Sabrina Bittencourt Exposing Brazilian Child Trafficking Networks? (/v/pizzagate/3020108) (pizzagate (/v/pizzagate))

submitted 1 month ago by sore_ass_losers (/u/sore_ass_losers)

Sabrina Bittencourt is the Brazilian activist who died recently after exposing John "of God"'s involvement in sex slavery, baby farms, and murder. A recent Facebook post by her son Gabriel reveals she was involved in the past two weeks working to delete internet images involving underage singer MC Melody and (if I'm reading this correctly) exposing "Birrthday's indigenous child trafficking network":

My Mother's last 15 days in addition to welcoming victims was to help take from social networks, Youtube channels for adults and porn sites all images of melody singer. She did this for free, if fucked up defending the girl and family in the press for at the end the lawyer of Melody's father and Bella talk that he was friends with bolsonaro and that it was better my mother not to take care of their career because she had **Birrthday's indigenous child trafficking network**. My mother tried to defend these parents from birrthday to turn into a fight against artists getting to "defend" a child as a political flag. She knows very well which side my mother was: from abused children. Melody's father and Bella dismissed the help of my mother and Felipe Neto and said their career would be suspended. My mother then began to target all the plan and partnerships that began for them, to create a larger platform with her team to help young Brazilian artists in vulnerability. It's full of witnesses of that and my mom's teams won't stop working.

quoted by Tiffany Fitzhenry "Her Name Was Sabrina Bittencourt" <http://archive.is/flCvZ> (<http://archive.is/flCvZ>)

Here is the wikipedia for Melody, which mentions Bittencourt: <http://archive.is/pkIO9> (<http://archive.is/pkIO9>)

And another article, mentioning Bittencourt: Pai de MC Melody diz não ser mais responsável por carreira da filha Father of MC Melody no longer responsible for career of daughter <http://archive.is/r9BMS> (<http://archive.is/r9BMS>)

"Due to completely this exhibition, we decide in common agreement and with the support of the youtuber Felipe Neto, who is a friend of the family, which I will not be any more person in charge for their run and because of wanting only the best for my daughters, knowing of their potential and what now two are adolescents who need more than never of the women's support in this new process of education, culture and art. The responsibility from now on for all this part is of Sabrina Bittencourt and team sweats and I ask that you listen attentively to the whole plan what they have for our family and what our daughters, they be a powerful voice for the changes that we want to see in the world!"

Apparently there was a scandal about the very sensual image of this underage singer and Sabrina Bittencourt, as a well known anti-abuse campaigner, was involved. Sounds rather innocuous, except this is what SB was working on in her final days and there is that mention of a child trafficking network.

Aha, "Birrthday" is likely Birrthday Alves, in charge of human rights for the new Bolsonaro administration.

"Understand why birrthday alves was chosen for the human rights folder of the government of jair bolsonaro For many, birrthday alves is a new name in politics, but those who closely follow the great human rights challenges in our country, know who

So 'Birthday's indigenous child trafficking network' is still not at all clear. Could be something lost in translation.

The allegations against the new minister, Damares Alves:

Since the Minister of Women, Family and Human Rights, **Damares Alves** was appointed by the government of President Jair Bolsonaro, a wound afflicted 5 years ago starting burning again in the Xingu. [Xingu = native Brazilian tribe]

The Kamayurá village, in the center of the Indian reservation in the north of Mato Grosso, is the birthplace of 20-year-old **Kajutiti Lulu Kamayurá**. Damares presents her as her adopted daughter.

The adoption, however, was never formalized legally. The way in which the 6-year-old girl was taken from the village is a source of controversy among the Indians.

Lulu was born on May 20, 1998, according to her birth record. *Epoch* went to the Xingu to hear the story of the girl who was raised by her paternal grandmother, **Tanumakaru**, a lady with cracked, blind eye.

They claim that Damares took the girl irregularly from the tribe. Some details are lost in the memory of the Indians, but there is a thread that unites the report of all of them.

Lulu left the village under pretense of doing a dental treatment in the city and never returned. They say that Damares Alves and **Márcia Suzuki**, friend and right-hand man of the minister, presented themselves as missionaries in the village. They said they were worried about the girl's oral health.

"I cried, and Lulu was crying too for leaving her grandmother. Marcia led the way. He said he was going to send her back, that when he went on vacation he would send her here."

Asked if she knew, at the time of Lulu's departure that Lulu wouldn't return, she replied: "Never."

Minister Damares Alves (...) said she was "prepared to answer the questions ... about our children, about my daughter and about families."

In Brasilia, however, she refused to give an interview and only partially answered the magazine's 14 questions.

"All the rights of **Lulu Kamayurá** were respected. No law was violated. Her biological family visits her regularly.

Uncles, cousins and brothers who left with her from the village reside in Brasilia. Everyone has an excellent emotional relationship."

We asked why **Damares** did not return the child to the village after the dental treatment. "Lulu Kamayura has returned to the village. She left the place with her family and never lost touch with her biological relatives."

The question of not having formally adopted Lulu was ignored.

Damares's advisor says the minister met Lulu in Brasilia, not the village, as the Indians say."

Thanks for posting this. So this minister is accused of being a client of indigenous child trafficking networks, you might say, in adopting an indigenous child.

SB was an anarchist, so a lefty I imagine, but I take her son's comments to mean she was more concerned about abuse than politics.

I've wondered if Bolsonaro is an analogue of Trump could all this publicity and arrest of JoD represent a 'draining of the swamp'? JoD was previously a national treasure. However the connection here is that one of Bolsonaro's ministers might have done something shady.

Not so much a client I suppose, more like a bad actor herself.

