

# Follow Your Heart to a Caring Career

*Find your fit in health care  
employment that makes a real  
difference in the lives of others*

## High School Students

### *Earn \$\$\$ while you learn*

- **Want to earn money while you learn about working in health care?** Work experience builds your resume and makes you more competitive for jobs you may want in a range of health care settings.
- **Considering a career in health care?** Start accruing your patient contact hours now -- and get paid for doing so!
- **Need credits for graduation?** Work in some health care settings may earn you credits toward your high school diploma. Talk with a teacher or guidance counselor at your school about options.
- **Not sure what you want to do after high school?** Explore a range of jobs and settings and find out if a caring career is right for you – while getting paid!

*Meet with a local employer who wants to talk with you!*
