

WORLD BANK GROUP

**KEY PRIORITIES
OF BULGARIA'S NEW
COUNTRY PARTNERSHIP FRAMEWORK (CPF)
FY24-28**

Public Consultations

Nov/Dec 2023

COUNTRY PARTNERSHIP FRAMEWORK (CPF) PROCESS

HOW WE OPERATE: WORLD BANK INSTRUMENTS

Analytics and advisory work

- Examples: Systematic Country Diagnostics (FY22), Country Climate & Development Report (upcoming), Roma Housing & Living Conditions

Reimbursable Advisory Services (RAS)

- Examples: Air Quality Mgmt (FY20); Climate Change Adaptation (FY19 and FY23)

Knowledge and learning activities

- Example: training of civil servants on procurement red-flags

Lending

- Example: last lending Deposit Insurance Strengthening Project approved in 2016 (EUR300 million); Social Inclusion Project (2009)

LOOKING FORWARD: THE NEXT 5 YEARS

HIGH LEVEL OUTCOME 1

A green, resilient and productive economy

Objective 1: Strengthened climate resilience and accelerated transition toward a more secure and sustainable energy and transport system

Objective 2: Stronger productivity growth and reduced regional disparities

HIGH LEVEL OUTCOME 2

Equal opportunities for all

Objective 3: Improved equitable human capital and economic opportunities

Objective 4: Strengthened institutions for improved access to quality services and a more level playing field

QUESTIONS FOR YOUR FEEDBACK:

- Considering Bulgaria's challenges and opportunities, is the World Bank focusing on the right areas?
- Is anything missing?
