COLOR

A great way to build confidence is through positive affirmations. Spend a minute each day repeating the ones below! Color in the letters and hang this up somewhere so you can see them every day.

I am SMART.

I am

KIND.

I am

BRAVE.

I am UNIQUE.

I LIKE  
myself.

My FEELINGS  
matter.

My VOICE  
matters.

I will always  
TRY my best.

I am choosing to have an  
AMAZING DAY.

Acceptance is one of the first steps in learning to understand and appreciate the people around us. It teaches us to respect others and reminds us that while we may have differences, we also have similarities that connect us. Talk to someone new in your class, fill in the blanks together, and see what you learn about one another!
