

C-SPAN Launches New Video-Based Mobile App

(September 27, 2021) — Just released in the App Store and on Google Play, C-SPAN Now is a free mobile app featuring video of the day's biggest political events, presented in C-SPAN's signature unfiltered think-for-yourself style.

From your mobile device, on C-SPAN Now you can:

- Watch *live or on demand* C-SPAN's complete coverage of the U.S. House and Senate, congressional hearings, White House events, the courts, campaigns and more from the world of politics.
- Catch up on what's happening in politics with featured highlight clips.
- Listen to C-SPAN Radio and discover a variety of compelling podcasts.
- Watch the three C-SPAN TV networks* and the latest episodes of "Washington Journal" and "Q&A."
- Find current schedule information for C-SPAN's TV networks and C-SPAN Radio.

"Through our digital consultancy partnership with software developer Globant, we've built C-SPAN Now to bring C-SPAN's mission — delivering an unfiltered, high-quality viewing and listening experience of our government's proceedings — to another digital platform and to new audiences," said C-SPAN Vice President of Digital Media Richard Weinstein. "Our viewers have been telling us: We want C-SPAN video on an app. Today, we're excited to tell our audience: Here it is."

For more information about the free C-SPAN Now app, visit the [C-SPAN website](#). To download the free app directly, visit C-SPAN Now in the [Apple Store](#) or [Google Play](#) for Android.

Note: Downloading and using the C-SPAN Now app requires Apple iPhone iOS 14 or later or Android phone running Android 6 Marshmallow.

* Access to view or listen to the three television networks is reserved for our cable and satellite TV customers. Your cable or satellite subscription comes with complimentary access to C-SPAN, C-SPAN2 and C-SPAN3. Get started by signing in with your cable or satellite provider for unlimited viewing.

About C-SPAN:

C-SPAN, the public affairs network providing Americans with unfiltered access to congressional proceedings, was created in 1979 as a public service by the cable television industry and is now funded through fees paid by cable and satellite companies that provide C-SPAN programming. C-SPAN connects with millions of Americans through its three commercial-free TV networks, C-SPAN Radio, the C-SPAN Now app, [C-SPAN.org](http://www.c-span.org) and various social media platforms. C-SPAN's robust public affairs programming includes national and international public policy conversations; its popular morning show *Washington Journal*; book and author discussions on Book TV; a chronicle of America's past on American History TV; and more. The network's video-rich website contains over 265,000 hours of searchable and shareable content, archived since 1987 for educational and reporting purposes.
