

Sunrider CONNECT

Introducing the ultimate Sunrider business tool.

Sunrider CONNECT is our user-friendly mobile app designed to transform the way you LOVE, SHARE, and GROW your business!

Work from anywhere! Just download and use the app to shop for Sunrider products, manage your monthly Subscription orders (formerly AutoShip), track and redeem Rewards points, and build and manage your Sunrider business.

With Sunrider CONNECT, everyone can:

- Log in using their regular us.sunrider.com credentials
- Shop all the ways one can via the Website
- Manage their monthly subscription orders

IBOs can also:

- Share product links directly from your Sunrider replicated website
- Seamlessly transition your existing customers into your client tree while categorizing leads into cold, warm, and hot prospects.
- Keep a personalized record of your customer interactions ensuring a smooth and productive business journey.
- Place orders for yourself and your customers
- Easily share Sunrider images, infographics, videos, PDFs, and more with your contacts, family, friends, and prospects
- Sponsor new customers and IBOs
- Connect with your team for inspiration and support

[WATCH](#) a short video on how to download the Sunrider Connect App

- On your phone, go to the Apple® App Store for iPhone and iPad or the Google® Play Store for Android® devices
- Search for “Sunrider” and look for the app labeled Sunrider Connect
- Get the app, open it, and log in with your us.sunrider.com credentials (be sure to allow notifications) and start using it!

DOWNLOAD NOW!

Compatible with mobile phones running iOS 12.4 and above or Android 8.0 and above. The app can be used on tablets such as an iPad, but on some screens, navigation and other features will be less than optimal.
