“You must come home with me and be
my guest;
You will give joy to me, and I will do
All that is in my power to honour you.”

Shelley

A FOREWORD

AMERICANS of to-day are accused, somewhat unjustly, it seems to me, of being inhospitable. Because we do not, in the manner of a generation or two ago, lay aside all our duties at the visit of friends and welcome them ungrudgingly to our ordinary meal we expose ourselves to this charge; but, in truth, it is a higher conception of hospitality that has brought about this change. In these days of rapid transit, by sea as well as by land, the markets of the world are brought almost to our very doors, and we have a hundred combinations to our grandmother's one. We, therefore, receive our guests more formally; we make preparations for their coming, and take pleasure in giving them a meal which shall vary from the humdrum order of culinary production. The fashion in entertaining, as in so many other things, has changed, and consciously or unconsciously we conform to the new standards. And why, on the whole, is

vii

not the new hospitality more satisfying, both to the host and guest, than the old? It seems to me that housekeepers are enjoying as never before the days set apart for their friends, and have learned to appreciate the saying of Brillat-Savarin, "He who receives friends, without himself bestowing some pains upon the repast prepared for them, does not deserve to have friends." And certainly there is none of us so regardless of the delights of the table that he does not respond to the warming influences of a meal prepared by a thoughtful hostess as a tribute to him as a guest.

The difficulty for the housekeeper lies in the selection of an appropriate menu. This little book is intended to meet this difficulty. May it be a help to many!

Let me ask you to remember that all the recipes have been thoroughly tested, and not found wanting. You should have in mind, too, that in all these rules of mine the measurements are made level. Measuring cups, divided into thirds and quarters, are used; also tea and tablespoons.

With these words let me leave you to the enjoyment of the new hospitality!

MENU NO. I.

"A cup and a welcome for everyone."

Attleboro Sandwiches

Jam Jumbles

Walnut Meringue Squares

Salted Almonds

Five O'clock Tea

ATTLEBORO SANDWICHES

Spread thin unsweetened wafer crackers with peach conserve. Cover with wafers and arrange on a fancy plate covered with a doiley.

PEACH CONSERVE

1 lb. dried peaches	Juice 1 orange
4 cups cold water	1 orange, thinly sliced
Juice 1 lemon	1 lb. sugar
1 cup raisins, seeded and cut in pieces	
½ lb. English walnut meats cut in pieces	

Soak peaches in water over night, add remaining ingredients, bring to the boiling-point, and let simmer one and one-fourth hours.

JAM JUMBLES

½ cup butter	½ cup sour milk
1 cup sugar	¼ teaspoon salt
1 egg	Flour
½ teaspoon soda	Raspberry jam

Cream the butter, add sugar gradually, egg well beaten, soda mixed with milk, salt and flour to make a soft dough. Chill, roll to one-fourth inch in thickness, and shape, using a round cutter. On the centres of one-half the pieces put raspberry jam. Make three small openings

in remaining halves (forming a triangle), using a thimble, and put pieces together. Press edges slightly, and bake in a rather hot oven, that jumbles may keep good shape.

WALNUT MERINGUE SQUARES

- | | |
|------------------|---------------------------------|
| 1½ cups of sugar | 2 tablespoons shredded cocoanut |
| ½ cup water | ¼ teaspoon vanilla |
| 5 marshmallows | 1 cup English walnut meats |
| Whites 2 eggs | 2½ inch pastry squares |

Cook sugar and water in smooth graniteware saucepan until syrup will spin a thread when dropped from tip of spoon. Remove to back of range and add marshmallows cut in small pieces. Pour gradually, while beating constantly, on to the whites of eggs beaten until stiff; then add cocoanut, vanilla, and chopped nut meats. Roll paste to one-eighth inch in thickness, cut in two and one-half inch squares, arrange on tin and spread with mixture, piling slightly. Bake in a moderate oven.

SALTED ALMONDS

Blanch one-fourth pound Jordan almonds and dry on a towel. Put one-third cup olive oil in a very small saucepan. When hot, put in one-

fourth of the almonds and fry until delicately browned, stirring to keep almonds constantly in motion. Remove with a spoon or small skimmer, taking up as little oil as possible. Drain on brown paper and sprinkle with salt; repeat until all are fried. It may be necessary to remove some of the salt by wiping nuts with a napkin.

To blanch almonds, cover with boiling water and let stand two minutes; drain, put into cold water, and rub off the skins.

FIVE O'CLOCK TEA

Put three teaspoons tea in teapot and pour on two cups boiling water. Let stand three minutes and strain into tea cups. Serve with cut sugar and cream.

Throws up a steamy column, and the cups,
That cheer but not inebriate, wait on each,
So let us welcome peaceful evening in.”*

• Hot Chocolate with Whipped Cream

DEVONSHIRE SANDWICHES

Cut Graham or entire wheat bread in one-fourth inch slices. Spread sparingly with butter and then with orange marmalade. Put together in pairs, remove crusts and cut in fancy shapes. Arrange on a plate covered with a doiley.

To offer variety the marmalade may sometimes be sprinkled with chopped pecan nut meats.

