THE BRITISH "INNER SANCTUM" OF MODERN WEAPONIZED INTELLIGENCE DISCOVERED

British & American spies weaponized modern intelligence to enrich themselves, their knights, bankers, lawyers, accountants, propagandists and war corporations thru continuous fake enemies and contrived conflicts

Their "Inner Sanctum" brotherhood took an "ULTRA oath" not to reveal even the existence of their Mar. 05, 1946 agreement and only grudgingly allowed the FBI to join

U.S. Maj. Gen. James E. Freeze, ASA, NSA was groomed by the 1946 "Inner Sanctum," created Echelon, then stole and weaponized Leader Technologies' social networking invention

The Senior Executive Service (SES) and IBM hired tens of thousands of German scientists from Operation TICOM (Target Intelligence Committee linked to Bletchley Park that includes Operation Paperclip as just one of its projects) to staff U.S. corporations using stolen IP

LEGEND: Some corruptocrat photos in this blog contain a stylized Christian Celtic Wheel Cross in the background alongside the text "Corruption Central" meaning we have put the person's conduct under the microscope and discovered that he or she is at the center of global corruption. Judge Amy Berman Jackson asserts that it is unambiguously (to her anyway) a rifle cross hair. This shows her woeful ignorance of theology, history, symbology and engineering. It could be many things, but she clearly wanted to see a rifle sight (ask her about her role in Fast and Furious gun running). Others assert equally ignorantly that it is a pagan or white supremacist symbol. This stylized Christian Chi-Rho Cross dates to 312 A.D. when Emperor Constantine adopted the symbol after his history-changing "By this sign, you shall conquer" vision on the Milvian Bridge. A similar Wheel Cross form was widely used in Ireland by the eighth century. The triple entente indicates that the person's corrupt life, when studied under a microscope, has been found wanting, but that there is hope in Christ if the person repents from his or her wicked ways. It triples as a reticle or graticule built into all sorts of eyepieces in microscopes, oscilloscopes, surveying instruments, astronomy optics, precision pointers, binoculars, etching equipment, and yes, gun sights, but also computer mouse pointers! Therefore, to claim that it could only mean a gun sight, as Judge Jackson did, is truly ignorant. As shown, it is a call to prayer and repentance based upon microscopic observation of the corruptocrat's conduct. For Judge Jackson to use her ignorance of this symbol as the excuse to gag Roger Stone's FREE SPEECH right to defend himself is heinous abuse of authority. Chief Justice John

Fig. 1—James Elias Freeze. Freeze was recruited into the U.S. Army Security Agency (ASA) in 1949 right out of high school. His painter father appears to have abandoned the family before Freeze was eight years old. His stenographer mother raised him, but he never speaks or writes of either parent. He rose through the ranks to become Brigadier General and ASA Commander where he created the highly illegal ECHELON mass surveillance network first exposed by NSA whistleblower Edward Snowden in 2013. In 1999, Freeze agreed to be a director of Leader Technologies. He introduced Leader to patent attorney James P. Chandler, III, who also became a Leader director. These two men plied their deception craft on Leader to cajole a copy of Leader's invention source code, which they immediately gave to IBM who distributed it freely as ostensible "open source" to all of Silicon Valley. Social media was born on this theft of arguably the most valuable invention in history

See [Major General James E. Freeze, \(Jun. 21, 2019\). Biography & Timeline.](#)

ROGER STONE SPEAKS: On Nov. 18, 2017, Twitter censored *New York Times* best-selling author Roger Stone completely. Every red-blooded American should be outraged. Republican, Democrat and Independent alike. If Roger's voice is silenced today, yours is next. We must break this embargo. [Click here](#) to read and share Roger's latest perspectives on the Battle for our Republic, including his responses to his critics (who have not been censored).

(MAY 17, 2019)—On Apr. 18, 2010, the U.S. NSA and British GCHQ disclosed for the first time the existence of an above top secret (ULTRA) intelligence sharing agreement signed on [Mar. 05, 1946](#) that still directs their treasonous "Five Eyes" collaboration to this day. This is yet more hard proof that America has not yet won the American Revolution of 1776. We have ceded our most valuable intellectual property to British theft and control, in our opinion.

Shockingly, this agreement gave these multinational spies complete control over global communications, banking and propaganda from 1946 until now.

Even the existence of the agreement has been secret. Not even presidents and prime ministers were told. Arguably, this immorality has murdered many tens of millions of souls and set the cultural agenda for our world to this very day.

CLICK HERE TO SEE COMBINED TIMELINE OF THE HIJACKING OF THE INTERNET

PAY-to-PLAY NEW WORLD ORDER
This timeline shows how insiders sell access & manipulate politicians, police, intelligence, judges and media to keep their secrets

Clintons, Obamas, Summers were paid in cash for outlandish speaking fees and Foundation donations. Sycophant judges, politicians, academics, bureaucrats and media were fed tips to mutual funds tied to insider stocks like Facebook. Risk of public exposure, blackmail, pedophilia, "snuff parties" (ritual child sexual abuse and murder) and Satanism have ensured silence among pay-to-play beneficiaries. The U.S. Patent Office is their toy box from which to steal new ideas.

Bookmark: #sir-william-stephenson | <https://tinyurl.com/y3sd3qvh>

The chief British spy after **Sir** Sewart C. Menzies that was not redacted was **Sir** Edward W. Travis. Travis is the primary intelligence actor in the modern world who assumed control over American intelligence after World War II, we believe.

Fig. 8—**Sir** William Samuel Stephenson, codenamed "Intrepid."

Another likely participant (redacted) was **Sir** William S. Stephenson whose spy codename was "Intrepid." **Sir** William covertly ran the British Security Co-Ordination Service (BSC) from Rockefeller Center in New York as an umbrella organization for MI5, MI6, SIS, SOE and PWE (Political Warfare Executive) throughout the Americas.

BSC is very likely where Army Security Agency (ASA) Commander, then Brigadier General James E. Freeze got his idea for ECHELON, see below.

Tellingly, **Sir** William is the only British knight inducted into the U.S. Military Intelligence Corps Hall of Fame (2008), along with U.S. Generals Freeze and Corderman, discussed below.

