[Give the respondent card "E"]

Now we are going to use another card. The new card has a 10-point ladder, which goes from 1 to 10, where 1 means that you strongly disapprove and 10 means that you strongly approve. I am going to read you a list of some actions that people can take to achieve their political goals and objectives. Please tell me how strongly you would approve or disapprove of people taking the following actions.

	1-10, 88=DK, 98=DA
E5 . Of people participating in legal demonstrations. How much do you approve or disapprove?	
E8 . Of people participating in an organization or group to try to solve community problems. How much do you approve or disapprove?	
E11 . Of people working for campaigns for a political party or candidate. How much do you approve or disapprove?	
E15 . Of people participating in the blocking of roads to protest. Using the same scale, how much do you approve or disapprove?	
E14 . Of people seizing private property or land to protest. How much do you approve or disapprove?	
E3 . Of people participating in a group working to violently overthrow an elected government. How much do you approve or disapprove?	
E16. Of people taking the law into their own hands when the government does not punish criminals. How much do you approve or disapprove?	

[Don't take back card "E"]

The following questions are to find out your opinion about the different ideas of people who live in country. Please continue using the 10 point ladder.
