EMPIRE-WIDE DISTRIBUTION; 6,500 FOR COMMONWEALTH

SERVICES OF MANY VICTORIANS REMEMBERED

As personal souvenirs from His Majesty the King, 80,000 Silver Jubilee medals are being distributed throughout the Empire to persons in the Crown services and others. In Australia 6,500 will be awarded this week. In Victoria 1,425 persons

The medal, which is of silver, was designed by Sir William Goscombe Jonh, R.A. On the obverse side are conjoint busts of their Majesties, crowned and robed, with the inscription, "George V. and Queen Mary, May VI., MCMXXXV." On the reverse side is the Royal Cypher, C.R.I., surmounted by the crown, with the dates May 6, 1910, and May 6, 1935.

The King's Silver Jubilee medal is classified as an official medal, to be worn on the left breast after all Jubilee, Coronation, and Durbar medals, which follow war medals in order of precedence. The medal will be worn suspended by a ring from a ribbon of red, white, and blue. Women who have no other decoration or medal will wear the jubilee medal on the left shoulder of the dress, the ribbon in this case being in the form of a bow. Women who already have official medals worn on a bar may, if they wish, add the jubilee medal to the bar.

The following persons in Victoria have been awarded the medals which His Majesty has been pleased to grant in commemoration of the 25th anniversary of his accession to the Throne:—
