Due to hacked emails, we are able to see a correspondence between her and a Dave Stone asking for a reference for a "Richard Windsor."

636. Comments include "Is this being tracked?" (possibly in reference to the bird's ankle tag, but also perhaps ambiguously referring to the post itself) and a description of a previous discovery of a bloody piece of scalp with a baseball cap in a commenter's backyard. Jabbaroos tells

werkinonmahnightcheese "I didn't get his number" which is possibly a joke about how his sexual partners die violently (or perhaps it's replying to a deleted comment).

The description says "A homophobic boy finds the father he's never seen and must learn to adapt to a new reality when his plumber dad turns out to be a drag queen." It's possible that he was making knowledgeable posts on Catholic forums in 2007

His YouTube account has a single upload of a Heavy Breathing concert from 5 years agoYouTube. The performer uses a "demonic" voice changer and makes multiple references to child sacrifice and satanism. His IMDb says he was in the TV show "Queen Dad."