Yep, she was a leftie, and I don't agree with all of her political views, but this isn't about party politics. She is a survivor of childhood sexual abuse, and also of rape by a stranger, she dedicated her life to fight perps.

I've wondered if Bolsonaro is an analogue of Trump could all this publicity and arrest of JoD represent a 'draining of the swamp'?

1) I don't believe that Trump is 'draining the swamp', not in the sense of taking elite pedos down. (I'm non-partisan, and not into Q).

2) Bolsonero is an asshole imo.

3) It seems that the MP of the state John of God has been operating in supports the investigation. Not sure whether he just pretends, or might be genuine.

I just cannot believe the deluge created by Bittencourt's assassination. The subsequent blinds from CDAN indicating that David Geffen and Oprah have a helping hand in silencing many whistleblowers including Ms. Bittencourt AND having a deep hand in the government of the newly elected (conservative based) Brazilian government is just mindblowing. There is such a huge picture developing of political intrigue from American celebrities and wealthy moguls it is beyond anything Hollywood could ever produce.

Oh my god this is unbelievably HUGE.

Yeah, CDAN just drops hints without much evidence.

All you can really publicly claim to 'normies' about this whole scandal is celebrities such as Winfrey and Clinton showed poor judgment. The abuse stories have been around for years. Perhaps they were suckered in to address their own health issues.

Whether JoD helped with people's health, through white magic or black magic, or was just a complete fraud and whether any celebrities became aware or participated in the sex slavery/baby farm/murders, I think it's hard to say.

I think that what we are not investigating is what were those babies sold for. And that is what the media is covering up. I dont believe that a family with the capacity to spend 40.000usd will use it to buy a baby in the black market. The would rather resort to the normal regulations of adopting a baby. I believe and please take me seriously that the babies were sold for satanism and cannibalism, and that is the true horror of this story we are not being shown.

This is some information from Wikipedia about the singer Melody, and the issues with her sexualized image:

Who is Melody?

Melody is the daughter of **Thiago Abreu** and **Daiane Gloria Severino** and has a sister, Bella Angel, two years older.

Until January of 2019, she lived with the parents and her sister, then her parents initiated a process of separation and it was decided that the girls must stay with their mother.

According to reports of her father, **Thiago Abreu**, better known as '**Belinho**', Gabriella [Melody's real name] dreams of being a singer since her early years, due to his influence, since he is a funk singer as well.

Her sister **Bella Angel** also follows a musical career. The mother of the girls, in turn, did not interfere in the musical career of the two until January 2019, claiming to be impeded by the father and her daughters, a situation confirmed by **Belinho** himself.

Issues regarding Melody's sensualized image

Melody's father, **Thiago Abreu**, better known as **MC Belinho**, was investigated by the **São Paulo Public Prosecutor's Office** on suspicion of "Violation of the right to respect and dignity of children / adolescents" **due to Melody's adult look in music videos.

After the opening of the investigation, MC Belinho announced that he would make a change both to the music and to Melody's look, so that they would be not sensualized anymore.

He did a new video where Melody appears with a look appropriate for her age, and where she sings a song called "Child's Dream" that says her dream is to be a successful singer. Her father also sings a verse where he says he supports Melody's dream.

At the time it was reported that Melody received 2,500 reais per presentation. Melody posted a photo with a bag of money, but after the investigation was opened, Belinho denied that he earned any money at the expense of her daughter.

Melody was also involved in other controversies: Her father accused Lucas Lucco of trying to take Melody's site down. (?)

In January 2019, **Isabella Otto** published an article in *Capricho* about Melody, questioning her adult look: "Melody and the generation of adultified and sexualized girls ... A clear example of this is the photos posted on July 7 by MC Melody on Instagram.

In the same month, **Felipe Neto** [a friend of Sabrina Bittencourt] banned the singer from his YouTube channel, writing:

"Well, unfortunately Melody is banned from my channel. (...) He promised me that he would change, but it only got worse, and it got much worse, she's 11. Eleven and I had to censor a photo to be able to show it."

In the context of the controversy, in January 2019, Melody's mother, **Daiane Glória Abreu**, said that she doesn't approve of the sensual look of her daughter in the productions, but that she wasn't able to influence Melody's father and Melody.

She said "the girls are against me because their father supports everything they do, while I do not. They say that if their career is over, it's my fault." She also said that Belinho "is a good father, but began to change the style of Melody mainly from the middle of last year."

In addition, while Belinho was responsible for managing the daughters' career, Daiane claims to have never had access to the profits made by the musical career of Melody and Bella [Melody's sister].

Regarding the musical career involving content considered sensual and precocious and following the criticisms that were made, **Felipe Netto** suggested to the activist **Sabrina Bittencourt** to let the music productions of Melody and her sister, Bella Angel, be supervised by professionals, f.i. psychologists and pedagogues.

The mother of the girls said that she will go along with this and will follow their career.

At the same time, the girls' father issued a note apologizing for what was done with Melody and Bella, explaining that the absence of the mother in the career of her daughters is entirely his fault and that the custody of the children should be granted to her.

In the same context, he stated that he will no longer be responsible for the artistic career of the girls, which should be under the mother's administration.

So it's interesting that Sabrina Bittencourt was a well known anti-abuse activist in Brazil, to publicly intercede in this famous case.

For sure babies. For officially dying here you need embassy or state papers telling that you are actually died. This document is called Atestado de Obito, i dont know but for sure you have some a document like that in ur countries to. What her son and ex husband are telling is that they dont want such document because in their vision, with this document THEY could be found. This is very weird. Last news, Libano embassy doesnt recognize Sabrina's death.
