In accordance with the Digital Millennium Copyright Act of 1998, the text of which may be found on the U.S. Copyright Office website at <http://www.copyright.gov/legislation/dmca.pdf>, and specifically in accordance with 17 USC § 512(c)(3), IOG will respond expeditiously to claims of copyright infringement committed using the IOG product and any IOG website (the "Site") if such claims are reported to our designated Copyright Agent identified below.

If you are a copyright owner, authorized to act on behalf of one, or authorized to act under any exclusive right under copyright, please report alleged copyright infringements taking place on or through the Site by completing a DMCA Notice of Alleged Infringement ("**Notice**") and delivering it to IOG's designated Copyright Agent.

Upon receipt of your Notice, we will take whatever action, in our sole discretion, including removal of the allegedly infringing materials from the Site and termination of access for repeat infringers of copyright protected content. Please note that if you fail to comply with all of the requirements of this section and of 17 USC § 512(c)(3) your Notice may not be valid.

- Identify the material or link you claim is infringing (or the subject of infringing activity) and to which access is to be disabled, including at a minimum, if applicable, the URL of the link shown on the Site or the exact location where such material may be found.
- An address, telephone number, and email address where we can contact you and, if different, an email address where the alleged infringing party, if not we can contact you.
- Include both of the following statements in the body of the Notice:
 - "I hereby state that I have a good faith belief that the disputed use of the copyrighted material is not authorized by the copyright owner, its agent, or the law (e.g., as a fair use)."
 - "I hereby state that the information in this Notice is accurate and, under penalty of perjury, that I am the owner, or authorized to act on behalf of, the owner, of the copyright or of an exclusive right under the copyright that is allegedly infringed."
- Your electronic or physical signature.