ORANGE MARMALADE

9 oranges	8 lbs. sugar
4 lemons	4 quarts water

Wipe fruit and cut crosswise in as thin slices as possible, removing seeds. Put into preserving kettle, add water, cover, and let stand thirty-six hours. Place on range, bring to boiling-point, and let simmer two hours. Add sugar and let simmer one hour. Turn into sterilized jelly tumblers and cover each glass with a circular piece of paraffine paper, then with a large circular piece of letter paper, fastening paper securely over edge of glass with mucilage.

BUTTERED EDUCATORS

Spread Educator crackers sparingly with soft butter. Put in a dripping pan and bake in a

moderate oven until thoroughly heated. Cool and pile on a plate covered with a lace paper doiley.

SCOTCH FIVE O'CLOCK TEAS

$\frac{3}{4}$ lb. butter 6 ozs. sugar
1 lb. flour

Work the butter, using a wooden spoon, until very creamy; then add, gradually, while beating constantly, sugar. Work in the flour a little at a time, using the hands. Press evenly into a buttered dripping pan and prick with a fork. Bake in a moderate oven thirty minutes, and cut into small squares or strips. Let stand ten minutes before removing from pan. Pile on a plate covered with a doiley.

SULTANA STICKS

1 cup sugar $\frac{3}{4}$ teaspoon vanilla
 $\frac{1}{4}$ cup melted butter $\frac{1}{2}$ cup flour
1 egg, unbeaten $\frac{1}{4}$ cup English walnut meats,
2 squares Baker's chocolate, cut in pieces
melted $\frac{1}{4}$ cup Sultana raisins, cut
in pieces

Mix ingredients in order given. Line a seven-inch square pan with paraffine paper. Spread

mixture evenly in pan, using a case knife, and bake in a slow oven. As soon as taken from oven, turn from pan, remove paper, and cut cake in strips three and one-half inches by one inch, using a sharp knife. If these directions are not followed, paper will cling to cake and it will be impossible to cut it in shapely pieces.

HICKORY NOUGAT

2¼ cups sugar ¼ teaspoon salt
1 cup chopped hickory nut meats

Put sugar in a perfectly smooth granite saucepan, place on range, and stir constantly until melted to a syrup, taking care to keep sugar from sides of pan. Add nut meats, pour at once into two warm buttered tins, seven inches by seven inches, and mark in small squares. If sugar is not removed from range as soon as melted, it will quickly caramelize.

RUSSIAN TEA

Make same as Five O'Clock Tea, and allow one-half teaspoon lemon juice and a thin slice of lemon from which seeds have been removed to each cup. Sweeten with cut sugar to suit individual taste. Many prefer the addition of three whole cloves or a candied cherry.

HOT CHOCOLATE

1½ squares Baker's unsweet- ened chocolate	Few grains salt
¼ cup sugar	1 cup boiling water
	3 cups milk

Scald milk. Melt chocolate in small saucepan placed over hot water, add sugar, salt, and, gradually, boiling water; when smooth, place on range and boil one minute; add to scalded milk, mill, and serve in chocolate cups with whipped cream.

To mill chocolate, beat, using a Dover egg-beater until froth forms on top, preventing scum, which is so unsightly.

WHIPPED CREAM

¾ cup thick cream	⅓ cup powdered sugar
¼ cup milk	½ teaspoon vanilla
White 1 egg	

Mix cream and milk, beat until stiff, using egg-beater; add sugar, vanilla, and white of egg beaten until stiff.

4 teaspoons baking powder	1 egg yolk
1 teaspoon salt	1 cup milk
3 tablespoons butter	$\frac{1}{2}$ cup English walnut meats

Brush over with cold water the larger pieces near the edge, and fit on rings, pressing lightly. Place in towel between pans of crushed ice, and chill until paste is stiff; if cold weather, chill out of doors. Place on iron or tin sheet covered with brown paper, and bake twenty-five minutes in hot oven. The shells should rise their full height and begin to brown in twelve to fifteen minutes; continue browning, and finish baking in twenty-five minutes. Pieces cut from centre of rings of patties may be baked and used for patty covers, or put together, rolled, and cut for unders.

LOBSTER FILLING

Place pieces in pan close together, flat side down, cover, let rise, and bake in a hot oven.

ORANGE HONEY SANDWICHES

Cut white bread in thin slices, spread sparingly with creamed butter and orange honey. Put

together in pairs, remove crusts, and cut in finger-shaped pieces. Pile log-cabin fashion on a plate covered with a doiley.

MACAROONS

$\frac{1}{2}$ lb. almond paste Whites 3 eggs
 $\frac{3}{8}$ lb. powdered sugar

Work together almond paste and sugar on a smooth board or marble slab. Then add whites of eggs gradually, and work until mixture is perfectly smooth. Confectioners at first use the hand, afterward a palette knife, which is not only of use for mixing but for keeping board clean. Shape, using a pastry bag and tube, on a tin sheet covered with buttered paper, one-half inch apart; or drop mixture from tip of spoon in small piles. Macaroon mixture is stiff enough to hold its shape, but in baking spreads. Bake fifteen to

twenty minutes in a slow oven. If liked soft, they should be slightly baked. After removing from oven, invert paper, and wet with a cloth wrung out of cold water, when macaroons will easily slip off. Almond paste may be bought in one-pound tins of any first class city grocer.

