For use as a push and play toy, The Virtually Indestructible Ball™ will last and last. Made from a hard, high density polyethylene, the material is safe, washable and durable. Size this ball appropriately for your dog. The size should be difficult to get in the dog's mouth. While not designed to be a chew toy, this ball will exercise your pet like no other! Since 1992, the original Virtually Indestructible Ball™ for over 25 years!

NOT FOR FETCH, NOT FOR CHEWING, THIS IS A HARD HARD HARD PLASTIC BALL!

Ball should NOT fit inside dog's mouth

virtually inDestructible Ball™

The Virtually Indestructible Ball™ is a great toy for herding dogs or other dogs who like push style play. This ball will exercise your dog like no other. Please select a size carefully so that your dog is unable to bite down, or pick up the ball in its mouth. See the chart below for size references. All Virtually Indestructible Balls ship as assorted colors, which means you will receive either a red, orange or blue ball in the size you select.
