net hopes are entertained of the success of the goloheid. Some of the most experi-enced miners protounce the stone exceedingly rich and quite equal to anything seen else-

IFROM OUR CORRESPONDENT.)

A meeting of the Centenmal International Enhibition Committee was held on Friday sight. It was decaded to enlarge the committee, and a number of new manes were saided. It was resolved that a joint committee should, be formed for Hobarts and Launceston for the purpose of carrying out such arrangements as may be thought to be advisable for the representation of Tasmania. There are by pupils in the Technical School, and several of them are preparing exhibits for the Krhibition.

A recent analyzis of the water supplied to Hobart is very satisfactory. It shows that the water is absolutely free from any deleterious matter. The water supply, however, is rather short, as there are no sigms of the breaking up of the long drought.

The mining news from the Fingal district is to the effects that a rich reed has been discovered in an old claim at Mathings. Fins specimens of the stone have been brought to Hobart.

NEW ZEALAND. (FROM OUR CORRESPONDENT.)

AUCKLAND, Surnat.

The New Zealand Ride Association meeting closed at Oamare on Satarday. Paell, of Manjarnoi, won the ritle belt, and Rosa, of Napier, the carbine belt, with the scores of 38 and 512 respectively.

Alluvial and quarts gold is reported to have been discovered at Horowhoro, a wall-grown mountain 12 miles from Rotorna. A
