Sweetheart Ballet Tee Tutorial

Materials:
Fitted Tee
Sewing Machine
Coordinating thread
Elastic thread
Scissors
Magic Erase Fabric Pen (not pictured)

Cut the collar off: only cut a little around the back & cut more around the front to make a deeper neckline. Don't go too deep because the elastic thread will pull it lower. Toss excess collar aside.

Find the center of the front collar.
Measure down 6-10 inches
(depending on bust size), marking a
line with your magic pen.

HAND wind your bobbin with elastic
thread. Thread your machine with
matching thread on top. Sew along
your line. Don't backstitch.

Turn your tee inside out and pull on the elastic thread until your shirt is as rouched as you'd like. Using a seam ripper, pull the front thread through to the back & tie a square knot with the two threads.

after securing the thread in place, trim loose ends.

With a Q-tip, dab the front of your shirt with water to erase the magic marker line.

FINI!
