

4th Layer - The antichrist beast Popes rose to power out of the fallen Roman Empire, leads harlot church - Revelation 17-19

Rev 17:10 points to seven forms of government of the Roman Empire. Five had 'fallen.' The sixth, the Emperors, were removed from power in 476. The seventh ruled for a 'short space' from 476-538.

The 8th head is the *antichrist beast* Popes who rose to power out the Roman Empire. His *harlot* church priests dress in scarlet and purple, and use the golden Eucharist cup. False religion came from Babylon, the beast who 'was,' who 'was not' in John's day, but 'is' alive again in the Roman Catholic Church. She is called 'Mystery, Babylon the Great.'

The Jesuits empower and enrich the 'kings of the earth.' They were used to carry out the bowl judgments and in their New World Order they will cause the judgment of the *harlot* church.

3rd Layer - Seal, trumpet and bowl judgments against the Roman beast kingdom - Revelation 4-11, 14-16

Seal 1 - Mighty Roman Empire conquering (white). Messiah set up His kingdom, Gospel proclaimed.
Seal 2 - Bloody civil wars, Emperors killed (red).
Seal 3 - Economic despair from high taxes (black).
Seal 4 - Famine, 1/4th of Romans died (pale).
Seal 5 - Smyrna church era martyrs. Their blood 'cried out' for vengeance, which came shortly.
Seal 6 - Constantine ended the persecutions. 'Earthquake' = political upheaval. 'Darkened sun, moon, stars' = Rome divided, leaders cast down.
Seal 7 - Sealing of saints before barbarian attacks.
Trumpet 1 - Goths led by Alaric 400-410
Trumpet 2 - Vandals led by Genseric 425-470
Trumpet 3 - Huns led by Attila, the scourge of God.
Trumpet 4 - Heruli led by Odoacer, removed the last Western Roman Emperor from power in 476.

Trumpet 5 represents the rise of Islam and the Muslim army, who were used to attack the Roman Empire for five months (150 days = 150 years), from 612-762. They had gold turbans (*crowns of gold*), beards (*faces of men*), long hair (*like women*), they wore chain-mail (*breastplates of iron*) and were fierce (*teeth of lions*).
Trumpet 6 - the Turks crossed the Euphrates River to attack the Eastern Roman Empire for 391 years, from 1062-1453; ending in them conquering Constantinople with large cannons (*fire, smoke and brimstone*). Priests escaped Constantinople and took the Scriptures to Western Europe, to be translated into English.

The 'little book' of Revelation 10 is the printed Bible. With the advent of the printing press, this witness came back to life and was spread around the world. Martin Luther 'measured the temple' and found that the Papal Church is an apostate *harlot* church. Revelation 14 points to the harvest as millions came out of the Roman church, and to coming bowl judgments.

Bowl 1 - The 'sore' of athism poured on France.
Bowl 2 - The bloody French Revolution in 1793.
Bowl 3 - The massacre spread to rural France.
Bowl 4 - The bloody Napoleonic wars scorched.
Bowl 5 - The Pope removed from power in 1798.
Bowl 6 - The Ottoman Empire *dried up* by 1922. 'Kings of the east' = fake Khazar Jews in Israel. 'Gog' = Lord Rothschild, 'Magog' = Khazar Jews
 3 spirits = 3 World Wars. **We're here**, waiting on WW III and a worldwide economic collapse.
Bowl 7 - NWO controlled by the 3 city-states of Vatican City, London and Washington D.C.

The *iron/clay feet* of Daniel 2 represents the Roman bishops (*iron*) helping write the Qur'an and prop up Mohammed as the prophet. They did this to prevent Arabs (*clay*) from being saved, to use them to kill Jews / Christians and to conquer territory. They don't mix well and they've battled during the Crusades. Today, the Jesuits covertly control Al Qaeda and ISIS, and Muslim countries like Saudi Arabia; to kill Christians, to take over countries, and to war with Israel in WW III, which will push the world into their New World Order.

