It gives me great pleasure to extend my warmest greetings to the participants and spectators gathered for the VIII World Veterans' Championships, which we are honored to host in the United States for the first time. I am especially pleased to welcome our foreign guests to the beautiful State of Oregon.

In addition to proving that age is no barrier when it comes to physical fitness, to athletic competition, or to excellence in track and field, these Veterans' Championships offer athletes from around the world an opportunity to test each other's ability. They also help to promote international goodwill through friendly competition. I commend all the athletes for their dedication and hard work. Greetings,

The people of Eugene are proud, along with those of Springfield and other Lane County communities, to welcome you to the VIII World Veterans' Championships.

How appropriate that Eugene's historic Hayward Field will serve as the focal point for your competition! Hayward has been home in the past to many exceptional athletes and enthusiastic crowds. The site for three U.S. Olympics Track and Field Trials, Hayward has a long tradition of encouraging people to perform at their highest levels.

Your World Veterans' Championships offer a rare celebration of sport for mature athletes of all abilities. I hope each of you has the opportunity to establish a P.K., and that your experience here exceeds your expectations.

We are genuinely pleased to host you this summer. During your visit, I hope you'll enjoy Eugene's many parks, gardens, riverside walks and trails. Throughout the summer, Eugene will be the site for concerts in the Parks, outstanding entertainment at the world-renowned Hult Center for the Performing Arts, and much more.

We love our city, and look forward to making your stay with us most memorable. Thanks for choosing the Eugene-Springfield area as your headquarters for the VIII World Veterans' Championships.

Sincerely,

Jeff Miller

This is certainly a very special event, and we are honored to be your co-hosts. Springfield is a wonderful blend of small town character, scenic beauty and rich heritage. Located between two beautiful rivers, Springfield is the primary gateway to the McKenzie River Recreation Area.

During your stay I hope you will take the time to enjoy the various attractions Springfield has to offer. Also, be sure to take advantage of our special "Summer Springfield!" events.

On Saturday, July 22, it's the Historic Walking Tour featuring our city's Historic Washburne Neighborhood. Then, from 1-6 p.m. Sunday, July 23, it's "Springfield in the Park" featuring a jazz festival, antique car show, children's petting zoo, clowns, food and more!

On Monday, July 24, from 6-8 p.m. take a horse and buggy ride to the historic Morris Ranch for an outdoor play along with wine and cheese tasting. It's "Springfield in Fashion" on Wednesday, July 26, when a special mothers and children fashion show will be held at City Hall from 7-9 p.m. Also, a floral and arts show runs July 24-29 here at city hall.

Our annual Broiler Festival -- featuring the world's best barbecued chicken -- kicks off Thursday, July 27 and runs through Sunday, July 30. For more information about any of these events, call my office at 726-3700. We'll be more than happy to help you. I am certain you will find Springfield to be a vibrant, progressive and friendly community.

GREETINGS:

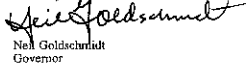

As Governor of the State of Oregon, I am pleased and proud to welcome competitors, coaches, and spectators to the VIII World Veterans' Championships.

Oregonians are honored to host this event for the first time it is held in the United States, and we're especially proud that the Eugene-Springfield area is the site. For some of you competitors, Hayward Field is a second home, and you have shared in its legendary history of track and field meets with famous athletes. For others, this may be your first visit and your first opportunity to add to these legends.

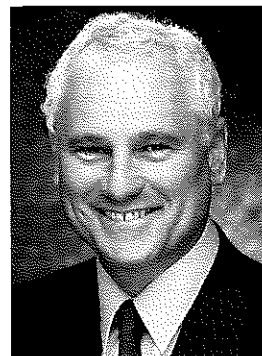

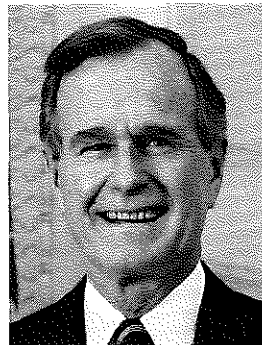

I hope that you can reward yourselves by enjoying the rest of Oregon while you're here. We're proud of the beauty and diversity of our state: the natural wonders of lush coastal forests, famous waterfalls, summer and winter snow skiing, high desert plateaus, and the deepest, bluest lake in the United States at Crater Lake National Park. Oregon's uncrowded Pacific shoreline alternates from smooth sand to rugged rocks, all free and open to the public. Fertile farms provide a variety of fresh fruits and vegetables, particularly tasty combined with our beef, poultry, fish, and seafood.