ORIENTAL PUNCH

- | | |
|-----------------------|--------------------------|

SWEETBREADS À LA YORK

Cover one pair sweetbreads with cold water and let stand thirty minutes. Drain, and cover with boiling water to which has been added one-half teaspoon salt, one-half tablespoon vinegar, one slice onion, one slice carrot, one sprig parsley, and one stalk celery cut in small pieces. Bring to the boiling-point and let simmer twenty minutes. Drain, plunge into cold water, again drain, add one-half cup sherry wine, cover, and let stand one hour. Peel one-fourth pound mushroom caps, cut in slices, and sauté in butter. Melt three tablespoons butter, add three tablespoons flour, and stir until well blended; then pour on gradually, while stirring constantly, one cup thin cream and one-half cup heavy cream. Bring to the boiling-point, add sweetbreads, drained from sherry and cut in small cubes, and mushrooms. Season with one teaspoon salt and one-fourth teaspoon paprika. Serve in heart-shaped timbale cases.

TIMBALE CASES

$\frac{3}{4}$ cup flour
 $\frac{1}{2}$ teaspoon salt
 1 teaspoon sugar

$\frac{1}{2}$ cup milk
 1 egg
 1 tablespoon olive oil

W. J. Gladfield

Mix dry ingredients, add milk gradually, and beaten egg; then add olive oil. Shape, using a hot, heart-shaped timbale iron, fry in deep fat until crisp and brown; take from iron and invert on brown paper to drain.

To Heat Timbale Iron.—Heat fat until nearly hot enough to fry uncooked mixtures. Put iron into hot fat, having fat deep enough to more than cover it, and let stand until heated. The only way of knowing when iron is of right temperature is to take it from fat, shake what fat may drip from it, lower in batter to three-fourths its depth, raise from batter, then immerse in hot fat. If batter does not cling to iron, or drops from iron as soon as immersed in fat, it is either too hot or not sufficiently heated.

To Form Timbales.—Turn timbale batter into a cup. Lower hot iron into cup, taking care that batter covers iron to only three-fourths its depth. When immersed in fat, mixture will rise to top of iron, and when crisp and brown may be easily slipped off. If too much batter is used, in cooking it will rise over top of iron, and in order to remove timbale it must be cut around with a sharp knife close to top of iron. If the cases are soft rather than crisp, batter is too thick and must be diluted with milk.

HAM MOUSSE

Molds should never be filled more than two-thirds full.

RAISED FRUIT LOAF

1 cup butter	1 teaspoon clove
2 cups brown sugar	2 teaspoons soda
2 eggs	1 teaspoon salt
2 cups bread sponge	2 cups raisins
2 teaspoons cinnamon	1 cup flour

Cream butter and add gradually, while beating constantly, sugar; then add eggs well beaten, bread sponge, spices, soda and salt mixed and sifted, and raisins seeded, cut in quarters, and dredged with flour. Turn into two buttered and floured oblong pans. Let rise two and one-half

hours and bake in a moderate oven sixty minutes. Cover with Portsmouth Frosting.

For the bread sponge mix one tablespoon each butter, sugar, and salt; add one yeast cake dissolved in one cup lukewarm water, and two and one-half cups flour. Let rise until mixture is light.

PORTSMOUTH FROSTING

2 tablespoons cream	2 teaspoons melted butter
Confectioners' sugar	$\frac{1}{2}$ teaspoon vanilla

Add confectioners' sugar to cream until mixture is of right consistency to spread; then add butter and vanilla and beat two minutes.

PRISCILLA POPPED CORN

2 quarts popped corn	2 cups brown sugar
2 tablespoons butter	$\frac{1}{2}$ cup water
	$\frac{1}{2}$ teaspoon salt

Put butter in saucepan, and when melted add sugar, salt, and water. Bring to boiling-point and let boil sixteen minutes. Pour over corn, and stir until every kernel is well coated with mixture.

COFFEE

1 cup coffee	1 cup cold water
1 egg	6 cups boiling water

Scald coffee-pot. Wash egg, break, and beat slightly. Dilute with one-half the cold water, add crushed shell, and mix with coffee. Turn into coffee-pot, pour on boiling water, and stir thoroughly. Place on front of range, and boil three minutes. If not boiled, coffee is cloudy; if boiled too long, too much tannic acid is developed. The spout of pot should be covered or stuffed with soft paper to prevent escape of fragrant aroma. Stir and pour some in a cup to be sure that spout is free from grounds. Return to coffee-pot and repeat. Add remaining cold water, which perfects clearing. Cold water, being heavier than hot water, sinks to the bottom, carrying grounds with it. Place on back of range for ten minutes, where coffee will not boil. Serve at once with cut sugar and cream.

OYSTERS WITH SHERRY

Allow six small oysters for each person and pour over two tablespoons sherry wine, mixed with a few grains each of salt and cayenne. Let stand in ice-box for fifteen minutes. Serve in cocktail glasses.

