

Item 8. Proposed amendment to ER Rules of Racing.

For consideration at the European Rowing General Assembly, Munich 13 August 2022

In line with the principle that European Rowing Championships should include all Paralympic Games categories/events, the ERB proposes that Rule 25 of the *European Rowing Rules & Bye-laws – departures from World Rowing* is amended to include the PR3 Mix 2x category.

It is intended that this will come into effect immediately after the conclusion of the 2022 European Rowing Championships held in Munich.

No other changes to the Rules of Racing are proposed at this time although the Event Programme is kept under review.