Participant or spectator, you are a welcome part of the riches we already enjoy in Oregon. Best of luck for a most successful meet--all of you are champions.

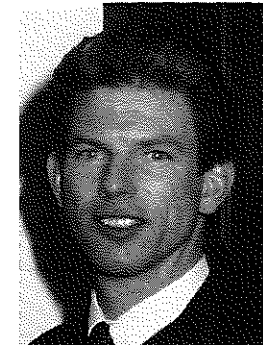

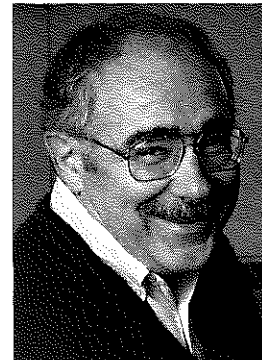

Sincerely,

Welcome To The Athletes Of The World:

On behalf of the Oregon Track Club and its Masters section, we would like to welcome all of the competitors and their families to the VIII World Veterans' Championships.

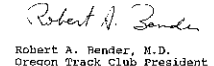

In many ways we feel Eugene and Springfield are the perfect cities to host these Championships. "Jogging" is the entry level activity for most Masters athletes. It was first popularized by Bill Nowoman, the legendary Oregon track coach. He brought the concept of adult fitness through running from New Zealand to Eugene. It spread throughout the U.S. and the jogging boom was born.

Competition has been the next logical step for many adult runners, resulting in the Masters movement. Today thousands of masters athletes find great personal satisfaction in realizing their athletic potential through friendly competition.

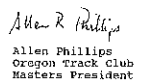

Fittingly, the first World Championships in the U.S. will be held at Hayward Field, scene of three U.S. Olympic Trials and home of the University of Oregon Ducks. Masters athletes may find themselves inspired by the history of this track which has felt the feet of so many great runners like Steve Prefontaine and Alberto Salazar.

We hope that your visit to Eugene permits you to enjoy more than the competition. Believing that balance in one's life is the best medicine, we urge you to see our beautiful mountains, rivers and coast; enjoy the bounty of our farms and gardens; and immerse yourself in the ambience of "mellow, laid-back" Eugene.

Enjoy Your Competition!

Welcome To The Track Capital

Track and field is firmly entwined in the heritage of Eugene and its neighbor city, Springfield. The two communities are especially proud to become an international track capital for the VIII World Veterans' Championships and extend a warm welcome to the thousands of competitors and their families. May they enjoy and savor a slice of Oregon life!

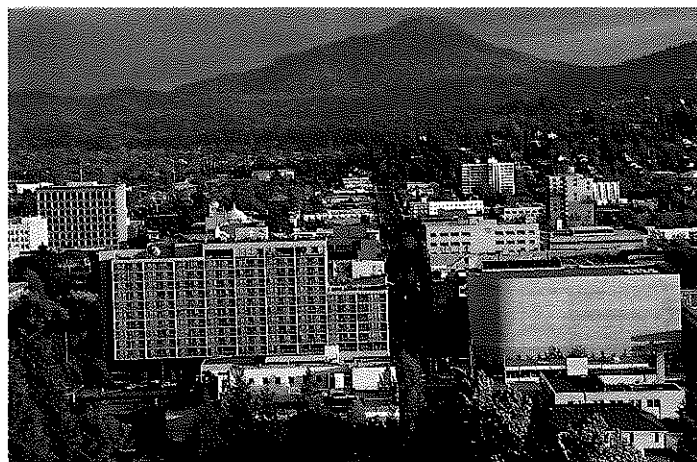

Eugene, founded by and named for Eugene F. Skinner, who came to this spot on the Willamette River in 1846, has a population of 109,000. Springfield, named for a natural spring, was first settled in 1849 and currently has 41,000 residents.

Eugene is the seat of government for Lane County and the home of the University of Oregon which opened in 1876 and now enrolls more than 17,000 students. Located at the south end of the Willamette Valley, Eugene and Springfield are at the hub of lumber, agricultural and recreational activities. Living midway between the Cascade Mountains and the Pacific Ocean, residents enjoy skiing, fishing, hunting, boating, hiking, biking, and of course, running.