THANKSGIVING SOUP

1 can corn	$\frac{1}{2}$ can tomatoes
1 quart milk	$\frac{1}{4}$ teaspoon soda
2 slices onion	$\frac{1}{3}$ cup butter
3 tablespoons flour	2 teaspoons salt
$\frac{1}{2}$ cup water	$\frac{1}{8}$ teaspoon pepper

Scald milk with corn and onion. Mix flour with water to form a smooth paste and add scalded milk. Cook twenty minutes, stirring constantly until mixture thickens; rub through a sieve. Cook tomatoes ten minutes, add soda, and rub through a sieve. Combine mixtures, add butter bit by bit, and seasonings. Accompany with popped corn.

ROAST TURKEY

Dress, clean, stuff, and truss a ten-pound cock turkey. Place on its side on rack in a dripping-pan, rub entire surface with salt, and spread breast, legs, and wings with one-third cup butter,

rubbed until creamy and mixed with one-fourth cup flour. Dredge bottom of pan with flour. Place in a hot oven, and when flour on turkey begins to brown, reduce heat, baste with fat in pan, and add two cups boiling water. Continue basting every fifteen minutes until turkey is cooked, which will require about three hours. For basting, use one-half cup butter melted in one-half cup boiling water, and after this is used baste with fat in pan. During cooking turn turkey frequently, that it may brown evenly. If turkey is browning too fast, cover with buttered paper to prevent burning. Remove string and skewers, place bird on hot platter, and garnish with sliced pineapple (drained, dried on a towel, and sautéd in butter), small molds of cranberry conserve placed on pineapple, and celery tips.

STUFFING

2 cups cracker crumbs	Salt
$\frac{1}{2}$ cup melted butter	Pepper
Sage	$\frac{2}{3}$ cup scalded milk
1 egg	$\frac{1}{3}$ cup hot water

Melt butter in milk and water, and pour over crackers, to which seasonings have been added; then add egg slightly beaten.

BROWN GRAVY

Pour off liquid in pan in which turkey has been roasted. From liquid skim off six tablespoons fat; return fat to pan and brown with six tablespoons flour; pour on gradually three cups stock in which giblets, neck, and tips of wings have been cooked, or use liquor left in pan. Cook five minutes, season with salt and pepper, strain.

SWEET POTATOES À LA BEMENT

Pare sweet potatoes and cut in one-third-inch slices lengthwise. Parboil ten minutes in boiling salted water to cover, drain, and sauté in butter. Remove to a hot serving dish, pour over Jamaica rum, and light when sending to table.

BOILED ONIONS

Put onions in cold water and remove skins while under water. Drain, put in a saucepan, and cover with boiling salted water; boil five minutes, drain, and again cover with boiling salted water. Cook one hour or until soft, but not broken. Drain, add a small quantity of milk, cook five minutes, and season with butter, salt, and pepper.

TURNIP CROQUETTES

Wash, pare, and cut turnips in quarters. Steam until tender, mash, pressing out all water that is possible. This is best accomplished by wringing in cheese-cloth. Season one and one-fourth cups with salt and pepper, then add yolks of two eggs slightly beaten. Cool, shape in small croquettes, dip in crumbs, egg and crumbs again, fry in deep fat, and drain.

CRANBERRY CONSERVE

1 quart cranberries	$\frac{1}{2}$ lb. walnut meats
$1\frac{1}{3}$ cups water	1 orange
$\frac{1}{4}$ lb. seeded raisins	$1\frac{1}{2}$ lbs. sugar

Pick over and wash cranberries, put in a stewpan with one-half the water and boil until skins break. Force through a strainer and add remaining water, raisins, nut meats broken in pieces, orange finely cut (seeds being removed), and sugar. Bring to the boiling-point and let boil twenty-five minutes. Mold and chill.

PUFF PASTE

1 pound butter	1 pound pastry flour
Cold water	

Wash the butter, pat and fold until no water flies. Reserve two tablespoons of butter, and

shape remainder into a circular piece one-half inch thick, and put on floured board. Work two tablespoons of butter into flour with the tips of fingers of the right hand. Moisten to a dough with cold water, turn on slightly floured board, and knead one minute. Cover with towel and let stand five minutes.

Pat and roll one-fourth inch thick, keeping paste a little wider than long, and corners square. If this cannot be accomplished with rolling-pin, draw into shape with fingers. Place butter on centre of lower half of paste. Cover butter by folding upper half of paste over it. Press edges firmly, to enclose as much air as possible.

Fold right side of paste over enclosed butter, the left side under enclosed butter. Turn paste half-way round, cover, and let stand five minutes. Pat, and roll one-fourth inch thick, having paste longer than wide, lifting often to prevent paste from sticking, and dredging board slightly with flour when necessary. Fold from ends toward centre, making three layers. Cover, and let stand five minutes. Repeat twice, turning paste half-way round each time before rolling. After fourth rolling, fold from ends to centre, and double, making four layers. Put in cold place to chill;

if outside temperature is not sufficiently cold, fold paste in a towel, put in a dripping-pan, and place between dripping-pans of crushed ice. If paste is to be kept for several days, wrap in a napkin, put in tin pail and cover tightly, then put in cold place; if in ice-box, do not allow pail to come in direct contact with ice.