One of Sir William's stated goals was "the assurance of American participation in secret activities throughout the world in the closest possible collaboration with the British" and "create a secret

We see. We "like." We steal.
STOP FACEBOOK PROPERTY THEFT.
www.fbcovrup.com

WILL HUMANKIND EVER LEARN? Facebook's Orwellian doublespeak about property and privacy (theft) merely repeats the eventual dehumanization of the individual under MAO's Red Star, Stalin's SOVIET Hammer & Sickle and Hitler's NAZI Swastika. Respect for the inalienable rights of each individual is a bedrock value of democracy. The members of the Facebook Cabal abuse this principle at every opportunity. They evidently believe that they deserve special privileges and are willing to lie, cheat and steal in order to treat themselves to these privileges.

ASK CONGRESS: PASS THE
INVENTOR PROTECTION ACT!

**LEADER TECHNOLOGIES
Inventor Protection Act**
(Proposed)

America needs to practice what it preaches.

We have no business lecturing the world about free enterprise and the rule of law, when we permit the investors in Ohio-based innovator Leader Technologies to go uncompensated for the risks they took to help invent social networking . . .

—a technology upon which the President and U.S. government now rely;

—a technology *stolen* by the "Facebook Cabal" who recruited the federal courts and Patent Office into their club of corruption.

Rescind. Investigate.
Sanction. Certify.

Contact your representatives. Ask them to pass it.
Real American inventors need your support.

British intelligence network through the western hemisphere." Sir William was Churchill's personal representative to Roosevelt. He was also close friends with William J. Donovan, the infamous founder of the C.I.A.

Bookmark: #sir-edward-travis | <https://tinyurl.com/y6bafc7s>

SIR EDWARD W. TRAVIS:
AMERICA'S GCCS/GCHQ (UK) HANDLER FROM 1919 TO 1952

Fig. 9 – Sir Edward W. Travis. (Accessed May 29, 2019). Certificate of Service (1939-1945); Chief of Codes and Ciphers at GCCS formation on Nov. 01, 1919; Mansion, Dep. Dir. GCCS (1925 to Feb. 1942); Dep. Dir.(Service) (DD(S)) from Feb. 1942; Dir. GCCS from Mar. 1944 to Apr. 1952 (renamed GCHQ); Roll of Honour, Cert. 9170. BletchleyPark.org.

Sir Edward was succeeded as director of GCHQ in Apr. 1952 by Sir Eric Malcolm Jones KCMG CB CBE, then by Sir Clive Loehnis KCMG. Sir Clive was also a member of the 1946 Inner Sanctum British delegation. It is reasonable to assume that Sir Eric was a British delegation participant whose name has been redacted in the minutes so as not to show so blatantly the total British domination of post war Anglo-American intelligence.

Note: GCCS or Government Code and Cypher School (also GC&CS) was formed right after WWI on Nov. 01, 1919. It was renamed GCHQ or Government Communications Headquarters after WWII in Apr. 1946, immediately following the 1946 Inner Sanctum meetings with American intelligence that ended just a few days earlier on Mar. 27, 1946. Evidently the British wanted a new name for their new global intelligence hegemony in celebration of their successful coopting of America's intelligence apparatus, supplied by IBM. IBM even managed to get paid for all the punch cards they supplied to Adolph Hitler's death camp prisoner IBM tabulation machines; all throughout the war. The conspiracies among the Inner Sanctum and their corporate sponsors appears to have planned to profit from war and death. WWII may have been little more than a ruse to bring America into the Cecil Rhodes 200-year plan. To these eugenics satanists, death and destruction merely help to rid the world of deplorables who are only consuming their resources unnecessarily.

GIBSON DUNN LLP exposed as one of the most corrupt law firms in America

Investigative Reporter Julia Davis investigates Facebook's Leader v. Facebook attorney Gibson Dunn LLP. She credits this firm with the reason why not

a single Wall Street banker has gone to jail since 2008. Click here to read her article "Everybody hates whistleblowers." Examiner.com, Apr. 10, 2012. Here's an excerpt:

"Skillful manipulation of the firm's extensive media connections allows Gibson Dunn to promote their causes, while simultaneously smearing their opponents and silencing embarrassing news coverage."

This statement followed right after Davis cited Facebook's chief inside counsel in the Leader v. Facebook case, Theodore Ulyot, who appears to have helped lead the Leader v. Facebook judicial corruption. Interesting word choices associated with Gibson Dunn LLP: manipulation, smear. Attorneys swear a solemn oath to act morally, ethically, and in support of democratic principles. They promise to conduct themselves in a manner than instills confidence among the citizenry in the rule of law and the judicial system. These promises appear to be meaningless. Click here for a PDF version of Julie Davis' article.

OUR MISSION

American citizens must fight abuse of the constitutional right for authors and inventors to enjoy the fruits of their inventions, as a matter of matter of basic property rights and sound public policy. Otherwise, instead of innovation, creativity, genius, ideas, vision, courage, entrepreneurship, respect, property,

Sir Geoffrey E. Pattie Lord Mark Malloch-Brown Baron Richard B. Allan Sir Nicholas W. Clegg

Of the unredacted 1946 British participants, all participants except one were knighted soon after this meeting if they were not already knights loyal to the British Monarch (Read: not the U.S. Constitution).

Ask a very simple question in Washington, D.C. and watch the spies squirm.

Ask: "If the NSA, ASA, C.I.A. and FBI do not work for the President, for whom do they work?" We now know, for the British and themselves. They are truly rogue to the core.

The lone exception was NSA "Integree" [John G. Tiltman, CMG, CBE, OBE, MC](#) who moved to Washington as the GCHQ liaison, then ended his career actually working for the NSA. "Integree" appears to be a post 1946 made up NSA-GCHQ word for Brit spies working inside the NSA as dual employees, presumably with dual allegiances as well.

The American delegation was led by Brigadier General [W. Preston Corderman](#), chief of the Army Security Agency (ASA) where he built his operations at Arlington Hall Station using IBM computers and transplanted German cryptologists from the [TICOM](#) technology and personnel capture program run largely by the British.

