HERNAN PADILLA, M. D.  
MAYOR

CITY OF SAN JUAN

Dear Veteran Athlete:

On behalf of the people of San Juan, I extend to you a warm welcome to the Capital City of Puerto Rico, site of the V World Veterans Games.

We are deeply honored to host this important international competition. The City of San Juan has made extensive preparations for the visit of more than 2,000 athletes and their families.

As you may know, San Juan is the oldest city under the flag of the United States, and the second oldest city in the New World. It thus combines the atmosphere of the Old World, with its rich cultural heritage, together with the most modern of accommodations and facilities.

We sincerely hope that your visit to San Juan will enable you to become better acquainted with our city and its people.

Most important, we also hope that the true spirit of comradeship and fair athletic competition will prevail during the Games, thus joining all participants from all over the world in a sincere brotherhood embrace.

To all of you, our very best wishes.

Sincerely,

A handwritten signature in dark ink, appearing to read "Hernán Padilla". The signature is written in a cursive style with a long, sweeping tail.

Hernán Padilla, M.D.

### THE "JICOTEA", MASCOT OF THE V WORLD MASTERS GAMES

*The Puerto Rican "jicotea", a fresh water turtle, has been chosen mascot of the V World Masters Games.*

*The "jicotea" is closely identified with our island. The Taino Indians considered it the ancestral mother of their race and, also, a symbol of long life. The image of the "jicotea" is most frequently found in Taino Art. If we visit the recently restored Indian Ceremonial Park of Tibes in Ponce, there our "jicotea" can be seen taking in the sun's rays over its small brown shell.*

*An interesting detail, found much later in the history of Puerto Rico, is that the "jicotea" was often used to clean the wells of Old San Juan, the sugar cane mills and coffee plantations.*

*The symbol denotes, therefore, a series of valuable facts: history, usefulness, perseverance and, above all, longevity.*