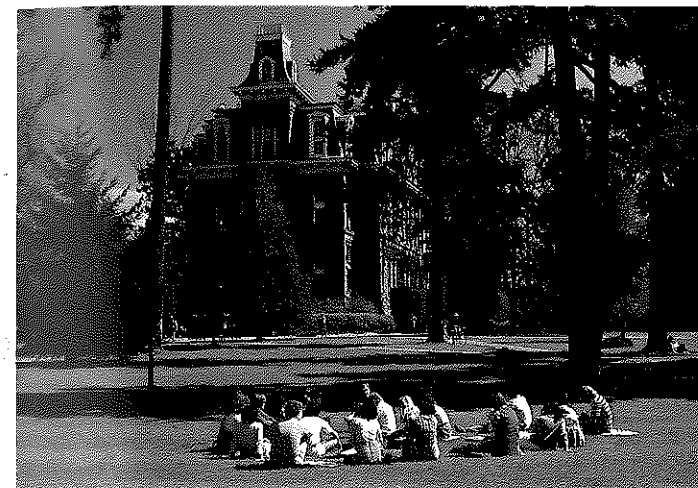

Hayward Field is the focal point of the communities' track and field tradition. Bill Hayward, University of Oregon track coach from 1904 to 1947, built the foundations of the "Track Capital", producing world-record holders and exciting generations of track fans. Runners first circled the track at Hayward Field in 1921 when a cinder oval was installed around what was then the football field.

Bill Bowerman oversaw the next quarter-century of Oregon track, from 1949 to 1972. He too coached world-record holders, as well as Olympic champions. Perhaps even more importantly, Bowerman brought track and running to the people. He

introduced the concept of jogging to Eugene - and later the country -- in the early 1960's and helped spawn the running boom. He revolutionized running shoes to let people run -- in comfort. He fought for the rights of athletes, coached the U.S. Olympic team and made track meets a spectator sport in Eugene. Forever the innovator, Bowerman guided the installation of an all-weather surface at Hayward Field in 1970 and led a fund drive in 1975 to build a new west grandstand.

The site of three U. S. Olympic Trials, seven collegiate championships and three national (AAU/TAC) championships, Hayward Field figures to be prominent in national and international events in the years to come. The legendary field wears a fresh mantle, thanks to a cooperative effort among state, local and University officials and the track community. The \$2 million renovation project transformed 440-yard Stevenson Track (named for Oregon alumni Donald M. and Angelin Williams Stevenson who helped fund the original all-weather track) to a wide, 400-meter oval. The wooden east grandstand was moved back 11 meters to make room for the wider track. Extra runways and pits were added to accommodate big-meet schedules, a new weight room built and a 200-meter warm-up track constructed.

A number of those competing here in the World Veterans' Championships have taken victory laps at Hayward Field before. Whether you're Al Oerter, Lee Evans or Francie Larriau Smith, or a runner who took up the sport only a year ago, may you enjoy the magic of track in Eugene-Springfield.

The University of Oregon welcomes all World Veterans' Championships participants and spectators and extends an invitation to enjoy our beautiful campus.

The University's 250-acre campus is an arboretum of more than 2,000 varieties of trees. Buildings range from Deady Hall, opened in 1876, to the new science complex to be formally dedicated this fall.

Of particular interest to visitors are the Museum of Art, which faces the Memorial Quadrangle (just west of 14th Avenue East and Kincaid Street), and the Knight Library on the south side of the quadrangle. The Museum of Natural History is also a popular campus attraction located at 15th Avenue East and Columbia Street.

Guided tours depart from Information and Tour Services in Oregon Hall, 13th Avenue East and Agate Street, at 10:30 a.m. and 2:30 p.m. Monday through Friday. Tours at other times may be arranged by calling 686-3014. Campus maps and a variety of pamphlets describing University programs are also available from Information and Tour Services.

It's amazing where a short stay in the hospital can get you.

A short time ago, Kory Tarpenning couldn't vault over his coffee table.

He had twisted his knee so severely, it threatened his athletic career.

Kory was a member of the U.S. Olympic Team in Seoul. And he was a serious contender for a medal. All with the help of same day surgery performed by the orthopedic surgeons at Sacred Heart's short-stay.

We have an exceptional reputation for same day surgery. And, since 1976 we've taken care of more than 60,000 people with the same professional attention we devoted to Kory Tarpenning and many other world-class athletes.

