b) completants that not noises by accpling this parliamentary hotel. The intense cold of the weather during the last few days has proved fatal to some of this birds imported from India. The pert was great ornaments to the Gardens about the summer, and their active habits and quaint note make them popular. On Saturday morning twenty of them were found under an old trees at Hawthorn, on which they were in the habit of gathering at night. With some wind such and driving equals of bitter stand over the dity throughout the night, is in little wondor that these little stangers from a het climate gave way before het. Mining branch, have Mr. M'Lelian makes his share of the i the now defon-it Mr. Steavenson

A single strong a net commate gave way before Not a single bit of scandal has cropped up during the week to refresh the mind and lighten the task of an anxious Mellourne ourrespondent. There has been nothing done of any interest in the courts, beyond the de-cosion of the Honor-Judge Molesworth in the case of Graham v. Graham, in favour of the plaintiffs, the Vorkshire sous of the dead browst. The evidence showed a rare and very strange state of innormality on the part of the deccased and his reputed wife.

(FEOM OUR OWN CORRESPONDENT.) August 12 On Friday and Saturday last, the weather here was exceedingly cold, and old residents stated that they had never before felt the cold as severe. We had a slight shower of more, hat only just enough to severe by, al-though at Mustlaam, and at most of the sta-ions round, they appear to have had a much heavier fall of snow. For instance, at Gru-heavier fall of snow.
