

IS KRISTI NOEM QUALIFIED TO BE VICE PRESIDENT OF THE UNITED STATES? IN A COLONIAL ANNEX OF THE IMPERIAL UNITED KINGDOM, YES.

*In a meritocracy where candidates are **elected**, one looks for life experience, professional qualifications, intelligence, moral character, honesty, ability to solve problems, leadership, real success.*

*In a colony controlled by British merchant-bankers where candidates are **(s)elected**, one looks for obedience, visage, narcissism, perfidiousness, corruptibility, veneer of success. Candidates need only perfect "the art of looking good" for one's London handlers.*

PAPER-THIN RESUME

Kristi Lynn Noem (b. Nov. 30, 1971; Watertown SD) is a pretty face with a paper thin resume, yet a bloated [39-page Wikipedia](#). This qualifies her to be the vice president of the soon-to-be annexed British Imperial Colony of America.

Kristi Noem is the daughter of prosperous South Dakota farmers, Ronald and Corinne Arnold.

In 1990, she graduated from Hamlin High School in Hayti, SD and was selected [Snow Queen](#) of the South Dakota Snow Queen Festival, then enrolled in Northern State University in Aberdeen, SD.

In 1992, she married Bryon Noem during her sophomore year. Her field of study is not known. Bryon graduated in business finance, worked on the Arnold family farm, and eventually founded Noem Insurance.

In 1994, her senior year, Kristi became pregnant. A month before the baby was due, her father was killed at age 48 in a grain elevator accident on the family farm. He was sucked in and smothered, according to the local papers. Kristi dropped out of school to help her mother, two brothers and sister on the farm and no doubt care for her newborn daughter, Cassidy.

From 1994 to 2012 she worked on the family farm while attending classes at three different institutions: Mount Marty College, South Dakota State University, and online [University of South Dakota](#) (USD).

USD touts 12 [Rhodes Scholars](#) in Wikipedia. Rhodes Scholars are notorious imperial recruits for the British Pilgrims Society. This is an unusually high number, but not surprising given the Anglophile subservience of their political science department. By comparison, Ohio State has had 10 Rhodes Scholars. Kristi finally graduated from USD with a degree in political science in 2012.

The USD political science department was dominated by [William O. Farber](#) and is an evident feeder system for new members of the traitorous British Pilgrims Society.

The "Farber Boys" included:

1. [Tom Brokaw](#)--*NBC Nightly News, Today Show, Meet The Press*, one of the "Big Three" news hosts of the American mockingbird press (NBC, CBS, ABC) between 1980's to 2000s; and
2. [Al Neuharth](#)—founder of *USA Today*, The Freedom Forum, and its Newseum. He won the [Walter Cronkite](#) Award for Excellence in Journalism in 1988. Note: [Walter Cronkite \(CBS\)](#) was a notorious member of the [British Pilgrims Society](#), as evidence by the Congressional Record, Rep. John Rarick, LA, [Sep. 22, 1970](#). Even [Wikipedia](#) acknowledges Cronkite's membership in the Pilgrims Society, as does the [Pilgrims](#) own official publication.

Kristi's resume scrambles her associations with the Pilgrims Society leaders who control the political science department at USD. However, their outsized number of Rhodes Scholars (12), and their public documents, justify the reasonable conclusion that she was groomed by the USD political science department for the British Pilgrims Society.

As a part of her USD grooming before graduating, she ran successfully for the South Dakota House of Representatives in the 6th district in 2006. She was reelected in 2008. She served four years from 2007-2010.

She needs to tell us if these associations were all "coincidence." She needs to tell us who was grooming her politically during that time when she attended three

different universities, and spent eight years to finish maybe a semester of uncompleted schooling when she dropped out.

SOUTH DAKOTA REPUBLICANS MADE 37-YR. OLD KRISTI NOEM, COLLEGE DROPOUT WITH NO ACCOMPLISHMENTS, ASSISTANT MAJORITY LEADER IN 2006

Remarkably, this pretty little college dropout, Kristi Noem, became *assistant majority leader*. She *sponsored 11 bills that became law*, including tax reform and increased gun rights.