2nd Layer - The seven church eras which have battled against the different phases of the Roman beast - Revelation 2-3

Ephesus spread the Gospel in Roman Empire. Their love grew cold when Messiah didn't return soon.

Smyrna saints were persecuted by the Emperors, especially hard from 303-312, the 'ten days' of the fifth seal.

Pergamos Many saints 'fell away' from the Scriptural faith, when they compromised with Rome.

Thyatira means '*ruled by a woman*,' the *harlot* Roman Catholic Church. The *antichrist beast* Popes sought to eliminate the 'two witnesses' against them. They killed the saints and burned the Scriptures so relentlessly that in May 1514, they proclaimed that they were *dead*, silenced, and that all of Christendom was under their authority. And they held great feasts to celebrate.

Sardis means '*escaping one*.' Messiah called them 'dead.' 3 1/2 years after the Pope said they were *dead*, Luther's 95 Thesis sparked the Protestant Reformation and the 'two witnesses' came back to life.

The Philadelphia saints led world-wide missions. Bible Societies spread Word / Gospel, millions were saved.

The end-times Laodicea saints believe they're 'rich' in truth; but they're 'blinded' by the enemy; as the Jesuits have deceived them with false prophecy explanations and other deceptions.

The Roman Emperor (the 'restrainer' of 2 Thes 2) was removed from power in 476, which was the 'deadly head wound' (Rev 13). This allowed the *son of perdition* Popes to take the Emperors' place as Pontifex Maximus, 'healing the head wound.'

This 1,260 year period from 538-1798 fulfilled the prophecies about 'time, and times and half a time', '1,260 days', and 'forty two months', as one day points to one prophetic year. During this time of 'great tribulation,' the 'two witnesses,' the saints and the Scriptures, were almost wiped out by the *antichrist beast* Popes. The saints were tortured and tens of millions were killed during the Dark Ages and Inquisition, by command of the Popes.

We're called to protest against the *antichrist beast* Popes and *false prophet* Jesuit Superior Generals; to expose their deceptions; to preach the Gospel and help people come out of Babylon. www.RevelationTimelineDecoded.com

1st Layer - The leaders of the three phases of the Satan-empowered Roman beast kingdom - Revelation 12-13

Revelation 12 describes the pagan Roman Empire. Satan used the Emperors to try to wipe out the early Church (woman), killing millions of saints. The seal judgments caused the decline of the empire and the trumpet judgments led to its fall. The empire split into ten kingdoms, the ten horns. Satan countered by creating a false Roman church to try to destroy Messiah's Church from within. This is the 'tares' planted alongside the 'wheat.' The 'little horn' of Daniel 7 Popes 'plucked out' three leaders who didn't bow to their authority.

The Revelation 13 'sea beast' is the next phase of the Roman beast, as the Popes rose to power out of a sea of people, out of the 10 civil kingdoms of the fallen Roman Empire. The *antichrist beast* Popes were given power and authority for 1,260 years, from 538-1798. They took the title of Pontifex Maximus, the head of church and state, 'healing the deadly head wound.' The Popes of Rome are the 'son of perdition,' as they pretend to be the leader of Messiah's Church, thus they 'sit in the temple of God.' They proclaimed to be God, forgive sins, and provide salvation; which is blasphemy. They persecuted the saints, so they're anti-Christ. Their teachings are contrary to Christ, saying that Mary is the Intercessor, which is anti-Christ. And they have the title of the 'Vicar of Christ,' taking the place of Christ. The Pope was removed from power in 1798, ending their 1,260 year reign. The 'mark of the beast' is *revering* and *obeying* the Pope.

The Revelation 13 'earth beast' is the last phase of the Roman beast. The *false prophet* Jesuit Superior General rose to power out of the 'earth' (*land*) of the *antichrist beast* Pope, the Vatican. These 'two horns' (leaders) pretend to serve Messiah (*lamb*), but really serve Satan (*dragon*). The Black Pope is using the Vatican to gather the world under his power. He controls D.C., his war machine, to overthrow leaders who don't bow to his authority and set up a Rothschild central bank. 666=Popes' title, *Vicarius Filii Dei* substitute Christ.
