# The woman who outed John of God (Brazilian Clinton/Oprah faith healer) in 2018 just committed suicide. This is a few days after new accusations were made about baby farming and teen sex slaves. (/v/pizzagate/3013771)

She said she got death threats from this guy: **Paulo Pavesi**, and that he had several men who would try to find her, and harm her.

**Journalist Gilberto Dimeinstein said on her blog that she had received a message from Sabrina, saying she was being persecuted by Pavesi. "I am being persecuted by this man named Paulo Pavesi.**

**A guide who works at the Casa Dom Inácio de Loyola called several professional killers of Joao de Deus and asked [them] to find me.**

http://archive.fo/C1xle (http://archive.fo/C1xle)

Of course he claims that the baby farm allegations and the accusations that the teenage 'breeders' were killed, were made up by her.

He has a Facebook where he writes about her death (in Portuguese, but you might want to use Google Translate).

She was a survivor of sexual abuse. Kudos to her for everything she did in order to expose perps.

May she rest in peace.

Hi think! Mr Paulo Pavesi is a very controversial person. He got mad (literally) when his son was killed by 7 doctors for organ traffick. He wasnt a Joao de Deus employee. He was exilated outside brazil because of his denounce. 3 doctors were arrested. He was against Sabrina Bittencourt because he was supposed from right wing party and she as left wing party. None of them could ever understand that here, in this shithole, there isnt left or right, there are freemasonry and jews behind every kind of power, politics, media, church, police,arts, etc (Note: I dont have prejudice against jews, I ve took a DNA test and found out that I am fortunaley or unfortunately part jew, before someone shouts that I am a neonazi, it's only a fact)

It seems that the son of John of God, Sandro, now got arrested as well. Sabrina Bittencourt wrote in her last letter:

On Saturday, Sabrina even made a statement about the arrest of Sandro Teixeira de Faria, son of João de Deus, in Anápolis (GO). He is accused of coercing witnesses who denounce the sexual abuse of the medium.

"I confirm that Sandro Teixeira has threatened our witnesses, coerced, entered the house of the people, forbids me to speak with me, Maria do Carmo Santos and Vana Lopes, of the United Victims Group. We are protecting several of these victims and witnesses, "she said.

Sure did. It has certainly been on my mind and awful lot. Pretty interesting how Geffen and Oprah are plotting assassinations from The Rising Son to cover their tracks with this John of God character, watching the new MJ doc on the yacht, and this new character assassination attempt on Fionna Barnett.

### Today's Blind Items - Killing Spree

People are focusing only on the big name in all of this. The thing is, there were others killed first in this spree. Oh, and they were all killings. There was no suicide. The claim of suicide was made by relatives to try and ensure their own safety. No one actually believes there was a suicide.

Was it arranged by the mogul? It isn't like he hasn't protected child molesters before. It isn't like he hasn't protected billionaire sex traffickers before. It isn't like he hasn't helped out his one named A++ list friend when they have needed it before. It isn't his first time being involved in deaths to cover up secrets or to do a favor. I think this was more revenge than anything else. You don't run through the list of victims that were in hiding, all helped by the "suicide" victim and then kill them all.

Each killing was accompanied with a message to the "suicide" victim. They were coming for her. She knew they were coming for her. She reached out to people to spread the word they were murdering those closest to her. She knew they would come for her family unless she gave up herself to them first. You know the term suicide by cop? This was pretty similar. Show yourself and get yourself killed or the family goes and then they will come and find you anyway after.

They launched their killing spree from a yacht moored in Vilanova Grand Marina. Guess who the yacht is registered to? Yeah, the same name he uses for all the yachts he bought with this internet tycoon several years ago. This one he has not bought out, but he is still co-owner.

When I have time, I will do a megapost with EVERYBODY that Sabrina Bittencourt has denounced before dying, it includes João de Deus, Ge Marques, Sri Prem Baba, Derose Yoga Method (very common up here, also inside bij gyms), Ayahuasca Temples, Umbanda Temples, etc etc. I wish I could do something more than denouncing but I DONT TRUST no one. I am even afraid of not hiding myself more up here, with SOCKS5 or VPN ... One important fact, Sabrina was asking help for OPRAH on her website: <http://coamebr.tk/> (<http://coamebr.tk/>) . As I told you all, here in Brazil reddit or voat arent very popular. she was using #oprahweneedyou you can check by yourself on the link above

Unbelievable. Dr. Wayne Dyer and Oprah with John of God Joao. These are very short videos. 3 & 4 min. and less.