Baking of puff paste requires as much care and judgment as making. After shaping, chill thoroughly before baking. Puff paste requires hot oven, greatest heat coming from the bottom, that the paste may properly rise. While rising it is often necessary to decrease the heat by lifting covers or opening the check to stove. Turn frequently that it may rise evenly.

Rules for Washing Butter.—Scald and chill an earthen bowl. Heat palms of hands in hot water and chill in cold water. By following these directions, butter will not adhere to bowl nor hands. Wash butter in bowl by squeezing with hands until soft and waxy, placing bowl under a cold-water faucet and allowing water to run. A small amount of butter may be washed by using a wooden spoon in place of the hands.

CHICKEN PIE

Dress, clean, and cut up two young fowls or chickens. Put in a stewpan with one-half onion, sprig of parsley, and bit of bay leaf; cover with boiling water, and cook slowly until tender. When chicken is half cooked, add one-half table-spoon salt and one-eighth teaspoon pepper. Remove chicken, strain stock, skim off fat, and then cook until reduced to four cups. Thicken stock with one-third cup flour diluted with enough cold water to pour easily. Place a small cup in centre of baking-dish, arrange around it pieces of chicken, removing some of the larger bones, pour over gravy, and cool. Cover with pie-crust in which several incisions have been made, that there may be an outlet for escape of steam and gases. Wet edge of crust and put around a rim, having rim come close to edge. Bake in a moderate oven until crust is well risen and browned. Roll remnants of pastry and cut in diamond-shaped pieces, bake, and serve with pie when reheated. If puff paste is used, it is best to bake top separately.

CHIFFONADE DRESSED LETTUCE

Remove leaves from stalks of one head lettuce, discarding outside wilted ones. Wash in very cold water, drain, and dry on a towel. Arrange in as nearly the original shape as possible and serve with

CHIFFONADE DRESSING

2 tablespoons red pepper		$\frac{1}{4}$ teaspoon paprika
1 teaspoon shallot		1 teaspoon salt
2 hard-boiled eggs		6 tablespoons olive oil
		2 tablespoons vinegar

Mix ingredients, chill thoroughly, and shake two minutes.

PURITAN PUDDING

9 common crackers	$\frac{3}{4}$ cup sugar
Butter	1 teaspoon salt
$1\frac{1}{4}$ cups seeded raisins	$1\frac{1}{2}$ teaspoons vanilla
3 pints milk	$\frac{1}{2}$ grated nutmeg
6 eggs, well beaten	2 cups cream

Split crackers and butter generously. Cover bottom of buttered pudding dish with crackers and sprinkle with one-third the raisins. Repeat twice. Mix remaining ingredients, excepting cream, and pour over crackers. Let stand three

hours, then add cream. Cover, and cook in a very slow oven four hours. Serve with

FOAMY BRANDY SAUCE

$\frac{1}{4}$ cup butter	Yolks 2 eggs
1 cup brown sugar	$\frac{1}{2}$ cup cream
2 tablespoons brandy	Whites 2 eggs

Cream butter and add gradually, while beating constantly, sugar; then add brandy (very slowly), yolks of eggs beaten until thick, and cream. Cook in double boiler, stirring constantly until mixture thickens, then pour gradually on to the stiffly beaten whites of eggs.

QUALITY PASTE

$\frac{1}{4}$ cup lard	$\frac{1}{2}$ cup butter
2 cups pastry flour	Cold water

Chop lard into flour (once sifted) and moisten to a very stiff dough with water, using a case-knife. Cut into dough butter, and chill for three hours. Toss on a floured board, dredged sparingly with flour, and pat with rolling-pin and then roll to one-fourth inch thick, keeping paste longer than wide and corners square. If this cannot be accomplished with the rolling-pin, draw into shape with the fingers. Fold so as to make three layers,

turn half-way round, pat, and roll out; repeat three times, when paste is ready to use.

MINCE PIE MEAT

4 lbs. lean beef	$\frac{1}{2}$ lb. finely cut citron
2 lbs. beef suet	1 quart cooking brandy
Baldwin apples	1 tablespoon cinnamon
3 lbs. sugar	and mace
2 cups molasses	1 tablespoon powdered
2 quarts cider	cloves
4 lbs. raisins, seeded	2 grated nutmegs
and cut in pieces	1 teaspoon pepper
3 lbs. currants	Salt to taste

Cover meat and suet with boiling water and cook until tender, then cool in water in which they are cooked; the suet will rise to top, forming a cake of fat, which may be easily removed. Finely chop meat, and add it to twice the amount of finely chopped apples. The apples should be quartered, cored, and pared previous to chopping, or skins may be left on, which is not an objection if apples are finely chopped. Add sugar, molasses, cider, raisins, currants, and citron; also suet and stock in which meat and suet were cooked, reduced to one and one-half cups. Heat gradually, stir occasionally, and cook slowly two hours; then add brandy and spices.

MINCE PIE

Line a perforated tin pie plate with Quality Paste, and fill with mince meat. Wet edges of under crust with cold water, cover with upper crust, and press edges together. Ornament with a rim and perforate upper crust that steam may escape.

