SINGLES. No change to the top two for the third straight week – *Sex On Fire* over former No.1 *So What*. For the first time since November 2001 the top five are all distributed by the same Record Company as Sony acts Beyonce (with her sixth solo top 10 hit *If I Were A Boy*) and Britney Spears (*Womanizer*) move up to join the aforementioned Kings Of Leon and P!nk along with Jessica Mauboy Feat. Flo Rida. The other new title in the top 10 is *Poker Face* which leaps to No.9 giving Lady GaGa both of her first two singles simultaneously in the top 10.

No.16 SOBER – P!nk. The unstoppable P!nk, is back at the top end of our charts again with yet another sure-fire hit. *Sober* is the second single to be taken from P!nk's current No.1 album – *Funhouse*. The first single, *So What* is still doing some damage on the ARIA Singles Chart, having spent eleven consecutive weeks in the Top 5! Previous singles to come out of the P!nk hit factory are *Who Knew* (No.2 July '06), *There You Go* (No.2 June '00) and *Get The Party Started* (No.1 Dec. '01).

No.36 SUPERHUMAN – Chris Brown Feat. Keri Hilson. Currently on tour of Australia with his girlfriend Rihanna, Chris Brown is not only setting the chart alight, but also the hearts of fans and stages across our continent. *Superhuman* comes after *Forever*, which has achieved a platinum accreditation and peaked at No.7 in June this year. Both singles can be found on Brown's current album – *Exclusive* (No.5 July '08), which is currently positioned at No.1 on the ARIA Urban Albums Chart.

No.56 MISS INDEPENDENT – Ne-Yo. This is the follow up to *Closer*, which peaked at No.8 in September of this year and it has been accredited gold. *Miss Independent*, taken from Ne-Yo's latest album, *Year Of The Gentleman* (No.7 Sep. '08) features a sample from the song, *Forget About Me* by Lil' Bit and features cameos from Keri Hilson and Gabrielle Union in the video clip.

No.62 REHAB – Rihanna. Well if you read chartfact #2, you would be aware that Rihanna is currently on her shores for a tour with Chris Brown. Rihanna has just been pumping out the hits of late having had all of her singles so far peak within the Top 40! Now this is no easy feat... So far the beautiful songstress has had three No.1's – *SOS* (Apr. '06), *Umbrella* (June '07) and *Don't Stop The Music* (Feb. '08).

No.68 GET SHAKY (IAN CAREY ORIGINAL VS ALTERNATIVE MIX) – The Ian Carey Project. This track is a remix of the funky dance/house single *Get Shaky* which is currently at No. 17 this week on the Dance Singles chart. Carey is known for being a key player in the house music scene and has introduced several remixes of his *Get Shaky* track including *Get Shaky (Vandalism Remix)* and *Get Shaky (Stonebridge Remix)*.

No.71 THE SHOW – Lenka. Although this is Lenka Kriptic's first appearance on our charts as a solo artist, she has been there before as a member of Sydney avant-garde electro band Decoder Ring whose album *Fractions* reached No.80 on the ARIA Charts in September 2005. Born in Southern NSW in the early 1990s (she is still a teenager) and raised in Sydney, Lenka has lived in California since 2007.

No.77 TROUBLE TROUBLE – The Potbelleez. The four piece originally from Ireland (they now call Sydney home) House/Electro music group has hit the charts again following their previous hit singles and Aria Award nomination *Don't Hold Back* which peaked at (No. 5 Jan. 08) and also *Are You With Me* which peaked at (No. 14 June. 08). *Trouble Trouble* also peaked at No.12 on the Dance singles chart and is the third single by The Potbelleez from their self-titled debut album.

No.89 INSOMNIA – Craig David. The popular R&B singer has re-entered the music scene after working hard at creating his Greatest Hits album, which is to be released later this year and will include David's most memorable hits such as *Walking Away* (No. 5 April 01) and *7 Days* (No. 4 Jan. 01). *Insomnia* is David's most recent release and is the first single to be taken from his Greatest Hits album.

No.92 SAVE YOU – Simple Plan. The Pop/Punk Canadian band has made a mark on the charts again. Prior to *Save You*, Simple Plan is best known for their rockin' hits such as *Addicted* (No. 10 Sep. 04), *Perfect* (No. 6 Jul. 04), *Welcome To My Life* (No. Dec. 04) and *Untitled* (No. 9 Jul. 05). *Save You* is the third single from Simple Plan's self titled CD. It is told by lead singer Pierre Bouvier that the song deals with his brother's distressing battle with cancer. The song is currently climbing the charts around the world and has made its peak on the Canadian Top 100 at No. 18.

No.93 THE MAN WHO CAN'T BE MOVED – The Script. After releasing their debut self titled album *The Script* in 2008, this Irish rock band has already seen two of their singles hit the charts nationally. *We Cry* was the bands debut single (No. 96 Sept. 08) and now *The Man Who Can't Be Moved* which peaked on the UK Singles Chart at No. 2.

