*"We have been brutally censored by Google, but we see continued grace in certain regions of the world as the Lord keeps breaking through with the Gospel. Please pray that God will help us and other Truth-focused ministries develop new ways to pursue the Great Commission on the Internet. Please pray that Greg and his team will receive supernatural anointing to create resilient tools and technologies to reach the nations with the Love and Light of Jesus!"*  
Christopher Niles, President, AllAboutGOD.com

*"And this gospel of the kingdom will be preached in all the world as a witness to all the nations, and then the end will come."*

## HIGHLIGHTS AND PRAISES

**What We Do** – We strive in the Spirit to fulfill the Great Commission and Great Commandment. We SEO over 10,000 pages of Truth in 14 languages spanning 54 websites that reaches 241 countries/territories!

**What's New?** – We have been revamping and upgrading many of our foreign language pages to better reach the world with God's Truth. This includes new translations, videos, search engine optimization techniques, and on-page features for better smartphone viewing. Check out the new Azerbaijan outreach we launched at [AllAboutGOD.com/Azerbaijani](http://AllAboutGOD.com/Azerbaijani) and the fully revamped Spanish outreach [AllAboutGOD.com/Spanish](http://AllAboutGOD.com/Spanish) as examples. Last but not least R. Christopher Niles joined All About GOD as its new President in mid-August to focus on new content initiatives. Greg Outlaw remains as Chairman and is focusing on resilient tools and tech.
