## PRESIDENT'S MESSAGE

The New Zealand Branch of the World Veterans Association welcomes with enthusiasm Veterans from many parts of the World, to the 4th World Veterans Games.

As President of the Branch I would hope that our Athletic activities will encourage more men and women to keep physically fit, but perhaps even more important will be the renewal of old friendships, the making of new ones, and the sharing of experiences.

I would like to express my thanks to the New Zealand Government; The Christchurch City Council; Air New Zealand and other sponsors for their generous support; also my grateful thanks to John Macdonald and all members of his ORGANISING COMMITTEE for a job well done. Last, but not least, to the President and members of the Canterbury Athletic Centre. Without their combined support we could not hold these Games.

Best wishes for a very enjoyable Games.

Gideon TAIT  
O.B.E.

## CHAIRMAN'S MESSAGE

On behalf of the Organising Committee I would like to welcome all competitors and visitors to the 4th World Veteran Games.

A lot of time has been spent in trying to create an enjoyable week for all, both on the sports field and socially, during your stay in Christchurch.

I would like to thank all those who have given of their time and effort to make these Games a success, in particular the New Zealand Government, Christchurch City Council, the New Zealand Army, University of Canterbury, Doreen Mathieson, Jim Miles, Eric Hunter, Jim Daly and Don Sharp. Mention should also be made of Dr Don Dalley and Dr Richard Edmonds who took over the organisation of the Sports Medicine Seminar and the medical services respectively with the assistance of the Canterbury branch of the New Zealand Federation of Sports Medicine, doctors, nurses, physiotherapists and the New Zealand Army providing some personnel, tents and an ambulance. These are just a few who have made large contributions to the Games and I hope every person who has assisted in some way will accept this as the Committee's appreciation of a job well done.

Competitors and visitors can now show their approval by forming friendships and having a really enjoyable time by taking part in all the extra activities which have been arranged for you which will make the 4th World Veteran Games an event to remember.

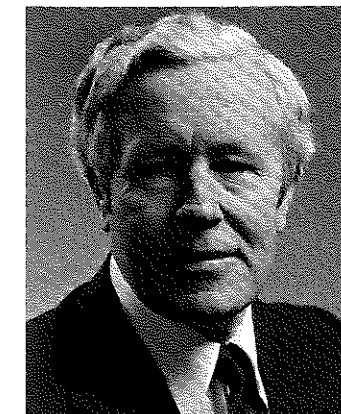

John Macdonald

## WELCOME FROM MAYOR OF CHRISTCHURCH, MR HAMISH HAY

It gives me particular pleasure to extend a sincere welcome to all visiting athletes and supporters attending the World Veteran Games in Christchurch, and to express the hope that your stay in the Garden City will be memorable in every respect. We are delighted that this important international event is being held in our City — the first time it has been held in the Southern Hemisphere — and I am sure it will arouse great public interest. I was privileged to attend the last Veteran Games held in Hanover as part of the New Zealand Delegation, and I know what an impact the Games can have on the local community.

I am sure that the local committee will have worked extremely hard to ensure the success of the Games and that they will have arranged enjoyable hospitality for you. I trust that visitors will have plenty of opportunity for enjoying not only the sights of Christchurch, but also to see the undoubted scenic attractions of the South Island following the completion of the Games.

I trust that you will have a wonderful time in Christchurch and thoroughly enjoy yourselves.

HAMISH G. HAY  
MAYOR

# Avis offer a special 10% car hire discount

We offer a ten percent time and mileage discount on Avis car rental to all participants and supporters of this event. The cost of the car does not increase with the number of occupants, so it would pay you to bring two or three friends along for the ride.

Travel freely and independently. If you're arriving by air or rail, one of our charming hostesses will meet you with a car (you may choose from a wide range, from station wagons down to Minis). There's even a Mini-Bus to seat 11, including driver and luggage.

Call your nearest Avis branch for details. We're everywhere.

We try harder.  
That's why more people by far  
hire an Avis Rent a Car.

**A personal recommendation  
from Roland Jerneryd.**

"... I recently had the opportunity to fly Air New Zealand between Sydney and Christchurch. Please let me tell you that these two flights were excellent with very good service rendered by your stewards and stewardesses, a perfect menu with good wines served, in cabins with stimulating decor. Two perfect flights which I am glad to recommend."
