LICENSING QUALIFICATIONS

This bulletin provides you with information about the license examination and application process for becoming licensed as either a real estate salesperson or real estate broker in the state of Iowa. The Iowa Real Estate Commission is authorized by Chapter 543B, Code of Iowa, to qualify individuals who wish to operate as real estate salespersons or brokers as defined by Iowa statutes. To be licensed, you must pass an examination to confirm that you have attained at least a minimum level of knowledge regarding the statutes and regulations affecting the real estate profession. After passing this examination, you must apply to the Iowa Real Estate Commission to obtain a license. Once the Commission has verified that you have met all of the requirements for licensure (detailed below), the Commission will issue the appropriate license. In order to qualify for an Iowa real estate license, you must

1. Be a person 18 years of age or over. (You may actually sit for the exam before you are 18 but you must be 18 before you make application for a license, which must be within six months after you pass the exam.)

2. Be a person whose application has not been rejected for licensure in this or any other state within twelve months prior to the date of application, and whose real estate license has not been revoked in this or any other state within two years prior to date of application.

In addition:

Applicants for the Salesperson Examination must successfully complete the Commission-approved 60-hour pre-license course in real estate education during the 12 months prior to taking the salesperson examination. A list of schools is available from the Iowa Real Estate Commission. (Go to <https://plb.iowa.gov/board/real-estate-sales-brokers> and click on "Education Index".)

Applicants for the Broker Examination must successfully complete 60 hours of Commission-approved Broker pre-license education within 24 months prior to taking the broker examination. Further, a broker applicant must be a licensed real estate salesperson actively engaged in real estate for a period of at least 24 months preceding the date of application.

NONRESIDENT LICENSES

A nonresident of Iowa may be licensed as a real estate broker or salesperson upon complying with the requirements, as provided in section 543B.15, Code of Iowa, and 193E–5.3. The applicant must also provide the Real Estate Commission with certification from the state of original licensure that the applicant is currently licensed in that state, that no charges against the applicant are currently pending, and that the applicant's record in that state justifies the issuance of a license in Iowa. The Commission may waive the requirement of an examination in the case of a nonresident broker who is licensed in a state whose laws have similar requirements and where similar recognition and courtesies (called reciprocity) are extended to real estate brokers and salespersons licensed in Iowa. Contact the Iowa Real Estate Commission for further details and procedures for nonresident licensure.

IOWA PORTION EXAMINATIONS

Iowa Real Estate Commission Rules and Regulations 193E–5.3 (543B) stipulates that individuals who are licensed by examination as real estate salespersons or brokers in states which do not have a reciprocity agreement with Iowa must pass an Iowa state portion examination to be issued a comparable Iowa license. The state portion examination is limited to Iowa real estate laws and practices. In order to qualify to take this examination, you must contact the Commission to receive a letter of authorization. That letter must be shown at the examination center on the day of the examination. (There will be no exceptions).

INSTRUCTIONS FOR LICENSE QUALIFICATION

To make the license qualification process go as smoothly as possible, be certain that you follow through on:

1. PREPARATION:

Prepare yourself for the examination by using the exam outline in this bulletin and the suggested study materials that cover the outline topics.

2. REGISTRATION:

TYPES OF EXAMINATIONS GIVEN

The following are the examinations offered by PSI Services LLC:

- Salesperson Examination
- Broker Examination
- Iowa Portion Only/Salesperson Examination
- Iowa Portion Only/ Broker Examination

Note: Prior written authorization to take the Iowa portion only examinations **MUST** be received from the Iowa Real Estate Commission and will be required at the examination center.

Now you can take the practice exam online at <https://test-takers.psiexams.com/iare> to prepare for your Iowa Real Estate Examination.

Please note that practice exams are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination. They ARE NOT a substitute for proper education and study. Furthermore, scoring well on the practice exam does not guarantee a positive outcome on an actual licensing examination.

Note: You may take the practice exams an unlimited number of times. However, you will need to pay each time.

TIPS FOR PREPARING FOR YOUR LICENSE EXAMINATION

The following suggestions will help you prepare for your license examination. Planned individual preparation in addition to the required classroom hours increases your likelihood of passing.

- Start with a current copy of the Licensing Information Bulletin.
- Use the exam content outline as the basis of your study. The outline itself is a study tool because it can familiarize you with the real estate terms.
- Learn the major points associated with each outline topic. Major points include definition, use, and eligibility.
- Select study materials and courses that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory—and it is also an excellent business practice. Underline or highlight key ideas that will help with a later review.
- Read the study materials, making sure you understand each item before going on to another. Underline or highlight key ideas that will help with a later review.
- Check each topic off the outline when you feel you have an adequate understanding. Plan to take your examination when all topics have been checked.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

DESCRIPTION OF EXAMINATIONS & EXAMINATION CONTENT OUTLINES

The Examination Content Outlines have been approved by the Iowa Real Estate Commission. These outlines reflect the minimum knowledge required by the real estate professionals to perform their duties to the public in a competent and responsible manner. Changes in the examination content will be preceded by changes in these published examination content outlines.

Use the outlines as the basis of your study. The outlines list all of the topics that are on the examination and the weightings for each topic. Do not schedule your examination until you are familiar with all topics in the outlines.

For national broker exams, scenario-based test questions are included to contain more than four options and ONLY ONE BEST option shall be selected to answer the question. Some options are appropriate but not the BEST ANSWER. Please select the option that best answers the question in the exam. A BEST ANSWER reflects the optimal solution or most complete resolution to the scenario presented in the question. These items are associated with scenarios presented in the form of text, graphs, or tables representing a situation in which candidates must identify the best course of action by selecting only one option. Each option is weighted as zero-point, one-point, or two-points based on the completeness and accuracy of the solution. Sample questions are provided.

The Examination Summary Table below shows the number of questions and the time allowed for each exam portion.
