

ACTIVIDAD DE LA SEC

A continuación se muestran los datos más significativos (acumulados y desglose mensual) de la actividad de la Sede Electrónica del Catastro (SEC):

Visitas: Se consideran dentro de una misma visita todos los accesos a la SEC desde un mismo ordenador, siempre que no deje pasar mas de 30 minutos sin actividad en la SEC.

Consultas que incluyen datos protegidos: son todas las que realizan los usuarios registrados, así como las que realizan los titulares catastrales de sus propios bienes. Se consideran datos protegidos la titularidad y el valor de los inmuebles.

Consultas que no incluyen datos protegidos: son aquellas que se realizan fundamentalmente desde el apartado "Acceso libre" de la SEC. En estas se proporcionan todos los datos catastrales de los inmuebles excepto titularidad y valor de los inmuebles.

Consultas a cartografía: contabiliza los mapas visualizados en la SEC.

Además se proporciona información de las certificaciones catastrales emitidas por la SEC.

Las estadísticas del mes y el año en curso muestran datos acumulados hasta el 30/4/2024