If your doctor suggests short-stay to you — for any reason — look forward to visiting one of the most advanced ambulatory surgery units in the country and feel free to ask our friendly staff for anything that will make your short stay more pleasant.

You'll find that we jump at the chance to make every operation a winner.

Veterans' History

Vets Come of Age

by Joe Henderson, *Running Commentary*

Competition for veterans is still a young movement. The World Veterans' Championships are only 14 years old, and like a child of that age, are both growing and maturing quickly. They're beginning to see what their adult identity might be.

In its short life, veterans' competition already has produced three generations of winners. First came the new or renewed athletes.

These people who hadn't competed since their youth, if then, started training for fitness as adults and couldn't stop with that. They created the first demand for separate veterans' meets, and won most of the early prizes.

These meets gave longtime runners in their 30's a new reason to continue. Soon, a new generation of winning vets was born--formerly second-level athletes who won by outlasting the people who had outrun, outjumped or outthrown them in their youth.

Now, the third generation is just emerging. Superstars who remained competitive through their 30s have now reached veteran status, including marathoners Bill Rodgers and Frank Shorter, Francie Larrieu Smith from the track, discus thrower John Powell, milers Mike Boit and Wilson Waigwa.

The quality of competition has improved vastly. So has the quantity of competitors. The World Veterans' Championships have quadrupled in size since the first edition at Toronto in 1975.

But while growing bigger and better, these Championships haven't forgotten their original purpose: to serve the athletes, not the interest of nations or fans. Contrast this with the conduct of older international meets for younger athletes, their World Championships and Olympic Games.

The Youth Worlds are limited to members of national teams (and no more than three athletes per country per event). Vets enter their Worlds as individuals.

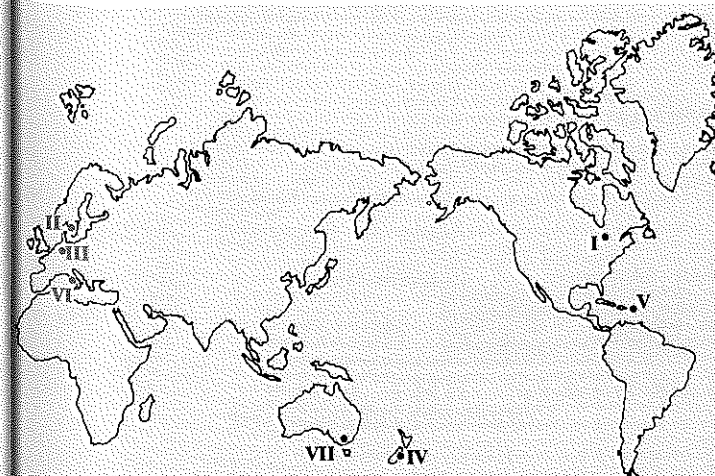

The Youth Worlds cater to spectators by limiting the size and number of races conducted. The Vets' Worlds make room for anyone who wants to compete, no matter how unwieldy the program grows.

No one is turned away because of advanced age, lack of ability or overcrowded fields. The meet just adds more age-groups and heats as demand warrants. At the last Vets' Worlds in Melbourne, 4800 athletes competed a total of 13,000 times.

When previewing the meet in Eugene, it's tempting to dwell on a few of those athletes and events. The medal-winners, record-setters and superstars will have to wait their turn, because they aren't the biggest story here.

The top story concerns all these people who have come to Oregon to compete--not to win, in most cases, but to do whatever they can. This is a meet for getting out on the track, field or road and doing one's best, not for sitting by and worshipping the winners.

As the World Veterans' Championships have grown, they've stayed truer to the original Olympic ideal than the Olympics have. The glory at the Vets' Worlds isn't reserved for the athletes who place first but extends to everyone who takes part.

WELCOME TO EUGENE!

You'll find a world of entertainment and charm within walking distance of your hotel or motel. Downtown Eugene is alive with jazz concerts each Friday night, Wednesday noon entertainment, and Saturday afternoon music ranging from classical to danceable favorites. In our mild climate, sidewalks are checkered with outdoor tables for dining or sipping Oregon's famous wines. A wide variety of pushcart vendors wind their way down the flower splashed streets, and lining

An elegant carriage features Dotty, a Belgian draft horse. They are part of the Downtown Eugene summer scene.

