1966 (Feb 11)	Born	Sheffield (Jessop Hospital); son of John Frank David Allan and Elizabeth Muriel (born Beaumont) Allan; John was a personnel manager (engineering works); it is unknown whether he had brothers or sisters [Editor's note: "chauffer" is often a euphamism for "spy" since we could not find any other record of Allan's chauffer business (research assistance is requested); Sen. Dianne Feinstein 20-year "chauffer" turned out to be a Chinese spy; perhaps John Allan drove for SERCO and Sir Geoffrey E. Pattie since MP Allan later arranged many lucrative SERCO contracts in his steel-making district. In any event, the clue here is that Allan is too silent about his parentage.	Richard Allan.
