

## SPS CUBS

SWARNPRASTHA  
PUBLIC SCHOOL

### **Cookery Club**

Cooking methods and ingredients vary greatly over the world, reflecting distinct environmental, economic and cultural traditions and trends. We educate our children, the fundamentals of the kitchen. Children become acquainted with a variety of kitchen equipment and utensils.

### **Sports Club**

A sports club in school is a group of students who come together to participate in and promote various physical activities and sports. This club covers a wide range of sports, including soccer, basketball, football, shooting, boxing, yoga, volleyball, tennis, swimming, and athletics.

The main purpose of the sports club is to promote physical fitness, teamwork, and leadership skills among students

### **Dance Club**

A dance club at SPS is a student run club that is dedicated in promoting dance and providing opportunities for students to learn and participate in various dance styles. The club is usually open to all students who are interested in dance, regardless of their skill level or prior experience. It helps our children to foster a sense of community and encourage teamwork among members.

### **Fine Arts Club**

A Fine Arts Club in school is an extracurricular activity that provides students with opportunities to explore various forms of art such as painting, drawing, sculpture, nail and thread, embossing, etc. The club's main purpose is to promote and enhance the creative and artistic skills of students and to foster a love for the arts.

### **English Literary Club**

The English Literary Club at SPS aims to foster love for literature and the English language among its members. It is open to all the students who are interested in reading, writing and discussing literature, regardless of their academic background or level of proficiency in English. It is a community of like minded individuals who share a passion for literature and who are committed to learning and growing together.

### **Theatre Club**

Theatre Club at SPS is a student organization that focuses on promoting and developing theatrical skills and knowledge among its members. It provides a platform for students who are interested in drama, acting, and stagecraft to collaborate, learn, and showcase their talents through various events and performances. Participating in a Theatre Club help students to develop a range of skills, such as teamwork, communication, creativity, confidence, and leadership.

### **Research and Science Club**

A Research and Science Club at SPS focuses on promoting scientific knowledge, research skills and critical thinking in various fields of science. The club provides a platform for students to learn, discuss and engage in scientific activities outside the classroom.

To foster collaboration, Atal Tinkering Lab provides a platform for students to collaborate and work together on research projects, science-based activities and events.

### **Maths Club**

Maths club at SPS is a community of individuals who are interested in exploring and discussing various mathematical concepts and topics. Swarnprasthians find it a suitable place to come together to share their enthusiasm for mathematics, develop their problem solving skills and engage in challenging and stimulating discussions.

The Club helps students to discover the beauty and usefulness of mathematics and inspire them to pursue further studies or careers in this field.

### **Eco Club**

The Eco Club at SPS is formed to promote environmental awareness and encourage sustainable practices within the community.

Members of the club often work in collaboration with other environmental organizations, such as NGOs, government agencies and businesses, to achieve their goals.

### **Photography Club**

A picture speaks a thousand words.

The art and science of using a single lens reflex camera is taught to students in the photography club. They understand the intricacies of focus, shutter speed, aperture, etc through this club. For precision and to intensify their knowledge, students are also provided with the fundamentals of the darkroom.

### **Heritage Club**

The Heritage Club at SPS focuses on preserving and promoting cultural heritage. The club includes students who are interested in preserving the history, traditions, and values of their community or region.

Members of a Heritage Club participate in a variety of activities and events, such as organizing cultural festivals, creating educational programs, restoring historical landmarks or artifacts and conducting research on local history and traditions.

### **Hindi Literary Club**

The Hindi Literary Club at SPS is an organization dedicated to promoting and celebrating Hindi language and literature. It is a community of individuals who share a passion for Hindi literature and come together to explore, discuss and appreciate the richness and diversity of Hindi literature. It is a vibrant community that celebrates the beauty and richness of Hindi language and literature, promotes literary talent and fosters a sense of belonging among those who share a passion for Hindi culture.

### **Music Club**

The Music Club at SPS encourages the musical talent among students. The students who love learning music are provided with voice lessons, opportunities to play and learn different instruments. It has emerged as an important platform for the students to showcase their talent of vocal and instrumental music. By inculcating love for music among students, SPS gives them an opportunity to participate in various competitions and musical programs at various levels.