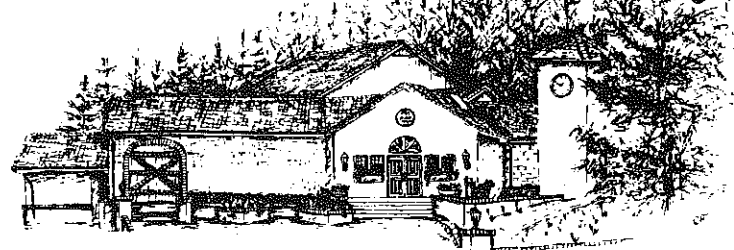

those streets you'll find an array of over 150 stores and one-of-a-kind shops featuring everything from handmade clothing to special toys; or running shoes and rugged outdoor clothes.

Carriage rides take both visitors and residents alike on a tour of the city running between the downtown and the fifth street market areas. Stop off along the way to enjoy the world-class cuisine in more than 40 restaurants in the area. An open-air theater lights up the evenings in downtown Eugene, as well as a variety of performances available at the nearby Hult Center.

Declared "one of the most livable" cities in the United States, the University of Oregon's hometown will make you feel welcome. For first class restaurants, shops, entertainment and friendly people... go downtown. We know you'll find Eugene Downtown a clean, modern, charming area. *We welcome you!*

Thank You, Volunteers

Over the two years of preparation for the World Veterans' Championships, approximately 100 volunteers donated 5,000 hours of time to make these games a reality. Combined with the hundreds of additional volunteers working during the actual two weeks of the championships, we are deeply indebted for the generous giving of themselves displayed by this extraordinary group of people.

WHO SAYS ALL GOOD THINGS MUST COME TO AN END.

You lace up the Air Pegasus '89 from Nike. You ask yourself what's new about the latest version of the world's most popular running shoe.

Have they changed the Nike-Air®? No. Have they changed the fit? No. Have they stopped making it in widths? No.

Have they raised the price? No. Are you happy? Yes.

