

# Reserve Components Dual Payments

## MILITARY LIFE CYCLE

### ONLINE RESOURCE GUIDE

The Transition Assistance Program (TAP) provides training, information and services to help Service members and their families transition to civilian life. The Military Life Cycle (MLC) modules help Service members, Veterans and their families take full advantage of VA benefits and services. The Reserve Components Dual Payments module presents key information related to dual payment for reserve component members including defining dual payment, explaining why and how to waive payment and stating how circumstances may change for those Service members who return to active duty. [This Online Resource Guide](#) provides you with the web links to important resources related to the course.

### VA TAP ONLINE COURSES

The VA TAP Course Catalog is a comprehensive resource that includes information about all VA TAP course offerings, direct links to on-demand web-based training and downloadable reference materials.

To access these courses, navigate to the [VA TAP Course Catalog](#). You may also scan the QR code at the top of this page. Then, select from the list of courses available in the VA TAP Curriculum.

The screenshot shows the VA TAP Course Catalog interface. On the left is a navigation menu with options like 'I AM A...', 'Outreach, Transition and Economic Development', 'Transition', and 'VA TAP Course Catalog'. The main content area displays the course 'Reserve Components Dual Payments' under the heading 'Outreach, Transition and Economic Development'. The course description states: 'Determine how you can safely access your benefits under the VA eligibility guidelines. Understand how you may securely coordinate your VA disability compensation or pension benefits as an active Guard member or Reservist. (1 Module, 45 minutes)'. A link to 'View Online Resource Guide' is provided.
