We have already gone through the summary of how this year is going to be for you. Now, let's have a look at detailed forecast based on how energies influence various segments of this year

January 01, 2024 - January 23, 2024

Finance

With Mars in the second house, there won't be any favorable financial outcome. You are likely to suffer from economic losses in business due to major damage or theft. You may also spend your money on unnecessary things. Control useless expenses.

Career

Despite working hard in your job/business, you may feel disappointed with the results, hence stay calm and composed. During this period, you will gain proficiency in your field and achieve success. Trading metals such as gold, copper may be beneficial for you.

Family Life

Situations may become adverse on family front. There can be a major distress at home leading to big fights. You may feel disturbed by your domestic life. Control your mouth and try to avoid using offensive and abusive words. You may stay away from home due to some work.

Love And Marital Life

There will be a decline in the health of your spouse; hence focus and take good care of them. Do not doubt your partner's intentions and try to understand their feelings. Resolve any persisting distrust.

Health

During this time, take care of your health. You may contract diseases related to eye, hence there must be no negligence at this time. You may complain of gas, diarrhea, constipation, etc., so pay particular attention to your diet. Go for health check up on a regular basis.

Do's

- Respect your motherland and the army.
- Behave nicely with the brother, brother-in-law and friends.

Don'ts

- Do not borrow money on Tuesdays.
- Do not say bitter words to anybody.

Remedies

- Chant Mangal Beej Mantra.
- Plant pomegranate tree in any garden on Tuesday.

January 23, 2024 - March 18, 2024

Finance

You will get good results in the financial sector. At this time, you will have a good inflow of money but your expenses will increase. You should maintain a balance between your income and expenditure, otherwise, you might have to go through a financial crisis. Take expert advice while making financial decisions.

Career

In the field of career, you will get mixed results. You will perform well in your business and will be very serious about achieving your goals. Your determination will be firm and you will work hard. Do not become arrogant and egoistic as this will harm your reputation as well as your performance.

Family Life

You will enjoy your family life. You will get the chance to spend time with your family members. During this period, you will have a strong bonding with your kith and kin, but the chances of having a good relationship with your father are less. It would be better for you if you respect your father and follow his advice.

Love And Marital Life

You will experience marital bliss and happiness in your married life. You will have a strong bonding with your spouse. You will also earn respect in the society because of them. The time will be good for your love life. You will get to spend some romantic time with your loved one.

Health

You will be energetic and full of life. You will perform all your tasks with efficiency because of good health. You will be serious about your health and will adopt a healthy lifestyle. You are advised to abstain from drinking alcohol and smoking.

Do's

- Maintain a good relationship with your father.
- Fully oppose the conventional ideas.

Don'ts

- Do not offend anyone and give new direction to your thoughts.
- Do not pretend to be religious.