She needs to tell us how she possibly qualified to be catapulted to a Republican leadership position after only one term in the South Dakota House. How did she learn to write *11 pieces of legislation that all passed*. Did all that skill come from being Snow Queen?

By comparison, her fellow Pilgrims groom [Ron DeSantis](#) introduced only five pieces of ineffectual legislation in his five years in the U.S. Congress (congressional investigations, child predators, Venezuela, follow the law, federal pay).

WHO CONTROLS THE REPUBLICAN PARTY IN SOUTH DAKOTA?

Big Ag. Big Energy. Big Chemical.

The companies include **Cargill, Archer Daniels Midland (ADM), ConAgra, ExxonMobil, DuPont, People's Republic of China (PRC)**.

The Noems hold stock in [Summit Carbon Solutions](#). Summit produces ethanol and has partnered with a Chinese government firm to liquify carbon dioxide and shove it in the ground (which will just seep out as life-giving CO2 gas (so what is the point?)) Various controversies swirl about that association. However, having conflicts of interest is not illegal, but failing to disclose them is. The in-your-face lack of judgment aside, she disclosed this one, so we will not dwell on that in our investigation.

WHO CONTROLS THESE COMPANIES? ANSWER: THE BRITISH PILGRIMS SOCIETY IN THE CITY OF LONDON, ROTHSCHILDS, VANGUARD, BLACKROCK, STATE STREET, JPMORGAN CHASE

- [Cargill-MacMillan](#) family: ESOP managed by **Vanguard**
- [ArcherDaniels Midland](#) (ADM): **Vanguard** (#1: 10.5%), **BlackRock** (6.96%), **State Street** (5.5%), Capital World Investors (7.2%)
- [ConAgra](#): **Vanguard** (#1: 11.3%), Capital World Investors (10.1%), **BlackRock** (7.2%)
- [ExxonMobil](#): **Vanguard** (#1: 8.4%), **BlackRock** (6.2%), **State Street** (6.0%)
- [DuPont](#): **Vanguard** (#1: 10.8%), **Blackrock** (9.0%), **State Street** (6.8%)

Laughably, Ancestry.com carries access to many pages of Kristi's high school yearbooks, but little else. Ancestry was purchased by the [Blackstone Group](#), **Stephen Schwarzman**, the Rhodes Scholarship wannabe—Schwarzmann

Blackstone is historically affiliated with **J.O. Hambro**, a Pilgrims Society founder and a family of British spy chiefs from WWI to the present. Blackstone now owns **Nielsen Holdings** and **Hilton**. CEO Stephen Schwarzmann is totally aligned with Xi Jinping and the **People's Republic of China (PRC)**.

Breyer-led (Facebook, Accel Partners) delegation of American business to meet with China's dictator Xi Jinping in a program by the Tsinghua University School of Economics and Management (Beijing), including Stephen A. Schwarzmann, Blackstone Group. *China Daily*.

Kristi was then pushed forward by South Dakota Republicans to serve four terms as U.S. Representative in the District At Large 112th-115th (2011-2019)

Astoundingly, she sponsored [93 items of legislation](#). That is *one new piece of legislation every month* she served! Evidently, Noem's Pilgrims Society City of London handlers wrote her legislation and she introduced it for them.

REMARKABLE! NOEM IS **BATTING 1000% (8 FOR 8)** IN REPUBLICAN POLITICS

Here is her remarkable rise in the Republican political machine:

South Dakota House of Representatives (6th district)

2 terms, 2006-2010, sponsored 11 bills, assistant majority leader

U.S. House of Representatives (at large)

4 terms, 2010-2018

Governor of South Dakota

2 terms, 2019-present

It is the same Uniparty pattern that we have discovered with [Ron DeSantis](#), [Sarah Huckabee-Sanders](#), [Glenn Youngkin](#), [Gavin Newsom](#), [J.D. Vance](#) (Silicon Valley's man), [Vivek Ramaswamy](#) (Soros Big Pharma man), [Candice Owens](#), and RINO [Nikki Haley](#) (see her 52-page Wikipedia screed.)

