

9. NATIONAL POSTAL RELAYS

Please push your local clubs to enter the National AAU Masters Postal Relays. Write to me for entry blanks.

10. RESTRUCTURING THE AAU

A great deal of work has been going on in restructuring "Athletics" (Walking, T&F, and LDR.) My main concern is that we lose none of the autonomy we now have plus obtaining greater autonomy in such areas as sanctions, discipline and the composition of the local committees. We are incorporating as a separate body affiliated with the AAU. So far there have been no problems posed for the Masters, as everyone seems to agree to let us do our thing. There is a dispute between the LDR and T&F people (what else is new?) about the composition of the committee, which has pretty well been resolved. Hidden in all of this is the awarding of Olympic Development Funds. Since the Masters would not be receiving any funds we have not become embroiled in any disputes.

11. ATLANTA MEETING

We have traditionally opened up our National Committee meeting to all of the athletes at our Outdoor Championships (the only committee to do so). Please advise what item(s) you'd like on the agenda.

I have received a bid for the 1979 Decathlon in Pittsburg and a possibility of the 1979 Outdoor T&F in Topeka, Kansas and Indoors in Ann Arbor, Mich. Please submit to me any bids for 1979 as soon as possible so that they can be discussed in Atlanta.