Fig. 12—IBM's 1934 brochure: "See everything with Hollerith (IBM) punch cards". IBM hides their conspiracy to supply both Allied and Axis powers in World War II. The whole "Colossus" story i.e., *The Imitation Game* about Alan Turing and Bletchley Park appears to be a complete propaganda lie to hide IBM's evil duplicity.

See [AFI: \(Aug. 24, 2017\)](#): Deep State's James P. Chandler stole Leader Technologies invention to implement C.I.A. mind control thru social networking. *Americans for Innovation*.

rejuvenation, morals, ethics, values, renewal, truth, facts, rights, privacy, solutions and judicial faithfulness,

... our society and economy will be dragged down (and eventually destroyed) by copying, infringement, theft, counterfeiting, hacking, greed, misinformation, exploitation, abuse, waste, disrespect, falsity, corruption, bribery, coercion, intimidation, doublespeak, misconduct, lies, deception, attorney "dark arts," destruction, confusion, dishonesty, judicial chicanery and lawlessness.

If we do not speak up, impeach derelict judges and imprison corrupt attorneys, we cannot possibly hope to start fixing the current ills in our society. Without justice and respect for private property, democracy has no sure foundation.

CURRENT EDITORIAL FOCUS

We are an opinion blog that advocates for strong intellectual property rights. We welcome commenters and contributors. The *Leader v. Facebook* patent infringement case first came to our attention after learning that the trial judge, Leonard P. Stark, U.S. District Court of Delaware, ignored his jury's admission that they had no evidence to support their on-sale bar verdict, but the judge supported it anyway.

The judicial misconduct has deteriorated from there, replete with two of the three judges on the Federal Circuit appeal panel, Judges Alan D. Lourie and Kimberly A. Moore, holding Facebook stock that they did not disclose to the litigants, and later tried to excuse through a quick motion slipped in at the last minute by the Clerk of Court, Jan Horbaly, and his close friends at The Federal Circuit Bar Association. (The DC Bar subsequently revealed that Mr. Horbaly is not licensed to practice law in Washington D.C.)

The judges ignored [shocking new evidence](#) that Mark Zuckerberg withheld 28 hard drives of 2003-2004 evidence from *Leader Technologies* that could prove actual theft (and therefore claims even more serious than infringement). In addition, Facebook's appeal attorney, Thomas G. Hungar of Gibson Dunn LLP, has close personal ties to just about every judicial player in this story. The misconduct appears to reach into the U.S. Patent Office through abuse of the reexamination process by Facebook. We will stay focused on *Leader v. Facebook* until justice is served, but we also welcome news and analysis of intellectual property abuse in other cases as well.

WELCOME TO DONNA KLINE NOW! READERS!

AFI has been supporting Donna and is now picking up the main *Leader v. Facebook* coverage (she will continue coverage as well).

Anonymous Posts Are Welcomed! Blogger has more posting constraints than Donna's WordPress, but we will continue to welcome anonymous posts. Simply send us an email at [NEWLeader@Private Email: afi@leader.com](mailto:NEWLeader@PrivateEmail:afi@leader.com) with your post. Once the moderator verifies that your email address is real, your comment will be posted using your real name or handle, whatever you wish, like John Smith or Tex.

To illustrate the continuity of this Corderman activity into the present day, Corderman's protégé, Iowan [James Elias Freeze](#), was recruited into the ASA in 1949.

CODE OF CONDUCT FOR U.S. JUDGES

"CANON 2: A JUDGE SHOULD AVOID IMPROPRIETY AND THE APPEARANCE OF IMPROPRIETY IN ALL ACTIVITIES"

GALLERY OF JUDICIAL MISCONDUCT

Judge Leonard P. Stark, U.S. District Court of Delaware, trial judge in *Leader Techs, Inc. v. Facebook, Inc.*, 770 F. Supp. 2d 686 (D.Del. 2011). Judge Stark heard his jury foreman admit that the jury made the on-sale bar decision *without any evidence other than speculation*, and yet he supported that verdict anyway. Just months before trial, Judge Stark allowed Facebook to add the on-sale bar claim after the close of all fact discovery and blocked Leader from preparing its defenses to this new claim. Judge Stark allowed the claims despite Leader's prophetic argument that the action would confuse the jury and prejudice Leader. He also permitted the jury to ignore the *Pfaff v. Wells Electronics, Inc.* test for on-sale bar, even after instructing the jury to use it. (See that [Jury Instruction No. 4.7 here.](#)) He also contradicted his own instruction to Leader to answer Interrogatory No. 9 in the present tense (2009), then

Freeze followed in his mentor Corderman's footsteps and became ASA Chief on Sep. 01, 1975. He then created the highly illegal Echelon mass surveillance program ca. 1978 with evidently full compliance from no-bid defense contractors associated with the [DoD Office of Net Assessment](#) and the Highlands Group, who enrich themselves by stealing and weaponizing new inventions.

Fig. 16—James Elias Freeze.

In 1952-53, Freeze was stationed in Eritrea where his wife Dorothy was employed by the United Nations overseeing the Federation of Eritrea and Ethiopia. This was a time of important transition for the British in Eritrea. One can logically assume that Freeze was sent there by the "Inner Sanctum" to test his loyalties.

Only Freeze's formal Army record reveals that he graduated from the Aerospace Control and Guidance Systems Committee (ACGSC) training in 1963. He never discloses this in his public biographies.

On Apr. 29, 1970, then Colonel Freeze commanded the 303d ASA Radio Research Battalion. Freeze personally received the order from President Nixon to invade Cambodia.

After promotion to Brigadier General on Jun. 05, 1975 by President Gerald Ford, Freeze took command of the Army Security Agency (ASA)—the same position formerly held by his "Inner Sanctum" mentor, Brigadier General Corderman.

On Dec. 16, 1999, Freeze became the first outside director of Leader Technologies, after which he introduced Leader to Professor James P. Chandler, III.