With each profile, the Uniparty paymaster has a different face, but all roads eventually lead back to the same The City of London Babylonian Rādhānite merchant-bankers in the British Pilgrims Society—the real face of the “deep state.” See more on the Babylonian Rādhānites below.

BLACKROCK

Fidelity

When Kristi's father died, the [highly-leveraged farming estate](#) gave her and her two brothers and one sister \$18, 918.50 each.

So, her money to run for political office did not come from family holdings. This is further confirmed by her [2010-2018 financial disclosure summary](#) compiled by South Dakota Searchlight showing the slow rise in income from of declared holdings. These reports do not show offshore holdings, or undisclosed holdings held by family members.

We usually prepare a biography timeline for the persons we investigate, but in Noem's case it is not needed. She dropped out of college, then before she graduated

she was pushed into eight political posts (State Rep, Congressional Rep, now Governor). There is nothing else to know. She has no distinguishing accomplishments. No writings. Nothing. Oh wait, she was Snow Queen. She is literally a blank slate, groomed by her British Pilgrims Society political science controllers at the University of South Dakota.

FOLLOW THE MONEY DOES THE clearest job of showing us HOW KRISTI NOEM IS SMOTHERED WITH PILGRIMS SOCIETY CITY OF LONDON MONEY

She received **\$7.1 million** for her first candidacy for governor in 2018.

Then, she received more than twice that amount, **\$17.5 million** in her second candidacy in 2022.

AFI researchers pulled the institutional donations out of the FollowThe Money database for Noem's second run for governor (linked above). The results reveal the true source of influence on her:

1. Vanguard
2. BlackRock
3. State Street

. . . and to a lesser degree JPMorgan Chase, T. Rowe Price, and Fidelity (FMR)

83 companies where Vanguard was one of the top four largest shareholders, 38 of those donors were companies where Vanguard was #1 shareholder, and another 20 where BlackRock was the #1 largest.

Fidelity, State Street, along with JPMorgan Chase, T. Rowe Price round out the list.

In other words, these The City of London banks tell the companies they control where to place their political money everywhere in the world.

KRISTI "BIG LIPS" "BIG HAIR" "NO RESUME" NOEM: CARDBOARD CUTOUT FOR THE CITY OF LONDON BANKERS OF THE PILGRIMS SOCIETY

The City of London propagandists are pushing her big lips and big hair in the pantheon of new photos now flooding the zone. They know that Trump is a sucker for a pretty face, puffy lips, and big hair?

Trump knows the Fox formula for hiring trophy faces as news readers.

His son Donald Jr. is dating one in Kimberly Guilfoyle:

Put a nice looking woman in front of the camera and your story becomes easier for men to swallow, even when it is a lie.

But Kristi Noem has no qualifications. She is an evident fill in for her treasonous foreign handlers.

Krist Noem's new makeover photos are now flooding the zone in Google search. See above.

WHO PULLS KRISTI NOEM'S CHAIN?

Babylonian Eagle, Horse, Lion worshipped by Rādhānite fake
"Jewish" pagan usury & debt slavery merchant-banker
pilgrims ca. 1000 B.C.; British "Radknights" founded The City
of London and hereditary male peerage (1067 A.D.);
British Pilgrims Society (founded 1902)

THE BRITISH PILGRIMS SOCIETY THROUGH [THE CITY OF LONDON](#) AND THE [BABYLONIAN RĀDHĀNITE \(RADKNIGHTS\) MERCHANT-BANKER PAGANS](#) WHO CONTROL THE BRITISH CROWN.

Their flunkies doing their bidding in the USA are British Spy No. 7 Alexander Hamilton's [American banks](#), notably [JPMorgan](#), [Bank of America](#), [Bank of New York Mellon](#), [State Street](#) along with asset managers like BlackRock, Fidelity, T. Rowe Price and Vanguard, who are controlled by the British Crown and the [Rothschilds](#) in the City of London via the Monarch's "Golden Share."