PUMPKIN PIE

1½ cups steamed and strained pumpkin	½ teaspoon ginger
⅔ cup brown sugar	½ teaspoon salt
1 teaspoon cinnamon	2 eggs, slightly beaten
	1½ cups milk
	½ cup cream

Mix ingredients in order given and bake in one crust.

SARDINE COCKTAIL

Drain one small box sardines, free from skin and bones, and separate into small pieces. Mix one-half cup tomato catsup, two teaspoons Worcestershire Sauce, one-half teaspoon Tabasco Sauce, the juice of one lemon, and salt to taste. Add sauce to sardines, chill thoroughly, and serve in scallop shells placed on shallow small plates on a bed of crushed ice.

CHICKEN CONSOMMÉ WITH OYSTERS

1 pint oysters	$\frac{1}{2}$ teaspoon salt
$\frac{1}{2}$ cup cold water	Few grains cayenne
4 cups chicken stock	$\frac{1}{2}$ cup cream

Wash oysters and reserve soft portions. Chop tough portions, add cold water, bring to the boiling-point, and let simmer twenty-five minutes. Strain through a double thickness of cheese-cloth and add chicken stock. Season with salt and cayenne, add cream, and soft parts of oysters cooked until plump.

PULLED BREAD

Remove crusts from a long loaf of freshly baked water bread. Pull the bread apart until the pieces are the desired size and length, which is best accomplished by using two three-tined forks. Cook in a slow oven until delicately browned and

thoroughly dried. A baker's French loaf may be used for pulled bread if home-made is not at hand.

SALTED PECANS

Buy pecan nut meats by the pound. Put one-fourth cup olive oil in a small saucepan, and when heated put in nut meats and stir constantly until they are heated and crisp. Remove with a spoon or small skimmer to brown paper, taking up as little oil as possible, and sprinkle with salt; repeat until one-fourth pound is fried.

SPANISH MACKEREL, JAFFA

Split fish, clean, cut off head and tail, and remove backbone. Place in buttered pan, and shake over (through a fine strainer) one teaspoon salt, mixed with one-half teaspoon curry powder. Work one tablespoon butter until creamy and mix with one teaspoon Anchovy Essence. Spread fish with mixture and bake twenty-five minutes, basting three times during the baking with melted butter. Mix one-fourth cup blanched and chopped almonds, one tablespoon capers, and one-half cup brown or chicken stock, and let simmer five minutes. Pour over fish, sprinkle with buttered bread crumbs, and bake until crumbs are brown.

ROAST GOOSE, POTATO STUFFING

Singe, remove pinfeathers, wash and scrub a goose in hot soapsuds; then draw (which is removing inside contents). Wash in cold water and wipe. Stuff, truss, sprinkle with salt and pepper, and lay six thin strips fat salt pork over breast. Place on rack in dripping-pan, put in hot oven, and bake two hours. Baste every fifteen minutes with fat in pan. Remove pork last half hour of cooking. Place on platter, cut string, and remove string and skewers. Garnish with Apple Baskets and watercress.

POTATO STUFFING

Force eight hot boiled potatoes through a potato ricer. Add one-third cup melted butter, one cup cream, three eggs well beaten, and two medium-sized onions finely chopped. Beat two minutes and season with salt and pepper.

APPLE BASKETS

Cut two pieces from each apple, leaving what remains in shape of basket with handle, after cutting out pulp. Chop pulp; there should be two cups. Put in a stewpan and add three-fourths pound light brown sugar, juice and rind

of one lemon, one ounce ginger root, a few grains salt, and enough water to prevent apples from burning. Cover and cook slowly four hours, adding water as necessary.

SWEET POTATOES WITH SHERRY

Season mashed boiled sweet potatoes with butter, salt, pepper, and sherry wine. Moisten with rich milk and beat vigorously. Pile lightly on hot vegetable dish.

CAULIFLOWER HONGROISE

Prepare cauliflower as for boiled cauliflower, and steam until soft. Separate in pieces and pour over the following sauce:

Mix one and one-half teaspoons mustard, one and one-fourth teaspoons salt, one teaspoon powdered sugar, and one-fourth teaspoon paprika. Add yolks three eggs slightly beaten, one-fourth cup olive oil, and one-half cup vinegar. Cook over hot water until mixture thickens. Remove from range, and add two tablespoons butter cooked with one teaspoon finely chopped onion three minutes, and one teaspoon finely chopped parsley.

CHRISTMAS SALAD

Pare and chill six medium-sized tomatoes. When ready to serve cut in eighths (not severing sections) and open like the petals of a flower on a nest of lettuce leaves. Mash a cream cheese, moisten with French dressing, and make into tiny balls about the size of a pea. Place eight cheese balls in centre of each tomato. Serve with

DELMONICO DRESSING

$\frac{1}{2}$ teaspoon salt	2 tablespoons vinegar
$\frac{1}{4}$ teaspoon pepper	4 tablespoons olive oil
$\frac{1}{2}$ tablespoon finely chopped parsley	1 tablespoon finely chopped red pepper

Mix ingredients and stir until well blended.