Chandler and Freeze then stole Leader's invention for use by their ULTRA secret Echelon NSA/CHQ handlers via the IBM

Fig. 17—James P. Chandler, III

permitted the jury to interpret it as a 2002 admission as well. Facebook's entire on-sale bar case is based upon this interrogatory. (Editorial: Hardly sufficient to meet the "heavy burden" of the clear and convincing evidence standard.)

Judge Alan D. Lourie, U.S. Court of Appeals for the Federal Circuit, panel judge in *Leader Techs v. Facebook, Inc.*, 678 F.3d 1300 (Fed. Cir. 2012). Judge Lourie stood to benefit financially from undisclosed holdings in Facebook. See analysis of Judge Lourie's T. Rowe Price holdings re. the Facebook IPO.

Judge Lourie also failed to apply his own law-test in *Group One v. Hallmark Cards* to the evidence. After debunking all of Facebook's evidence on appeal, Judge Lourie created new argument in the secrecy of chambers to support Facebook and prevent the on-sale bar verdict from being overturned—a clear breach of constitutional due process.

Judge Kimberly A. Moore, U.S. Court of Appeals for the Federal Circuit, panel judge in *Leader Techs v. Facebook, Inc.*, 678 F.3d 1300 (Fed. Cir. 2012). Judge Moore stood to benefit financially from undisclosed holdings in Facebook. See disclosure of substantial holdings in Facebook and Facebook-related stocks.

Judge Moore failed to follow the long-held precedent for testing on-sale bar evidence in *Pfaff v. Wells Electronics, Inc.*—an evident and intentional omission coming from a former patent law professor. After debunking all of Facebook's evidence on appeal, Judge Moore created new argument in the secrecy of chambers to support Facebook and prevent the on-sale bar verdict from being overturned—a clear breach of constitutional due process.

Judge Evan J. Wallach, U.S. Court of Appeals for the Federal Circuit, member of the three-judge panel in *Leader Techs v. Facebook, Inc.*, 678 F.3d 1300 (Fed. Cir. 2012). Judge Wallach is not a patent attorney. This begs the question as to why a judge with no knowledge of patent law was assigned to the case. Would anyone ask a dentist to perform brain surgery? The Federal Circuit was specially formed to appoint patent-knowledgeable judges to patent cases. There is no evidence so far in the judicial disclosures that Judge Wallach holds stock in Facebook, although when he was asked on a motion to disclose potential Facebook

Eclipse Foundation—the ASA's main supplier (see [Corderman bio](#) specifically identifying IBM). These activities are certainly clever, albeit grotesquely immoral, not to mention unConstitutional.

Also notable is the fact that [Freeze](#) was inducted into the Military Intelligence Hall of Fame in 1987, *before* his mentor [Corderman](#) in 1988, no doubt due to ECHELON.

The world's first knowledge of Freeze's Echelon program came [on Jun. 06, 2013](#) from whistleblower Edward Snowden. Snowden revealed the unholy alliance of government and select private multinational corporations like Google/Alphabet, Facebook, Yahoo!, Pal Talk, Apple, Microsoft, YouTube, AOL, Skype, Cisco, AT&T, EDS, Qualcomm, Oracle, Intel, Verizon, Qwest, HP, Motorola . . . "Alliances with over 80 Major Global Corporations." Whistleblower [William Binney](#) also confirmed this illegal activity.

Notably, a month after Binney quit, on [Nov. 29, 2001](#), Leader Technologies' patent attorney James P. Chandler, III and David J. Kappos, IBM's intellectual property counsel, started the IBM Eclipse Foundation with a \$40 million "donation" as the vehicle to steal Leader's social networking inventions and distribute them as "open source," laughably, anyone who knows IBM, knows they would never do this with their own inventions. IBM is the largest of patent holder in the world.

Fig. 18—David J. Kappos, IBM intellectual property chief inside counsel.

THE FBI WAS GRUDGINGLY ALLOWED TO PARTICIPATE IN THE "INNER SANCTUM" MEETING

Remarkably, one of the first orders of business in the 1946 meeting was to decide whether the FBI would be allowed to participate through their proposed representative: Mr. John A. Cimperman, who first had to swear the "ULTRA oath." We could not find a text of this oath. Readers are requested to help find it.

holdings and other conflicts of interest, he refused along with the other judges. [See Motion to Disclose Conflicts of Interest](#). Judge Wallach continued in silence even after Clerk of Court Horbaly failed to provide him with Dr. Lakshmi Arunachalam's motions (according to his Federal Circuit staffer Valeri White), and yet the Clerk signed an order regarding that motion on Judge Wallach's behalf. [See a full analysis of these events at Donna Kline Now!](#) Judge Wallach also failed to police his court's violation of Leader's Fifth and 14th Amendment constitutional right to due process when he participated in the fabrication of new arguments and evidence for Facebook in the secrecy of judge's chambers after he had just invalidated Facebook's sole remaining item of evidence (using disbelieved testimony as ostensible evidence of an opposite). Judge Wallach also failed to police his court when he failed to apply the Supreme Court's *Pfaff v. Wells Electronics, Inc.* test for on-sale bar evidence, which included even the Federal Circuit's own *Group One v. Hallmark Cards, Inc.* test—a test which Judge Lourie should have advised Judge Wallach to follow since Judge Lourie *helped write* that opinion. [Group One test omission analysis](#).

[Clerk of Court Jan Horbaly](#), U.S. Court of Appeals for the Federal Circuit, clerk who signed all the opinions in *Leader Techs v. Facebook, Inc.*, 678 F.3d 1300 (Fed. Cir. 2012). Clerk Horbaly and his staff obfuscated when the court's ruling was challenged by an *amicus curiae* brief revealing clear mistakes of law and new evidence. [See analysis of the misconduct and misrepresentations within the Federal Circuit Clerk of Court in Leader v. Facebook](#). Mr. Horbaly failed to disclose his conflicts of interest and close associations with numerous Facebook attorneys and law firms, as well as his close association with one of Facebook's largest shareholders, Microsoft, who is a Director of The Federal Circuit Bar Association where Mr. Horbaly is an ex officio officer. Additionally, the DC Bar revealed in a written statement that Clerk Horbaly is not licensed to practice law in the District of Columbia. [Editorial: What does that make the Federal Circuit with its location within in a stone's throw of the White House? A self-governing state?]