No.100 MOMENT IN THE SUN – The Living End. After being nominated for four ARIA nominations at the 2008 Aria Awards and winning Best Rock Album Of The Year, it is clear that The Living End have made a positive mark on the music scene this year. The Australian rock bands released their Gold accredited album *White Noise* earlier this year (No.2 July. 08) and have since had two singles from the album in the Top 100 – *White Noise* (No. 12 July. 08) which has earned a Gold Accreditation and *Moment In The Sun*.

ALBUMS. P!nk has jumped back into the charts again, with her brand new album *Funhouse* debuting at No.1 pulling *I'm Not Dead* up to No.15. It has also pushed AC/DC's *Black Ice* down the charts to No.2 from it's No.1 debut position last week as well as *Only By The Night* by Kings Of Leon down to No.3, it's lowest position since its debut chart at No.4. There are a lot of debuting albums this week as Australia starts to gear up for Christmas!

No.1 FUNHOUSE – P!nk. P!nk's latest album has gone straight to No.1 and already been accredited double platinum. This is her first album to debut at No.1, her previous album first hit No.1 in October 2006 and then again later on in June 2007 and was also accredited with platinum sales nine times over - leaving her with some very big shoes to fill! However it looks like she might be on the right track as *Funhouse* has already been accredited with double platinum sales. Previous albums include *Can't Take Me Home* (No.10 Oct. '00) accredited platinum, *Missundaztood* (No.14 May '02) accredited double platinum, *Try This* (No.8 Nov. '03) accredited platinum and *Pink Box* (No.13 Dec. '07) accredited gold. P!nk has recently been on our shores putting in a stunning performance at this years ARIA's and is scheduled to return in May next year bringing her *Funhouse* tour.

No.5 INTIMACY – Bloc Party. Straight out of England, Bloc Party is made up of Kele Okereke (vocals), Russell Lissack (guitar), Gordon Moakes (bass) and Matt Tong (drums). Their previous album, *A Weekend In The City*, hit No.2 in February 2007 and was accredited gold and has so far been their highest charting position. Previous to that *Silent Alarm* hit No.30 in February 2005 and was also accredited gold. Bloc Party are scheduled to tour here at the end of November.

No.7 A HUNDRED MILLION SUNS – Snow Patrol. Already accredited Gold, *A Hundred Million Suns* has hit the ground running. It is the follow-up to their successful debut album *Eyes Open* which hit No.1 in January 2007 and has also been accredited with quadruple platinum sales. Snow Patrol hail from Northern Ireland and is made up of Gary Lightbody (vocals, guitar), Jonny Quinn (drums), Nathan Connolly (guitar), Paul Wilson (bass) and Tom Simpson (keyboards).

No.30 4:13 DREAM – The Cure. Fans of The Cure have had a frustrating ride waiting for this album, The Cure's first release in over four years. Several release dates were announced and then re-scheduled. The Cure's current line-up is Robert Smith (vocals), Porl Thompson (guitar), Simon Gallup (bass) and Jason Cooper (drums). The Cure's charting history extends right back to the 80's, though their more recently charting albums include *Standing On A Beach – The Single* (No.23 Aug. '92) which was accredited triple platinum, *Wish* (No.1 May '92) accredited platinum, *Show* (No.16 Sep. '93), *Wild Mood Swings* (No.5 May '96), *Bloodflowers* (No.11 Feb. '00) and *The Cure* (No.28 Jul. '04).

No.36 CELINE DION – MY LOVE: ULTIMATE ESSENTIAL COLLECTION – Celine Dion. Dion has a remarkable chart history that started with *Celine Dion* which hit No.15 in September 1992. Since then she has had five No.1 albums, beginning with *The Colour Of My Love* (May '95) accredited platinum eight times, then *Falling Into You* (Mar. '96) accredited platinum twelve times, *Let's Talk About Love* (Nov. '97) accredited platinum six times, *All The Way... A Decade Of Song* (Dec. '99) accredited triple platinum and the last was *A New Day Has Come* (Apr. '02) accredited double platinum. Her latest release, as the title suggests, is a best of collection which features the following tracks, *Beauty and the Beast* (No.17 Jul. '92), *The Power of Love* (No.1 Apr. '94) accredited platinum, *It's All Coming Back To Me Now* (No.8 Nov. '96) accredited gold, *Tell Him* (No.9 Nov. '97) accredited gold and *My Heart Will Go On* (No.1 Feb. '98) accredited double platinum.

No.38 E2 – Eros Ramazzotti. This is the first album of Ramazzotti's to chart here in Australia, though he is an established and well-loved musician in many countries overseas. This album has hit the top 5 in many European countries. *E2* is a compilation album, which features duets with Ricky Martin, Tina Turner, Cher and Anastacia. Ramazzotti is an Italian singer who also writes most of his own songs. Previous albums include *In Ogni Senso*, *Tutte Storie*, *Dove C'e Musica*, *Eros Ramazzotti* and *Calma Apparente*.

