Masters Age Records 1983 is an official publication of the Athletic Congress (TAC) Masters Athletic Committee, Jim Weed, Chairman. This book was published with the help of the National Masters News, Masters Sports Association, Nike, and Nolan Fowler (compiler of the weight throws).

A special thanks to the former publisher of **Masters Age Records**, Track & Field News, for their introduction of this publication and their support of the masters program through it.

A good companion volume for this book is "Running Records by Age" (available from National Running Data Center, P.O. Box 42888, Tucson, AZ 85733) which includes U.S. records for all ages for track and road running events from 100 meters to 100 miles.

These pages contain the known world age records in every standard men's track and field event, age 35 and above, as of January 1, 1983. If an American does not hold the world record, the American record is listed after that of the world record holder. Marathon marks and 2-Hour Runs have been dropped.

Information, from left to right: age, performance, athlete's name and residence (or country of origin), and date of meet.

Key to abbreviations: n = non-winning time; h = heat; m = metric event; i = indoor mark; dec = mark made in decathlon; pen = mark made in pentathlon; w = wind-assisted mark; y = mark recorded during an English measurement (yards, feet, miles) race; p = verification of birthdate, etc. pending.

ON THE COVER: **Harold Chapson (80)** of Honolulu running in the 1979 Hannover World Masters Games in which he won the 400, 800 and 1500 meter races. Harold owns most of the age records for the middle distance events for ages 70 to 80.

NEVER WILL SO MANY OWN SO MUCH FOR SO LITTLE. It was one of those victories that, frankly, took us by surprise.

All we were after was an Air shoe with a slightly more down-to-earth price tag.

The more runners who experience Air, we reasoned, the fewer will settle for anything less. That was the theory.

Pegasus. That was the name.

Then our R&D department proceeded to run amuck. First, they incorporated the Nike Air-Wedge™. That was fine. Because it gives the kind of long-lasting cushion you just can't find in any other shoe.

But then they started looking around for other innovations from some of our more specialized models.

Next thing we knew, the Pegasus was sporting the Waffle™ Center-of-Pressure™ outsole. For

even more cushion. And greater stability. It also made the Pegasus great for running over any number of different surfaces. From grass to asphalt, to gravel and mud.

Then, they flared the heel for a touch more stability. Notched the suede at the first metatarsal for flexibility. And even went to a lighter EVA formulation in the midsole.

As a result, the Pegasus is not only a great training shoe, but at roughly 10 ounces in a size 9, it's more than light enough to race in. We were stunned. And we

told them—this is just too much

technology, too much versatility. The Pegasus is simply more shoe than we bargained for.

Then they reminded us. That's what a bargain is all about.

RECORDS SECTION

There are five categories of TAC Masters records (American citizen and championship meet records, indoor and outdoor, along with American all-comers records). These records are approved in the same manner as any world or U.S. track and field record, i.e., the record application must be accompanied by a properly filled out IAAF record form and approved by a TAC committee. TAC-approved marks therefore can sometimes be inferior to the Age Records listed previously.

The victorious Southern California Striders distance medley relay team after bettering the US record in the 1982 Strider Relays. They are from left to right: **Ralph Lee** (1:59.6), **George Cohen** (4:42.9), **Mel Elliot** (3:29.7), and **Bill Knocke** (51.6). Their combined time of 11:03.8 established a new record.

Make TAC Masters Long Distance Running work for you by working for them. Look around your area and get acquainted with your TAC Association officers. Tell them how you would like to improve the MLDR Scene. Where possible offer your help to make those improvements.

Let us plan to make stronger local associations and organize meaningful regional activities. Your National officers are ready and willing to help you establish regional championships.

Think also of National Championships. A good experience in a Regional Championship should lead to a bid for a National Championship. 1983 National Championships appear opposite. Lots of room remains for 1984. At the Convention in Indianapolis, December 3, 1983 we will consider bids for both 1984 and 1985.

We must have bids in hand by October 1 to facilitate the process of awarding the Championships. This is important to provide maximum exposure for those scheduled in the first six months of the approaching year.

Application forms for Championships are available from TAC/USA, P.O. Box 120, Indianapolis, Ind. 46206.