[Judge Randall R. Rader](#), U.S. Court of Appeals for the Federal Circuit, chief judge responsible for the (mis)conduct of his judges and Clerk of Court in *Leader Techs v. Facebook, Inc.*, 678 F.3d 1300 (Fed. Cir. 2012). Judge Rader failed to manage his court resulting in a likely situation where his judges never even received briefs that

Here are the detailed minutes of the [Mar. 11-27, 1946](#) meetings, including a full, searchable transcript.

Earlier, on [Aug. 20, 1943](#), Corderman's Army Security Agency (ASA) research director William F. Friedman had visited the British GCCS operation and had thanked its director Sir Edward Travis for "opening wide the gates of the Inner Sanctum." (This document was only released by the NSA on May 19, 2014.)

they allegedly ruled on in favor of Facebook. Judge Rader also failed to disclose his conflicting relationships with a Leader principle with whom he may have had deep professional differences during his time at the Senate Judiciary Committee—his former professor of law at George Washington University Law Center, former Leader director Professor James P. Judge Rader also did not stop his judges from creating new arguments and evidence for Facebook in the secrecy of chambers—after they had debunked all of Facebook's evidence on appeal, which is a clear breach of constitutional due process.

~~SECRET~~

WAR DEPARTMENT
OFFICE OF THE CHIEF SIGNAL OFFICER
WASHINGTON

SPSIS-2
Signal Security Branch (SSB), successor to SIS

February 17, 1943.

MEMORANDUM TO: **Mr. Friedman, Dir. of Research, SIS, SSB, later ASA, later NSA**

In connection with our conversation of the other day, the following is submitted as a statement of the functions and organization of B Sections:

1. The solution of all military and diplomatic and certain specified commercial codes and ciphers and the translation of the messages written therein of all actual and potential enemy governments and such governments as depicted. Also the solution of all open codes and any other visible forms of secret writing including shorthand submitted to it by other agencies of the army. The operation of an IBM service for SSB.

Normally, one would consider reference to an "Inner Sanctum" as mere hyperbole. However, given the ULTRA secrecy of this post-war intelligence sharing plan to sieze German intellectual property among these shadowy actors, and considering that Operation TICOM was initiated by the British alone and only involved the

Fig. 24 - [William Gordon Welchman](#). (Accessed Jun. 27, 2019). Roll of Honour, Certificate of Service No. 9590. BletchleyPark.org.

Americans once General Marshall found out about it, it is evident that a British Privy Council Inner Sanctum (hidden agenda) did indeed exist within British intelligence into which the Americans were being initiated.

CONCLUSION

AFI researchers are deep in the mines on this research, which is voluminous. More analysis of the evidence will be forthcoming. Remarkably, this 1946 "Inner Sanctum" agreement took place with almost no accountability, which has led to the rise of a global, rogue Anglo-American spy state mentality that has dictated terms to our world during our entire lifetimes. It is truly astonishing how our lives have been so controlled by these megalomaniacs.

This reign of terror must come to an end immediately. As far as we can see, the fastest way to control these agents of darkness is to cut off the resources of Google/Alphabet, Facebook, Yahoo!, Pal Talk, Apple, Microsoft, YouTube, AOL, Skype, Cisco, AT&T, EDS, Qualcomm, Oracle, Intel, Verizon, Qwest, HP, Motorola . . . "Alliances with over 80 Major Global Corporations."

denied, the judges refused to disclose their conflicts which we now know include Facebook and Microsoft stocks)

REMINDER RE. THE MILLER ACT NOTICE

Leader Technologies, Inc. sent their [FIRST AMENDED MILLER ACT NOTICE](#) to President Trump today. It is a contract demand for the U.S. Treasury to pay them for the federal government's 18-year theft of their social networking inventions. These inventions were stolen by Major General James E. Freeze (US Army, ret.) and Leader's patent attorney James P. Chandler, III, on behalf of Andrew W. Marshall and the Department of Defense Office of Net Assessment that steals and weaponizes inventions for continuous war making and enrichment of its fascist insider military-industrial corporations.

FEDERAL BRITISH-AMERICAN PATENT WEAPONIZATION THIEVES

James P. Chandler, III Andrew W. Marshall

Patriots are encouraged to help get this First Amended Miller Act Notice to President Trump and past the Praetorian Guard. See [American Intelligence Media](#) republication of the Leader Miller Act Notice.

Email comment by Sharyl Attkisson:
Sharyl Attkisson. (Jun. 29, 2019). Smearing WikiLeaks. Full Measure.
How three men affiliated with WikiLeaks were hit with false or unproven sexual assault accusations – amid a secret PR plan to discredit WikiLeaks.
To some, Julian Assange and his "WikiLeaks" website went from being hero- to zero- when they began publishing internal emails that reflected poorly on then-candidate for President Hillary Clinton had her campaign team.
But even before that, WikiLeaks was seen as damaging to some powerful interests.
In 2010, some of those interests launched a secret public relations campaign to disparage and discredit WikiLeaks, Assange, and other WikiLeaks associates.
Three men affiliated with WikiLeaks were then hit by false or unproven sexual assault charges.
Read more about the strange smearing of Wikileaks below.

Email comment by Sharyl Attkisson:

Social Media Strike: July 4-5

Interests who are fed up with what they believe to be censorship, undue control over Internet information, free speech, and unfair exploitation of our data are organizing a social media strike for July 4 and 5.