No.40 HEART ON – Eagles Of Death Metal. Eagles Of Death Metal is not a heavy metal band – contrary to the images their name may bring up! It is made up of Jesse Hughes and Josh Homme. Homme is also a member of Queens Of The Stone Age. This is the third album from this American two-some; the first was *Peace, Love, Death Metal* which hit No.50 in March 2004 and that was followed by *Death By Sexy* which peaked at No.51 in August 2006 which makes *Heart On* at No.40 their highest charting position.

No.46 GODSPEED ON THE DEVIL'S THUNDER – Cradle Of Filth. Cradle Of Filth's latest album is a concept album, it tells the story of a French nobleman called Gilles De Rais who apparently fought alongside Joan Of Arc and then became evil – turning into a serial killer and satanist. Cradle Of Filth all hail from England, where this album was recorded. This is their fourth album to hit the Albums chart, the first was *Domination And A Day* (No.47 Mar. '03), then *Nymphetamine* (No.53 Oct. '04) and finally *Thornography* which gave them their chart of peak No.35 in October 2006.

No.47 HEAVY ROTATION – Anastacia. Featuring her current single *I Can Feel You*, this is the fifth Australian chart album for 40 year old Anastacia Newton (nee Newkirk). The American singer has enjoyed far greater success internationally than in her homeland and none more than Australia where her first three albums all hit the top 10 and achieved at least platinum status. Her previous albums have been - *Not That Kind* (No.2 Aug 2000), *Freak Of Nature* (No.10 May 2002), *Anastacia* (No.1 Apr 2004) and *Pieces Of A Dream* (No.23 Nov 2005).

No.61 21 NUMBER ONES – Kenny Rogers. A two week ten date Australian tour through the second half of October has been the catalyst for this to become the 70 year old Country superstar's first Australian chart album in over 8 years and his biggest in more than 12 years. His last appearance on our charts was in May 2000 when he hit No.77 with *After Dark*, while the last time he was higher on the charts was with his *Endless Love* album which reached No.15 in September 1996.

No.66 EVOLVER – John Legend. Like his two previous albums *Get Lifted* (No.36 Feb 2006) and *Once Again* (No.56 Nov 2006), John co-produced his third album with his longtime friend and collaborator Kanye West and many others. Kanye also makes a guest appearance on the album as do Brandy, Andre 3000 and Estelle.

No.70 CARDIOLOGY – Ryan Adams & The Cardinals. If the Australian Charts were a sporting event, then South Carolina born and New York based Ryan would surely be considered a journeyman. This is his seventh Australian top 100 album since his 2002 debut and while all seven have reached the top 100, only two have climbed into the top 50 - *Cold Roses* (No.31 in May 2005) and his last, *Easy Tiger* (No.32 July 2007).

No.89 NUMBER ONES – Stevie Wonder. This greatest hits collection has only just hit the top 100, though it was originally released at the end of last year. Included on this album are such classics as the two 70's hits *Signed Sealed Delivered I'm Yours* and top 10 hit *You Are The Sunshine Of My Life*, the two top 5 80's hits *Master Blaster (Jammin)* and *Ebony and Ivory* and the No.1 hit *I Just Called To Say I Love You*. This is the third 'best of' compilation of Wonder's to chart, the first was *Song Review – A Greatest Hit* (No.4 May '97) which was followed by *The Definitive Collection* (No.66 Sep. '03).

No.95 THE KATIE MELUA COLLECTION – Katie Melua. This is a compilation of Melua's singles from her previous albums which include *Call Off The Search* (No.13 July '04) accredited platinum, *Piece By Piece* (No.31 Oct. '05) and *Pictures* (No.15 Oct. '07). Alongside such hits as *The Closest Thing To Crazy* (No.45 Aug. '04) are a few newer tracks – *What A Wonderful World*, a duet with Eva Cassidy, *When You taught Me How To Dance* and 2 songs written for the film *Fainheart*.

No.99 LIVE IN AUSTRALIA – Chris Isaak. Sneaking in at No.99 is a recording taken from Isaak's 'Best Of' tour here in Australia in 2006. Interspersed with all of the classic songs is him chewing the fat with his Aussie audience. On this album are live recordings of the following: *Wicked Game* (No.15 Apr. '91), *Blue Hotel* (No.23 May '91), *Somebody's Crying* (No.5 Aug. '95), *Baby Did A Bad Bad Thing* (No.9 Aug. '99) and many more! Isaak is well-loved in Australia – as is evident from his chart history; *Wicked Game* (No.13 Mar. '91) triple platinum accredited, *San Francisco Days* (No.20 Jun. '93) accredited gold, *Forever Blue* (No.2 Jul. '95) accredited triple platinum, *Baja Sessions* (No.8 Sep. '96) accredited gold, *Speak Of The Devil* (No.11 Aug. '99) accredited gold, *Always Got Tonight* (No.12 Jun. '02) accredited gold and *Best Of* (No.1 Jun. '06) accredited triple platinum.

#1 Single this week