Women's Air Pegasus '89

Men's Air Pegasus '89

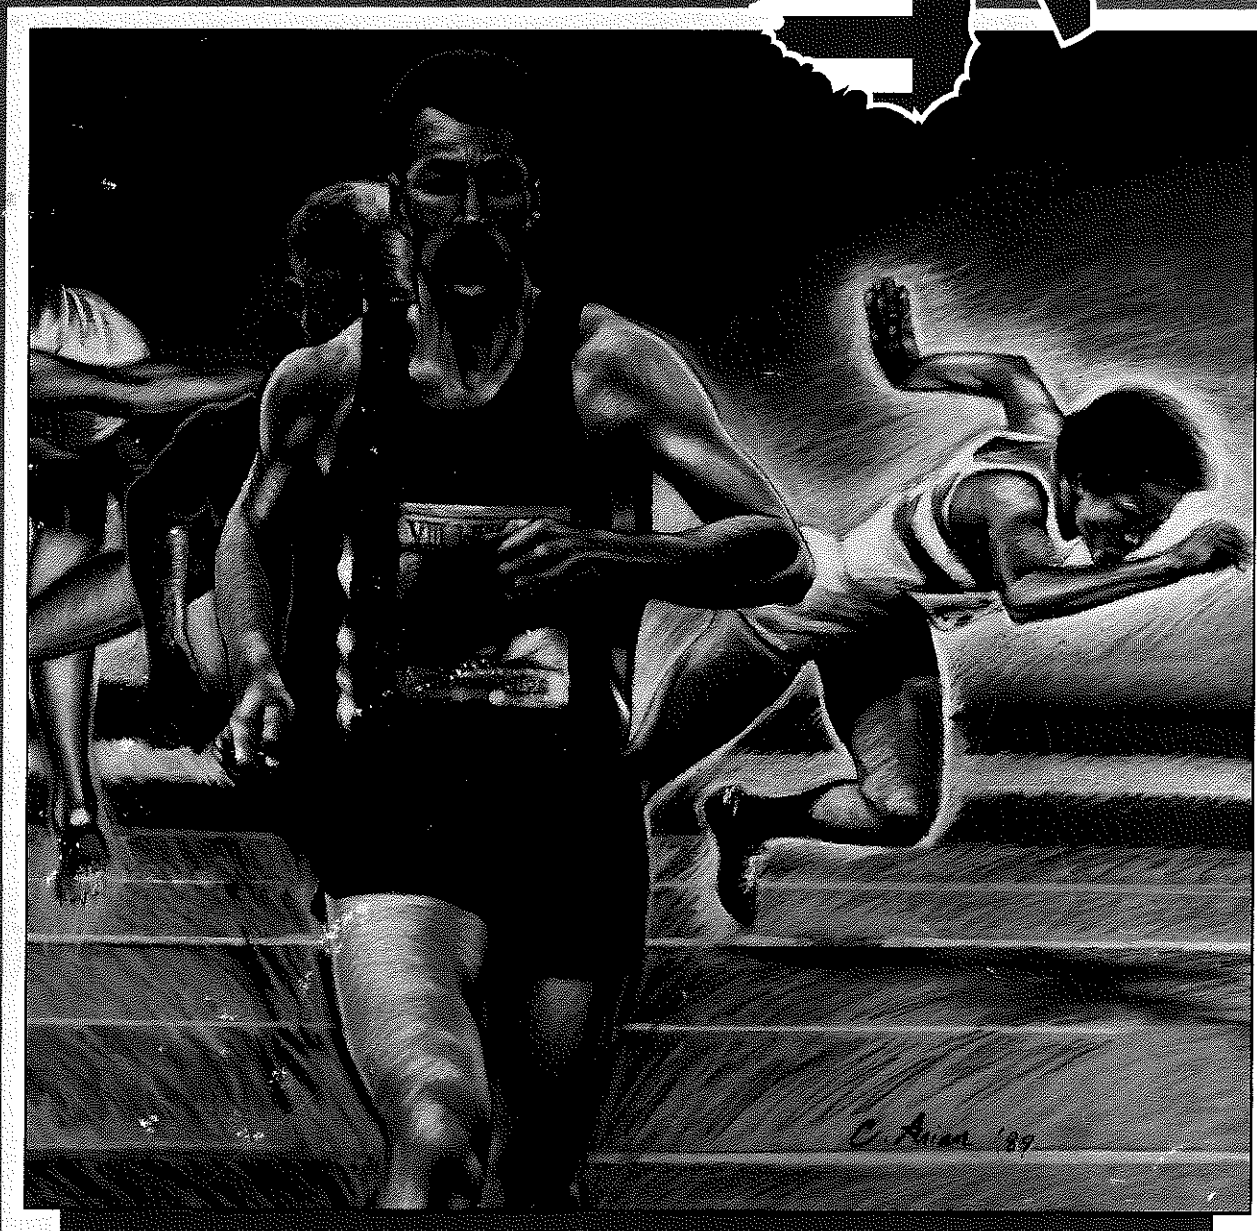

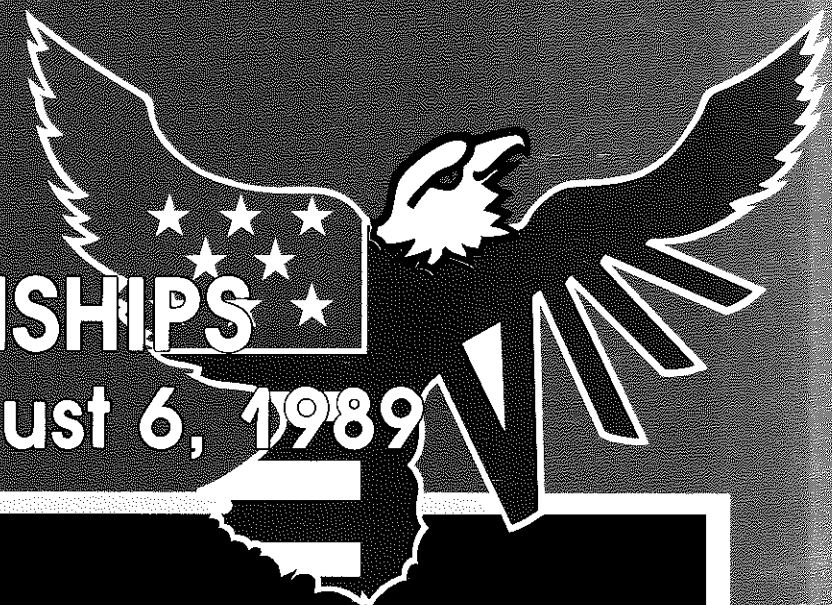

Here's to good times.

We're delighted to be the premier sponsor of