According to organizer Larry Sanger, co-founder of Wikipedia (who has since split with the project):

This means we will not use social media on those days, except to post notices that we are

C. Facebook puppet masters:

81. **President Barack Obama** (appointed Leonard P. Stark to the judge's seat in Delaware Federal District Court eight days after Stark's court allowed Facebook to get away with jury and court manipulation of an on-sale bar verdict which was attained without a single piece of hard evidence; Barack and Michelle Obama were evidently protecting their 47 million "likes" on Facebook)
82. **Lawrence "Larry" Summers** (Harvard President who aided Zuckerberg's light-speed rise to prominence with unprecedented *Harvard Crimson* coverage; Obama bailout chief; Clinton Treasury Secretary; World Bank Chief Economist; "Special Advisor" to Marc Andreessen in **Instagram**; co-creator of the current Russian robber baron economy; close 20-year relationships with protégés Sheryl Sandberg & Yuri Milner; aided in recommendations that *created* the Russian robber baron economy—and Yuri Milner/DST/Asmanov's money used to purchase Facebook stock)
83. **James W. Breyer, Accel Partners LLP**; Facebook director; client of Fenwick & West LLP since the 1990's; apparently received technology from other Fenwick clients that was shuffled to Zuckerberg, incl. Leader Technologies' inventions)
84. **David Plouffe**; directed Obama's 2008 and 2012 campaigns; a self-described "statistics nerd"; likely directed the activities of the Facebook Club; employed Robert F. Bauer, Perkins Coie LLP in 2000 at the Democratic Congressional Campaign Committee
85. **McBee Strategic** (one of the main "private" arms responsible for doling out the billions in Obama "green energy" stimulus funds; partnered with Cooley Godward LLP)
86. **Mike Sheehy** (Cooley-McBee Strategic principal; former National Security Adviser to House Speaker Nancy Pelosi)
87. **Nancy Pelosi** (U.S. Congresswoman; appears to be running political cover in the House for Facebook, McBee Strategic, Cooley Godward, Fenwick & West, Breyers, etc.)
88. **Harry Reid** (U.S. Senator; Judge Evan J. Wallach patron)
89. **Thomas J. Kim** (SEC, Chief Counsel & Assoc. Director) approved Facebook's 500-shareholder exemption on Oct. 14, 2007, one day after it was submitted by Fenwick & West LLP; Facebook used this exemption to sell \$3 billion insider stock to the Russians Alisher Asmanov, Yuri Milner, DST, Digital Sky, Mail.ru which pumped Facebook's pre-IPO valuation to \$100 billion; another Harvard grad, Kim worked at Latham & Watkins LLP which was the chief lobbyist for the National Venture Capital Association in 2002-2004 whose Chairman was . . . James W. Beyer, Accel Partners LLP; in other words Breyer and Kim, both Harvard grads, were associated at the time of the Zuckerberg hacking and theft of Leader Technologies' software code)
90. **Ping Li** (Accel Partners, Zuckerberg handler)
91. **Jim Swartz** (Accel Partners; Zuckerberg handler)
92. **Sheryl K. Sandberg** (Facebook, Summers protégé; Facebook director)
93. **Yuri Milner** (DST aka Digital Sky, Summers protégé; former **Bank Menatep** executive; Facebook director)
94. **Alisher Asmanov** (DST aka Digital Sky; Goldman Sachs Moscow partner; **Russian oligarch**; Friend of the Kremlin; Became the Richest Man in Russia after the Facebook IPO)
95. **Marc L. Andreessen** (Zuckerberg coach; client of Fenwick & West LLP and Christopher P. King *aka* Christopher-Charles King *aka* Christopher-Charles P. King; Summers' sponsor during **Instagram-scam**; Facebook director)
96. **Peter Thiel** (19-year old Zuckerberg coach; PayPal; Facebook

on strike. We're going to make a lot of noise. Nobody will be able to ignore what's happening. We're going to flex our collective muscles and demand that giant, manipulative corporations give us back control over our data, privacy, and user experience.

Larry Sanger

Do you have a grievance that will prompt you to go on strike?

Kelen McBreen. (Jul. 02, 2019). FOOTAGE OF AOC THREATENING, VERBALLY ABUSING BP AGENTS EXISTS - BORDER PATROL UNION VP. NewsW.

Video exposing Ocasio-Cortez's lies will likely be released soon

Border Patrol Union VP Hector Garza says CBP (U.S. Customs and Border Protection) has footage of Rep. Alexandria Ocasio-Cortez (D-NY) "threatening and being very abusive with the Border Patrol agents."

During an interview with Fox's Neil Cavuto on Tuesday, Garza responded to AOC's Monday visit to two CBP facilities where she claimed she was "physically and sexually threatened" by officers and that detainees are forced to drink from toilets.

"Speaking to agents that were at that facility, they say that AOC walked in there beginning a war against our agents," he said.

Garza continued, saying, "And just to let you know, Neil, there is footage where Ocasio-Cortez is actually going up to our agents and being very threatening and being very abusive with the border patrol agents. And that video is in the hands of CBP right now, the headquarters and we hope that CBP releases that footage."

Email comment by Sharyl Attkisson:

Mark Tapscott. (Jun. 30, 2019). Hillary Clinton's Lawyer Changes Story on When She Knew About Emails. Epoch Times.

WASHINGTON—Heather Samuelson, Hillary Clinton's personal attorney, gave the FBI and Judicial Watch conflicting explanations of when she learned that the former secretary of state used a private email system to conduct official U.S. diplomatic business.

"I believe I first became aware when either she e-mailed me on personal matters, such as wishing me happy birthday, or when I infrequently would receive e-mails forwarded to me from others at the department that had that e-mail address listed elsewhere in the document," Samuelson told Judicial Watch lawyers during a June 13, 2019, deposition.

Samuelson worked in the Department of State's liaison office to President Barack Obama's White House at the time, according to Judicial Watch.

Email comment by Tom Fitton:

Tom Fitton. (Jul. 02, 2019). Judicial Watch: Former State Official Testifies He Warned State Department Officials about Clinton Email Issues; Concerned about Interference on Classified Clinton Benghazi Email Documents. Judicial Watch.

(Washington, DC) - Judicial Watch announced today that John Hackett, the former Director for Information Programs and Services (IPS), which handles records management at the State Department, testified under oath that he had raised concerns that former Secretary of State Hillary Clinton's staff had "culled out 30,000" of the secretary's "personal" emails without following strict National Archives standards. The full deposition transcript is available here.

John Hackett, as part of a series of court-ordered depositions and questions under oath of senior Obama-era State Department officials, lawyers, and Clinton aides, also revealed that he believed there was interference with the formal Freedom of Information Act (FOIA) review process related to the classification of Clinton's Benghazi-related emails.

