

Cyrus Ingerson ("C.I.) Scofield, Bible teaching "Rapture" innovator, or scallywag for pagan merchant-bankers in The City of London?

Pied piper or visionary?

[Cyrus Ingerson \("C.I."\) Scofield \(1843-1921\)](#) remade his career as an evangelical Bible teacher and pastor after decades of disgraceful ethical scandals as a politician, lawyer and U.S. district attorney. Remarkably, he advertised himself as a doctor of divinity (D.D.) after his spiritual makeover, but never was. His repentance as a pathological liar does not appear to have stuck in his character.

Cyrus Ingerson ("C.I.") Scofield (1843-1921). "Scallywag" lawyer-politician turned evangelical Y.M.C.A. Bible commenter for the pagan Babylonian Radhanite merchant-bankers of the Pilgrims Society in The City of London. Progenitor of "The Rapture," dispensationalism and Christian Zionism. Duped generations of evangelicals into silence, social passivity, and British political and economic debt slavery.

C.I. Scofield: Pied piper of “dispensational premillennialism” – it’s a concept. It is not in the Bible *per se*

Scofield became a leader in “dispensational premillennialism”—a precursor to modern-day Christian fundamentalism. He infused his beliefs into the “Scofield Reference Bible” that was first published by Oxford University Press in 1909. He popularized the “pre-Tribulation rapture” theology of Anglo-Irish Plymouth Brethren, Calvinist Bible teacher John Nelson Darby (1800-1882). A central scripture for “the Rapture” is [I Thessalonians 4:13-18](#). See also John 14:1-3 and I Corinthians 15.

¹³ Brothers and sisters, we do not want you to be uninformed about those who sleep in death, so that you do not grieve like the rest of mankind, who have no hope. ¹⁴ For we believe that Jesus died and rose again, and so we believe that God will bring with Jesus those who have fallen asleep in him. ¹⁵ According to the Lord’s word, we tell you that we who are still alive, who are left until the coming of the Lord, will certainly not precede those who have fallen asleep. ¹⁶ For the Lord himself will come down from heaven, with a loud command, with the voice of the archangel and with the trumpet call of God, and the dead in Christ will rise first. ¹⁷ After that, we who are still alive and are left will be caught up together with them in the clouds to meet the Lord in the air. And so we will be with the Lord forever. ¹⁸ Therefore encourage one another with these words.”

The Scofield Bible commentary is still widely published today in many languages including French, German, Spanish, and Portuguese. It accompanies numerous English versions including King James, New King James, New International Version, Berean, and Genevan.

The “Pre-Tribulation Rapture”

Scofield’s pre-Tribulation rapture theology is still taught widely in Dallas Theological Seminary and by authors and preachers such as Hal Lindsey, John Hagee, David Wilkerson, Tim LaHaye, Jerry Falwell, Oral Roberts, Robert Jeffers, Benny Hinn, Joel Osteen and many more.

A common complaint about Christians who embrace a “pre-millennial rapture” is that this teaching motivates some Christians to withdraw their moral influence from social, educational, political and economic activity in preparation for the Rapture.¹

Such withdrawal, they argue, is in sharp contrast to Matthew 5: 14-16:

14 “You are the light of the world. A town built on a hill cannot be hidden.
15 Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. 16 In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven.”

In 2021, author Max Wang, using Don Nicoloff’s book *A Little History: Cyrus I. Scofield* as the foundation for his article where he observed the debilitating effect of pre-Tribulation rapture teaching on a Christian’s willingness to engage his or her culture. He wrote:

“Jewish leaders long ago recognized the bonanza for them if they could force the teaching of an imminent rapture on Christians and move them to abandon their moral hold on society. . . Removal of Christians from politics and public schools would leave the door open for Jewish writers and political leaders to move in and remove the Bible and prayer from public schools and political institutions. The ACLU is a Jewish organization, having only a few Gentiles in it for window dressing, he stated.”

¹ This is not to be confused with prepping for hard times, which is just prudent stewardship when God gives you the foresight to read economic and social trends. The social withdrawal associated with Scofield’s rapture theology has **created a void in the public square** where Christians chose by themselves not to engage, and thus deprived their communities of their salt and light. “Salt” (Matthew 5:13 – “You are the salt of the earth”) and “Light” (Matthew 5:14-16 – “You are the light of the world”). Absent Christians to counter their moral profligacy, our Western pagan merchant-banking system has thrived by not having to contend with more Christians who have taken themselves out of the game. **CHRISTIANS HAVE ALSO LARGELY EMBRACED THEIR USURY AND DEBT SLAVERY.**

Babylonian Radhanites are Jewish in name only, not ancestry

New scholarship is revealing that this “Jewish” agenda has not been Jewish at all, but rather Babylonian in origin, Babylonian Radhanite more accurately.²

There were merchant-bankers in Babylon and Jerusalem who controlled Solomon’s gold and Silk Road banking and trade from China to Europe.

They called themselves Jewish, but were in fact, Turkic, Persian, Khazarian, Sogdian and Chinese. They were merchant-bankers who promoted usury, slavery, taxation and child sacrifice as a part of a pantheon of their demon-gods including: Ba’al, Moloch, Satan, Lucifer, Asmodeus, Ishtar, Beelzebub, Ahriman and Mammon, among more than 60 demons. Even Solomon worshipped them, causing his fall from grace.³

They are not Jews, but are from the “Synagogue of Satan”

These Babylonian Radhanite pagan merchant-bankers were well known in Jesus’ time. They were called the “Synagogue of Satan” who pretended to be Jews.