In 2012 Oprah Winfrey made the journey to Brazil to experience the powerful energy and healing that is available at the Casa. Watch here her talk with Medium Joao.

Her visit enabled her to see first hand the work of the entities and the palpable presence of healing in the current room.

WAYNE DYER:Wayne Dyer received work and healing through the Distant Healing procedure which contributed to his recovery from leukemia.

WAYNE DYER:Wayne explains his healing process through John of God. Please note that Distant Healing and spiritual interventions such as Wayne Dyer had are equal in their effects.

These Two Fakes are pushing the Flim Flam of John of God Bogus Healings. What's in it for them? What are they getting? Money? Or something else. I can't really believe they actually believe what they are peddling. A complete sham.

From the Reddit Link

Oprah was probably grooming little girls or boys for the spirit cooking parties or hot dog parties at the White House with Jay Z and Podesta. Didn't Oprah have an orphanage in Africa or a school for children without parents???

Wow. What an assessment. Well Oprah did have a school for older girls and one of the girls was pregnant and they found a baby in her gym bag/satchel. Very interesting.

It would be fantastic to see Oprah and her devotees get the shock of their lives. That being, the deepest understanding of what is meant by child trafficking through this false prophet and then deeply understanding what is happening worldwide. Would Oprah cry for the souls, would her devotees be saddened?

However, the brainwashing is deep to those who watched the exalted idol for 25 years and unfortunately some still do it seems.

Here's some background on Bittencourt's involvement from the Australian press:

"The activist believed to have given voice to the abused is Sabrina Bittencourt, a Brazilian currently in hiding somewhere between Europe and the Middle East.

Bittencourt says complaints about another Brazilian healer, Prem Baba, hit the air waves at the end of August, prompting her to ask in a Facebook post who was helping the victims emotionally.

"To my surprise, women began writing to me. In one month I received 103 complaints from victims of 13 spiritual leaders, including Joao de Deus," she says.

She understood the magnitude of the problem, she says, and began working to help mobilise volunteer therapists and lawyers, contacting the media, lawmakers and human rights organisations.

"I did it in the most organised way possible because I knew I was staring at the biggest allegations in Brazil's history and there could not be slip ups or people would die."

In total, she says she has helped 82 victims of Faria alone. Bittencourt says the women's suffering has brought back memories of her own sexual abuse experiences as a child at the hands of Mormon church member and that she is again, in fear for her life. She says some Faria's aides or supporters have threatened women who raised complaints.

She had been told of several Australian victims, including a woman who has taken her own life, but declined to give more details. The claims could not be independently verified.

Everyone who knew of these rumours or knew of some of the victims and worked to transform this man into a myth are complicit. Many people collaborated to ensure the women stayed silent and in fear.

"It is time to stop turning people into gods. Today we send probes into Mars, but socially it seems like we still live in the Middle Ages some times."

She promised to help more women find their voices in 2019, revealing abuse by other spiritual healers.

"If something happens to me, other wonderful people will continue this work. It's a strong group."

The port mentioned Vilanova Grand Marina is in Barcelona, consistent with reports of Bittencourt's supposed suicide taking place in that city. However there is some confusion, her son says she died in Lebanon:

The details of the death of activist Sabrina Bittencourt who revealed allegations of sexual abuse of John of God and other religious leaders are still uncertain. One day after the activist's suicide allegation, her colleagues and her family give different answers about where and when she died.

The news was announced at 11:24 Sunday 3 in a note signed by Maria do Carmo Santos, founder. the NGO Vítimas Unidas, in which Sabrina participated. According to the statement, the activist committed suicide in Barcelona on Saturday around 9 pm, leaving a letter of goodbye. ...

Gabriel Baum, the eldest son of the age of 16, is the only close relative who talks about death. According to him, the mother died in Lebanon and will be buried in this country.

Gabriel also stated that he had met his mother for the last time in Paris, before she went to Barcelona and, later, to Lebanon with her girlfriend.
