Our agenda is to find the truth wherever it leads.

The Uncomfortable Truth

The uncomfortable truth is always the bitterest pill to swallow. [Her Majesty the Queen](#) is up to her neck in pedophilia and her intelligence agency MI6 [spreads a pedophile-based religion](#) to entrap politicians. All roads lead to Britain and Israel, and from there to the Vatican.

A disproportionate number of pedocrats are Jews and the Catholic Church seems more dedicated to pedophilia than to God.

It is important to remember Satan is an equal opportunities employer; he doesn't care who you are. He just *loves* implicating groups of people, especially if they're innocent.

The pedocrats know the music has stopped and the jig is up; the various factions are currently trying to push each other under the bus. Be wary of those who wish to hijack your anger.

"Beware that, when fighting monsters, you yourself do not become a monster... for when you gaze long into the abyss. The abyss gazes also into you." — Friedrich Nietzsche