Don't believe that the British run America? Just look at the false flag they are trying to orchestrate in Poland right now. Poland is historically one of the favorite [choke points](#) of the British Empire to try and take down Russia to seize control of Russia's 11 times zones of resources, again. When will we learn?

Tragically, Kristi Noem's handlers are the ones attempting to depopulate us folks.

GOD-LIKE GENOCIDAL TEXT: **"MAINTAIN HUMANITY UNDER 500,000,000 IN PERPETUAL BALANCE WITH NATURE"**

Fig. 5—The City of London is controlled by the Pilgrims Society who carry on the pagan control of the Rādhānite merchant-bankers of Babylon. “The City of London Corporation” was chartered in 1067 after the coronation of William I, William the Conqueror, on Dec. 25, 1066 AD at Westminster Abbey.

William was Norman (French). The Babylonian Rādhānite (demon-worshipping pagans who claimed to be Jews for more than three millennia) already had an extensive banking and trade network through Europe and Middle East, Scandanavia and Africa to China.

The Rādhānite merchant-bankers were forced to flee Babylon (renamed Baghdad)

ahead of the armies of the Muslim Seljuk Turks in 1055 A.D.—just 11 years earlier. They fanned out along their extensive network of merchant-banking trading post across the known world.

“And Jesus entered the temple and drove out all who sold and bought in the temple, and he overturned the tables of the money-changers and the seats of those who sold pigeons. He said to them, It is written, ‘My house shall be called a house of prayer,’ but you make it a den of robbers.” [Matthew 21:12-13](#).

“Synagogue of Satan”

“Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee.” [Revelation 3:9](#).

In the process, they rebranded themselves as “Ashkenazi Jews.” They had called themselves Jews for millennia while in Babylon, but they had created their unique pagan version that followed the Talmud, Yiddish, and rabbis, rather than the Torah, Hebrew, and Prophets.

The Babylonian Empire codified debt slavery by sanctioning usury (charging interest on the loan of money) in the Code of Hammurabi (1755–1750 BC). They put fake Jews in charge of these practices. While the Prophets Ezekiel and Daniel ca. 600 BC were decrying usury, exiled "Jews" like the Egibi and Marushu banking families, who had so intermixed with Persians that their Jewishness had vanished, were assigned the task of running all aspects of the Babylonian economy, including Silk Road commerce from Britain to China, leveraging Solomon's Gold, banking, finance, intelligence, propaganda, engineering, agriculture, and trade.

The Babylonian Empire worshipped demon gods who demanded child sacrifice and debt slavery, including Mammon, Moloch, Asmodeus, Ba'al, Baphomet, Beelzebub, Behemoth, Ishtar, Legion, Leviathan, Lucifer, Mammon, Marduk, Moloch, Pazuzu, Satan, Agrat bat Maḥlat, Alu, Alukah, Asherah, Ashmodai, Astarte, Azazel, Belial or Beliar, Bel-Marduk, Chemosh, Dagon, Deber, Dever, Ekimmu, Gallu, Horon, Ilu Limnu, Keṭeb, Kotar Hosis, Labartu, Labartu, Lamashtu, Lilith, Lilu, Lotape, Mavet,

Nahar, Nergal, Ninisina, Pentalpha, Rabisu, Reshef, Resheph, Samael, Shachar, Shalem, Shamhazai, Shedim, Shedim, Tannin, Tiamat, Tيروسch, Yoħane bat Reṭibi, and others.

King Solomon's 600 wives and 300 concubines eventually lured him into building temples to and worshipping these Babylonian demon gods. This is evidently when the Babylonian Rādhānite took full control of Solomon's Gold that had been carted off to Babylon. Then, shipped to The City of London ca. 1067 AD.

TELL THE SYNAGOGUE OF SATAN

Jesus Christ: "Get behind me, Satan."

—*Matthew 16:23*

Described above is abject immorality on the part of the British Pilgrims Society and their Babylonian Rādhānite synagogue of satan demons.

Morality must win the day.

"Repent, for the kingdom of heaven is at hand."