CHEESE STARS

Roll paste to one-fourth inch in thickness and sprinkle one-half with grated cheese seasoned with salt and cayenne. Fold, press edges firmly together, fold again, pat, and roll. Sprinkle with more cheese and proceed as before; repeat twice. Cut in three-inch squares and make diagonal cuts at corners, fold alternate corners to centres in such a way as to make stars. Bake on a tin sheet and arrange on a plate covered with a folded napkin.

MENU NO. II.

“At last the dishes were set on and grace was said. It was succeeded by a breathless pause as Mrs. Cratchit, looking all along the carving knife, prepared to plunge it in the breast of the goose; but when she did, and when the long expected gush of stuffing issued forth, one murmur of delight arose all round the board, and even Tiny Tim, excited by the two young Cratchits, beat on the table with the handle of his knife and feebly cried, ‘Hurrah!’ . . . Hallo! A great deal of steam! The pudding was out of the copper. In half a minute Mrs. Cratchit entered—flushed, but smiling proudly—with the pudding, like a speckled cannon-ball, so hard and firm, blazing in half or half-a-quartern of ignited brandy and bedight with Christmas holly stuck into the top.”

Wipe grapefruit and cut in halves crosswise. With a small, sharp-pointed knife make a cut separating pulp from skin around entire circumference; then make cuts separating pulp from tough portion which divides fruit into sections. Remove tough portion in one piece, which may be accomplished by one cutting with scissors at stem or blossom end close to skin. Sprinkle fruit pulp left in grapefruit skin generously with sugar. Let stand ten minutes, and serve very cold. Place on fruit plate, add one-half tablespoon apricot brandy to each portion, and garnish with a candied cherry.

FILIPPINI CONSOMME

2 cups consommé	3 tablespoons sherry wine
1 cup brown stock	Salt
3 tablespoons pimienta purée	Cayenne

Mix first four ingredients and season with salt and cayenne. Clear, using the white and shell of one egg. To obtain pimienta purée, force canned pimientos through a purée strainer.

CONSOMMÉ

3 lbs. beef, poorer part of round	2 tablespoons butter
1 lb. marrow-bone	1 tablespoon salt
3 lbs. knuckle of veal	1 teaspoon peppercorns
1 quart chicken stock	4 cloves

Turnip	
Celery	
$\frac{1}{3}$ cup sliced onion	3 sprigs thyme
	1 sprig marjoram
	2 sprigs parsley
	$\frac{1}{2}$ bay leaf
	3 quarts cold water

Cut beef in one-and-one-half-inch cubes, and brown one-half in some of the marrow from marrow-bone; put remaining half in kettle with cold water, add veal cut in pieces, browned meat, and bones. Let stand one-half hour. Heat slowly to boiling-point and let simmer three hours, removing scum as it forms on top of kettle. Add one quart liquor in which a fowl was cooked and simmer two hours. Cook carrot, turnip, onion, and celery in butter five minutes; then add to soup, with remaining seasonings. Cook one and one-half hours, strain, cool quickly, remove fat, and clear.

To clear soup stock, remove fat and put quantity to be cleared in stewpan, allowing white and shell of one egg to each quart of stock. Beat egg slightly, break shell in small pieces, and

add to stock. Place on front of range and stir constantly until boiling-point is reached; boil two minutes. Set back where it may simmer twenty minutes; remove scum and strain through double thickness of cheese-cloth placed over a fine strainer. If stock to be cleared is not sufficiently seasoned, additional seasoning must be added as soon as stock has lost its jelly-like consistency, not after clearing is effected.

ing. Add vegetables and seasonings, cook one and one-half hours, strain, and cool as quickly as possible.

Remove to hot platter and garnish with St. Denis croquettes and parsley.

POTATOES IN CREAM

Wash potatoes, boil with their jackets on until soft, drain, and let stand several hours. Peel and cut in one-third inch cubes. spoons butter, add four and one-half tablespoons flour, and pour on gradually the oyster liquor and enough milk or cream to make one and one-half cups liquid. Season with salt, pepper, and celery salt. Reheat oysters in sauce and add one-half cup finely cut celery. Fill patty cases made of puff paste with mixture.

STUFFED TOMATO SALAD

Skin six small tomatoes, cut a slice from stem end of each, and remove soft inside. Sprinkle inside with salt, invert, and let stand at least one-half hour. Mash one-half cream cheese and add six chopped pimolas, one tablespoon tomato pulp, one tablespoon chopped parsley, one-fourth teaspoon dry mustard, and enough French Dressing to moisten. Fill tomatoes with mixture. Arrange in nests of lettuce leaves and serve with Mayonnaise Dressing.

| 1 cup sugar | 1 teaspoon almond extract |
| ¼ cup water | 1 pint thick cream |
| Whites 3 eggs | Leaf green |
| 1 tablespoon vanilla | ½ cup chopped pistachio nuts |

Cook sugar and water until syrup will thread when dropped from tip of spoon. Pour slowly, while beating constantly, on to whites of eggs beaten until stiff, and continue the beating until mixture is cold. Color cream a delicate green and beat until stiff. Combine mixtures, add flavorings and nut meats, and freeze, using three parts finely crushed ice to one part rock salt. Mold in brick form and pack in salt and ice. Remove from mold and surround with whipped cream, sweetened and flavored with vanilla. Sprinkle with chopped pistachio nuts.

