DON BRADMAN

TEST.

(By Don Bradman.)

XX.

lunch. At length Archis was out to a simple catch in the covers after having got over by far the hardest part of the wicket. Apart from the nearby run-out, he gave but one chance, a ware hard one on the ler-side to Dutkworth.

the nearly run-out, he gave out one the thread a very hard one on the log-side to Duckworth, and played a most prelevorthy innings in every way. Certainly he was slow, but his policy was justified. We had put on 243 for the fourth wicket under difficult con-ditions, and in doing so had created a new itest match record.

st match record. McCabe started to lay the wood on quickly.

and soon livened things up. He wood on quickly and soon livened things up. He gave a mosi difficult chance to Hammond in the aligs but his innings was beautiful and daring. Shortly after lunch I was given out, caught by Duckworth off Larwood. Though still trying hard, I felt our position was by now fairly secure.

fairly secure. Pairfax and Oldfield carried on, each in jurn playing the best innings I have seen a from either of them in test cricket. Larwood made an excellent catch to dismiss Oldfield. In Peebles took the bowline

"The White Devil."

The first German talking ""-which was Australia--The Last Company"-which was servened for the Press some weeks ago, proved so artistic and so forceful that it roused high hopes for the next of the series. This second production of Ufa's was screened last night at the Film House. It did not stain ould the distinction of its predecessor. Most ould the distinction of its predecessor. Most

rest response to the set of the

XX. On our return to London from Northampton se had three very welcome days rest, but on ime a share very welcome days rest, but on ime a spell at the nets at the Oval. Then came Saturday, August 16, the first in this game was extraordinary: the fact that it was the rubber match and that it was. Pairfax and Oldfield carried turn pairing the best innings it was the rubber match and that it was be played to a finish made it like the last ping of Percy Chapman put our team into sector a tinspiration to his side, a man while Alan played a "not out" Based an inspiration to his side, a man who were all did the omission of Chapman. Here was a born had captained England in the previous four tagames, a player who up to this time had the most successful test season of his career, and no a who had, in addition to aving scores of turna, taken several phenomenal catches. And the and the sease of the decisive turna taken several phenomenal catches. And the reached the crease I felt was back's test farewell. Into the reached the crease I felt the match and the sease I felt the match and the sease I felt the reached the crease I felt the reached the crease I felt the turna taken several phenomenal catches. And the reached the crease I felt the reached the crease I felt the turna taken several phenomenal catches. And the reached the crease I felt the reached the crease I felt the turna taken several phenomenal catches and the reached the crease I felt the turna taken several phenomenal catches and the turna taken several phenomenal catches. And the reached the crease I felt the turna taken several phenomenal catches and the turna taken several theore the turna taken several theore games, a player who up to this time had the most successful test sesson of his career, and one who had, in addition to saving scores of una, taken several phenomenal catches. And he was dropped on the eve of the decisive hame of the series! As a left-hand baisman Chapman was a dis-inct foil to Grimmett, the bowier we mainly relied upon, and, to my mind, he was the most key baisman in England to knock Clarrie

Australia - The Last Company was pole of the series. This was not so grand, however, at also of the days and the series and when the bailed out pole of the series and when the bailed was not so grand, however, at also of the days and the wind the bailed with the sum of the pole from the series that the series of the days and the wind the bailed with the sum of the pole from the series that th Before soing on the field Pairfax jokingly toid us that the head on take cheerfully, pair of trougest time he wore the particular wickets. It was herefore the particular and when Hornibrood dropped a "atter" off wyatt in the allow wall again being the aufferer. But then yains got to work, and, all out before hunch. Too much praise cannot be given to Sut-tiffs and wyatt for their record partnership tand. Then, too, all out seem to be able to artick his form, stuck to them to be able to artick his form, stuck to them take manually. Behind the stumps, Oldfield gave the great-st exhibition of wicket.keeping it has been my privilege to witness. He was the high-watermark of a great display. PONSFORD BREAKS HOODOO Wood.