Hackett served first as deputy director then as director for Information Programs and Services, which handles the FOIA request program and the retirement of and declassification of documents at the State Department. He was at the department from April 2013 to March 2016.

In March 2015, Clinton told reporters that she and her staff had deleted more than 30,000 emails "because they were personal and private about matters that I believed were within the scope of my personal privacy." ABC News reported: "However, after a year-long investigation, the FBI recovered more than 17,000 emails that had been deleted or otherwise not turned over to the State Department, and many of them were work-related, the FBI has said."

(Heather Samuelson, the Clinton lawyer who deleted the Clinton emails, separately testified to Judicial Watch that she received immunity from the Justice Department.)

Email comment by GT:

Darren Samuelson. (Jun. 27, 2019). Roger Stone's lawyers punch back at DOJ over charges of violating gag order. Politico.

Roger Stone's lawyers swung back Thursday at federal prosecutors accusing the longtime Donald Trump adviser of violating a court-imposed gag order that could send him to jail.

In an 11-page reply, Stone's attorneys argued their client was well within his First Amendment rights when he recently posted several times on social media his criticism of the press coverage surrounding his case.

A federal judge in Washington D.C. ordered Stone in February to cease commenting about the charges he's fighting — which center around allegedly making false statements to Congress, obstruction and witness tampering — so as to not destroy the possibility of a fair trial in his case later this fall.

But the U.S. attorney's office that took over the prosecution originally brought by former special counsel Robert Mueller last week flagged several Stone Instagram posts, including some questioning why the press wasn't paying more attention to his lawyers' recent legal filings.

Responding on Thursday, Stone's lawyers argue that he has indeed respected the court's order and that the posts in dispute "are not 'statements', nor do they pose a danger to the fair trial concern which was (and is) the constitutional raison d'etre of the Order."

Press Release. (Jul. 07, 2019). Judicial Watch: New Documents Reveal DOJ, IRS, and FBI Plan to Seek Criminal Charges of Obama Opponents. Judicial Watch. JULY 07, 2015

(Washington, DC) - Judicial Watch today released new Department of Justice (DOJ) and Internal Revenue Service (IRS) documents that include an official "DOJ Recap" report detailing an October 2010 meeting between Lois Lerner, DOJ officials and the FBI to plan for the possible criminal prosecution of targeted nonprofit organizations for alleged illegal political activity.

The newly obtained records also reveal that the Obama DOJ wanted IRS employees who were going to testify to Congress to turn over documents to the DOJ before giving them to Congress. Records also detail how the Obama IRS gave the FBI 21 computer disks, containing 1.25 million pages of confidential IRS returns from 113,000 nonprofit social 501(c)(4) welfare groups - or nearly every 501(c)(4) in the United States - as part of its prosecution effort. According to a letter from then-House Oversight Committee Chairman Darrell Issa (R-CA) to IRS Commissioner John Koskinen, "This revelation likely means that the IRS - including possibly Lois Lerner - violated federal tax law by transmitting this information to the Justice Department."

The documents were produced subsequent to court orders in two Judicial Watch Freedom of Information Act (FOIA) lawsuits: Judicial Watch v. Internal Revenue Service (No. 1:14-cv-01956) and Judicial Watch v. Department of Justice (No. 1:14-cv-01239).

The new IRS documents include a October 11, 2010 "DOJ Recap" memo sent by IRS Exempt Organizations Tax Law Specialist Siri Butler to Lerner and other top IRS officials explaining an October 8 meeting with representatives from the Department of Justice Criminal Division's Public Integrity Section and "one representative from the FBI" to discuss the possible criminal prosecution of nonprofit organizations for alleged political activity:

Biden: Russians Didn't Meddle In 2016 Election - It "Wouldn't Have" Happened Under Obama's Watch

Former Vice President Joe Biden says Russian election meddling "didn't" happen on Obama's watch - and, for context, Obama was still president during the 2016 election.

"While Putin is trying to undo our elections, he is undoing elections in Europe," Biden said on CNN. "Look what's happened in Hungary. Look what's happened in Poland. Look what's happened in Moldova."

"You think that would happen on my watch or Barack's watch? You can't answer that, but I promise you it wouldn't have, and it didn't."

John Carneys. (Jul. 05, 2019). Boom! America Created 224,000 Jobs in June! Breitbart.

US President Donald Trump speaks at the 2018 Project Safe Neighborhoods National Conference in Kansas City, Missouri, on December 7, 2018. (Photo by Jim WATSON / AFP) (Photo credit should read JIM WATSON/AFP/Getty Images)JIM WATSON/

Job creation reignited in June, with nonfarm payrolls rising 224,000 and unemployment ticking up to 3.7 percent.

The June number will be closely watched after a surprisingly poor showing in May, when the U.S. economy was initially reported to have added just 75,000 jobs. That number was revised even lower on Friday, to just 72,000. April's number was revised down to 216,000 from 224,000.

HOW TO FILE A FRAUD COMPLAINT AGAINST A UNIVERSITY

The following universities were announced as participants in Ohio State Provost Joseph A. Steinmetz's corrupt MOOC education initiative named "University Innovation Alliance" (UIA). We have identified the instructions and online forms you need to file a complaint with the participants. MOOC stands for "Massive Open Online Course."

You should complain about:

- (1) the intellectual property theft of social networking source code from Leader Technologies, Columbus, Ohio that is the software engine running the UIA;
- (2) the corruption at Ohio State University and OSU's collusion with Battelle Memorial Institute which helped steal the software being used by UIA; and
- (3) the mistreatment of OSU Marching Band Director Jon Waters regarding fabricated Title IX charges that were used to pave the way for Steinmetz to announce UIA.

Universities pride themselves on protection of intellectual property.

Therefore, these universities cannot participate in this abuse of inventor copyrights, patents and trade secrets by The Ohio State Trustees and Administration. If these universities participate knowingly with Ohio State in its theft of intellectual property, then they are aiding and abetting the theft of intellectual property on a "massive" scale... Massive Open Online Course (MOOC) also known as The Eclipse Foundation.