BOYLSTON SANDWICHES

Mash a cream cheese, add two and one-half tablespoons peanut butter, and work until well blended, then season with salt. Spread between thin slices of Graham bread, put together in pairs, remove crusts, and cut into fancy shapes. Arrange on a plate covered with a doiley.

LENOX SANDWICHES

Work one-fourth cup almond paste until smooth. Add one-fourth cup powdered sugar and a few grains salt. When well blended, moisten with three-eighths cup heavy cream. Spread thin slices of buttered white bread with mixture, cover with buttered bread, remove crusts, and cut in any desired shapes—triangles, squares, finger-shaped pieces, hearts, diamonds, etc. Arrange on a plate covered with a doiley.

Almond paste may be bought in one-pound tins of any first-class city grocer.

NEAPOLITAN ICE CREAM

Pack orange ice cream and chocolate ice cream in layers of equal depth in a brick mold. Pack in salt and ice (using four parts finely crushed ice to one part rock salt) and let stand two hours.

Remove from mold to chilled dish and cut in slices for serving.

ORANGE ICE

4 cups water $\frac{1}{4}$ cup lemon juice
 2 cups sugar Grated rind of two oranges
 2 cups orange juice

Mix ingredients, cover, and let stand one hour. Strain and freeze, using three parts finely crushed ice to one part rock salt.

MACAROON ICE CREAM

1 quart cream $\frac{3}{4}$ cup sugar
 1 cup macaroons 1 tablespoon vanilla

Dry, pound, and measure macaroons; add to cream, then add sugar and vanilla. Freeze, using three parts finely crushed ice to one part rock salt.

CHOCOLATE ICE CREAM

1 quart thin cream $1\frac{1}{2}$ squares Baker's chocolate
 1 cup sugar late
 Few grains salt Hot water
 1 tablespoon vanilla

Melt chocolate and dilute with hot water to pour easily, add to cream; then add sugar, salt, and flavoring, and freeze.

ANGEL CAKE

Whites 5 eggs	$\frac{1}{2}$ teaspoon cream of tartar
$\frac{3}{4}$ cup sugar	$\frac{1}{2}$ cup bread flour
	1 teaspoon vanilla

Beat whites of eggs until stiff and dry and add gradually, while beating constantly, sugar (fine granulated) mixed and sifted with cream of tartar. Sift flour into mixture, add vanilla, and cut and fold until blended. Turn into a buttered and floured angel-cake pan and bake in a moderate oven. Remove from pan, cover with White Mountain Frosting, and ornament with small candles placed in flower cases. The little cases may be bought of first-class city grocers or dealers in confectioners' supplies.

WHITE MOUNTAIN FROSTING

1 cup sugar	1 teaspoon vanilla or
$\frac{1}{2}$ cup boiling water	$\frac{1}{2}$ tablespoon lemon juice
	Whites 2 eggs

Put sugar and water in saucepan, and stir to prevent sugar from adhering to saucepan; heat gradually to boiling-point, and boil without stirring until syrup will thread when dropped from tip of spoon or tines of silver fork. Pour syrup gradually on beaten white of egg, beating

mixture constantly, and continue beating until of right consistency to spread; then add flavoring and pour over cake, spreading evenly with back of spoon. Crease as soon as firm. If not beaten long enough, frosting will run; if beaten too long, it will not be smooth. Frosting beaten too long may be improved by adding a few drops of lemon juice or boiling water. This frosting is soft inside and has a glossy surface.

RASPBERRY SHRUB

3 quarts raspberries 1 pint cider vinegar
Cut sugar

Pick over raspberries, put one-half in earthen jar, add vinegar, cover, and let stand twenty-four hours. Strain through double thickness cheese-cloth. Pour liquor over remaining raspberries and let stand twenty-four hours.

Again strain liquor through double thickness cheese-cloth. To each cup juice add one-half pound sugar. Heat gradually until sugar is dissolved, then let boil twenty minutes. Bottle and cork. Dilute with water for serving.

COCOANUT KISSES

Whites 2 eggs	$\frac{1}{4}$ teaspoon vanilla
$\frac{1}{2}$ cup fine granulated sugar	3 tablespoons shredded cocoanut

Beat the whites of eggs until stiff and add gradually, while beating constantly, the sugar; continue the beating until mixture will hold its shape. Cut and fold in remaining sugar and add flavoring and cocoanut.

Shape with a tablespoon or pastry bag and tube on wet board covered with letter paper. Bake thirty minutes in a moderate oven.

SUNSHINE BIRTHDAY CAKE

To remaining whites add gradually sugar measured after five siftings. Add almond extract and combine mixtures. Cut and fold in flour

measured after five siftings. Bake in angel-cake pan, first dipped in cold water, in a slow oven one hour. Have a pan of hot water in oven during the baking.

Remove from pan, frost and decorate, same as Angel Birthday Cake.
