dynasty based on written evidences.** King Bela III placement along the male lineage is indicated with an arrow.  
Based on: Glatz, F. A magyarok krónikája. [The Chronicle of the Hungarians] (Helikon, Pécs, 2006). ISBN: 963-227-070-3.

**Figure S2. The “double-cross” as the symbol of the supreme was introduced by King Béla III.** It has been put on coat of arms by his grandson King Béla IV, thus the silver “double-cross” in the red field became a heraldic symbol. Image credits: public domain, CC0.