J. White. (Jul. 09, 2019). HERE'S ALL THE TWISTED SH_T FOUND IN EPSTEIN'S HOME DURING FBI RAID. NewsW.

Includes child porn, a painting of Epstein in prison, and signed photo of Bill Clinton

Here's All The Twisted Sh_t Found in Epstein's Home During FBI Raid

The FBI arrested billionaire financier Jeffrey Epstein for sex trafficking, and raided his Manhattan mansion over the weekend.

During the course of the raid of his \$77 million 7-floor private townhome, the FBI found a number of bizarre - and even criminal - items along with strange design features in Epstein's home.

The most damning thing the FBI discovered was a "vast trove" of lewd photos of young women and girls, some of which were found in a locked safe.

Epstein also had commissioned a bizarre mural found on the second floor, showing him in the middle of a prison scene surrounded by barbed wire, guards and a guard station.

Reportedly he had told a recent guest, "That's me, and I had this painted because there is always the possibility that could be me again."

Many other odd things were found, including:

- A wall decorated with photos of director Woody Allen, Crown Prince Mohammed bin Salman of Saudi Arabia, and a signed photo of former President Bill Clinton.

- A custom-made chess board with each of the figurines dressed in underwear, reportedly modeled after his employees. Creepy!

- A massage room filled with sex toys.

- A life-size doll hanging from a chandelier and a dining room designed to resemble a beach.

- A 20-seat dining table surrounded by computer screens and phones.

- A full-sized dental chair installed in his bathroom.

Oliver J.J. Lane. (Jul. 10, 2019). British Ambassador to Washington Sir Kim Darroch Quits After Anti-Trump Comments Leaked. Breitbart.

WASHINGTON, DC - JANUARY 18: British Ambassador Kim Darroch speaks at an Afternoon Tea hosted by the British Embassy to mark the U.S. Presidential Inauguration at The British Embassy on January 18, 2017

The controversial British Ambassador to the United States whose caustic remarks about President Donald Trump were leaked to the media at the weekend has resigned from his post.

Noting the enormous media storm generated around his remarks about President Trump and his administration, which he called "dysfunctional", "clumsy", and "incompetent" in a series of confidential briefing notes, Sir Kim resigned on Wednesday morning.

Brittany Shammass. (Jul. 10, 2019). Laura Loomer Sues Facebook for \$3 Billion After Being Banned. Miami New Times.

Earlier this year, Facebook booted a batch of users including InfoWars founder Alex Jones, Nation of Islam founder Louis Farrakhan, conspiracy theorist Paul Joseph Watson, and conservative provocateur Laura Loomer. The social media service claims they violated company policies against dangerous individuals and organizations. The company's announcement prompted a string of Twitter rants from President Donald Trump; a bizarre, widely panned "remember us" plea from Watson; and now a \$3 billion lawsuit from Loomer.

In a lawsuit filed Monday in the Southern District of Florida, the self-described "most banned woman in the world" claims Facebook defamed her by labeling her dangerous. Loomer's attorney, Larry Klayman, a right-wing activist who once filed a birther-fueled lawsuit to keep Barack Obama off the ballot in 2012, says his client is an "American heroine" who has been smeared by the tech giant.

"When you call someone a dangerous person, you're in effect making them a pariah," says Klayman, founder of Judicial Watch and Freedom Watch. "You're making them untouchable."

5.5 YEARS BEFORE THE TREASONOUS "FIVE EYES" U.S.-UK INTELLIGENCE SHARING AGREEMENT ON MAR. 05, 1946 . . . more proof the U.S. and UK/Canada/Commonwealth governments KNOW they must compensate Leader Technologies for stealing Leader's social networking invention

On Sep. 11, 1940, the U.S. Government ordered "entire and reasonable compensation" to patentees whose "patent rights and trade secrets" were used or confiscated by the U.S., British or Commonwealth countries (pursuant to the Fifth Amendment Takings Clause) for intelligence activities

G.C. Marshall. (Sep. 11, 1940). SECRET, APPROVED, Sec. of War, Chief of Staff. MEMO: Directive to G-2 Covering Interchange of Secret Technical Information with Representatives of British Government, NSA declassified 04-08-2010 per E.O. 12958, PDF pp. 20-22. NSA.

<https://www.fbcoverup.com/docs/library/1940-09-11-GC-Marshall-SECRET-APPROVED-MEMO-Directive-to-G-2-Covering-Info-Interchange-with-British-declassified-04-08-2010-EO-12958-PDF-pp-20-22-NSA-Sep-11-1940.pdf>

Note: This directive is consistent with the Fifth Amendment Takings Clause. Those U.S. and UK spies for Army Security Agency (ASA), FBI, IBM, GCCS, MI-6, SOE, SIS, Privy Council, Foreign and Commonwealth Office (FCO) assigned to carry out Gen. Marshall's order ignored the order and stole everything under the cloak of "Ultra oath" secrecy.

Such is the fetid moral foundation for the "IBM Internet of Things" mass surveillance, racketeering, patent theft, election rigging, propaganda, money laundering, drug smuggling and human trafficking global grid being imposed on the world as we speak.

Shine the light of truth on these stinking rats.

John Solomon. (Jul. 16, 2019) FBI's spreadsheet puts a stake through the heart of Steele's dossier. The Hill.

Some in the news media have tried in recent days to rekindle their long-lost love affair with former MI6 agent Christopher Steele and his now infamous dossier.

The main trigger was a lengthy interview in June with the Department of Justice (DOJ) inspector general, which some news outlets suggested meant U.S. officials have found Steele, the former Hillary Clinton-backed political muckraker, to be believable.

"Investigators ultimately found Steele's testimony credible and even surprising," Politico crowed. The Washington Post went even further, suggesting Steele's assistance to the inspector general might "undermine Trumpworld's alt-narrative" that the Russia-collusion investigation was flawed.

For sure, Steele may have valuable information to aid Justice's internal affairs probe into misconduct during the 2016 Russia election probe. His dossier alleging a conspiracy between the Trump campaign and Moscow ultimately was disproven, but not before his intelligence was used to secure a surveillance warrant targeting the Trump campaign in the final days of the 2016 election.