“I know thy works, and tribulation, and poverty, (but thou art rich) and I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan.” [Revelation 2:9](#).

“Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee.” [Revelations 3:9](#).

Jesus drove the Babylonian Radhanite merchant-bankers from the Temple

Jesus drove these demon-worshiping Babylonian Radhanites from the Temple on the Monday of Holy Week:

“It is written,” he said to them, “‘My house will be called a house of prayer,’ but you are making it ‘a den of robbers.’” [Matthew 21: 13](#).

A Christian cannot serve God and serve the Babylonian Radhanites (Mammon)

Jesus said of their profession:

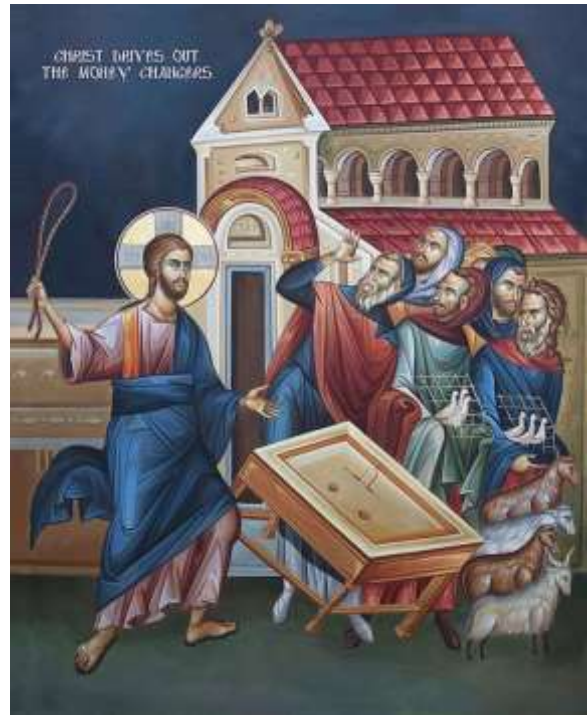

“No one can serve two masters; for either he will hate the one and love the other, or he will be devoted to the one and despise the other. You cannot serve God and mammon” [Matthew 6:24-26](#)

Pre-Trib Rapture thinking neuters Christian moral influence?

Scofield’s pre-Trib rapture teaching has had the effect of neutering much Christian moral influence in the 21st century West. It motivated adherents to withdraw from being “salt” ([Matthew 5:13](#) – “You are the salt of the earth”) and “light” ([Matthew 5:14-16](#) – “You are the light of the world”) in their community and business, and opened the door Babylonian Radhanite merchant-banker paganism to overtake our cultures.

With these new revelations about the Babylonian Radhanites, Scofield’s agenda, and that of his British merchant-banker handlers in the City of London comes into sharp focus.

Scofield allegedly reformed himself from his earlier con-man attorney politician scallywaging.

Perhaps he just turned his conning attorney guns on a much more trusting, naive audience of evangelical Christians.

In contrast, the Christian church has historically taught that these scriptures all refer to the [harvest at the close of the age](#).

Scofield’s 20-year residence at the exclusive Lotus Club of New York is revelatory. Club membership included Anglo-American criminals like JP Morgan, Andrew Carnegie, Jacob Schiff, Samuel Untermyer (who financed Scofield’s first reference bible in Oxford UK), LaGuardia and [Nicholas Murray Butler](#) (president of the **Pilgrims Society** 1928-1946; president of **Columbia University** 1902-1945).⁴

Figure 1: Samuel Untermyer. C.I. The British Babylonian Radhanite merchant-bankers in The City of London named themselves “Pilgrims” to fool Americans into thinking they were associated with the Plymouth Pilgrims. In fact, their secret is that they were **pagan merchant-banker pilgrims from ancient Babylon who worship the demon-gods of Babylon**, especially Mammon, Moloch, Ba’al, Beelzebub, Lucifer and Asmodeus—the same demons-gods that King Solomon fell into worshipping with his 700 wives and 300 concubines, pushing usury and clutching to his gold from the mines of Ophir (Rhodesia, South Africa). [I Kings 11](#). (e.g., verse 5: “He followed Ashtoreth the goddess of the Sidonians, and Moloch the detestable god of the Ammonites.”).

To accomplish this annexation of America, the Babylonian Radhanite merchant-bankers in The City of London and New York had to *sideline the positive Christian moral influence*

in the Western world. It was thwarting their demonic Babylonian Radhanite merchant-banker takeover plans.

Biblical Judaism and Babylonian Radhanite “Jews” are diametrically opposed

Calling themselves “Jews” served their purpose, but was and is a lie. The Babylonian Radhanites demean both Christianity and Biblical Judaism.

Tellingly, Scofield’s commentary was first published by **Oxford University Press** in 1909—the same year as the [First Imperial Press Conference, 1909](#) (that recruited elitists), the year the **Empire Press Union** was founded in **The City of London**, and the summer that **MI6, MI5, and GC&CS (now GCHQ)** were formed, all by the **Pilgrims Society**. All just coincidences?

The Babylonian Radhanite merchant-banker demon is playing the long game

We say no, Scofield was a stealth agent of the Babylonian Radhanite merchant-bankers in *The City of London whose demon was playing a long game* to take Christians out of their game for one world order.
