McLaren St. Luke's
 Finalist: Heart Care Facility

How to live a heart-healthy lifestyle

As a leading provider of cardiac care in northwest Ohio, McLaren St. Luke's stresses the importance of health screenings, regular well checks, and understanding the signs of a heart attack.

Many Americans may be unaware that they are living with an increased risk for heart disease, yet there are several ways they can assess their risk of heart attack and stroke.

"If someone has a family history of heart disease or stroke, they should come to their doctor earlier," Owais Khawaja, MD, a cardiologist with McLaren Heart & Vascular said. "In their 30s, they need to start paying attention to any heart and stroke symptoms and their lifestyle."

McLaren St. Luke's offers various cardiac care and cardiovascular services to help those with heart conditions.

Keep the following in mind:

- Traditional (often male) symptoms include chest pain, fatigue, shortness of breath, and arm pain. Women instead, can experience symptoms of feeling lightheaded, general tiredness, jaw pain, and not feeling like themselves.
- About 80 percent of heart disease and stroke are caused by preventable factors including high blood pressure, smoking, being overweight, and high cholesterol.

The American Heart Association and the American Stroke Association recently recognized McLaren St. Luke's for their efforts with the Gold Plus awards in the stroke and type 2 diabetes categories.

For more information regarding McLaren St. Luke's Cardiology Services, please visit mclaren.org/stlukescardiology.

McLaren St. Luke's is located at 5901 Monclova Rd., Maumee.

Freck Funeral Chapel

Thank you for your continued confidence in our team!
This year marks 20 years of honoring lives and serving our community.

Pictured Cindy Villarreal, Bianca Freck, Tyler O'Brien, Jackie Schmidt, Joe Freck, Kristen Bahr, Dave Trost, Connie Sanderson. Not pictured Dan VanSlambrouck, Maryjo Freimark, Ryan Erard and Patrick Ziegler.

Freck Funeral Chapel celebrates 20 years of operation this year. When Joe and Bianca Freck purchased the property originally known as Divinity Lutheran Church in Oregon, Ohio in 2002 they had dreams to create a new space to honor life. The property was quickly renovated and now serves area families with consistent and quality funeral care.

Each family we serve has differing needs and ways of honoring their loved ones; it is up to us to be responsive to these differences. Our goal is to have every family feel as if they are seen, heard, and understood thus creating an open environment for the beginning of their healing journey. Supporting each other, the team at Freck Funeral Chapel can provide these exceptional opportunities in a professional and caring manner.

Dunn Chevy Buick

FINALIST: New Car Truck/Dealer; Used Car Truck/Dealer

Dunn Chevrolet Buick is proud to have served northwest Ohio since 1909. Discover for yourself why "It's not a great deal unless it's a Dunn deal."

Experience the reasons why Dunn remains the oldest family-owned dealership in northwest Ohio — price, selection, and service.

You can feel the difference in Dunn's approach to business when you enter the showroom on Dustin Road in Oregon. There are no high-pressure sales tactics and no gimmicks, just honesty, sincerity, and a great vehicle at a fair price, with professionals willing to help with your needs before and after the sale. Their

success has been built on repeat business with customers who have been shopping at Dunn's for generations.

The Dunn dealership began in 1909 by Charles F. Dunn in Curtice, Ohio, and is the oldest GM dealership in the nation. In 1986 the business moved to its current location in Oregon and is currently owned by members of the Dunn family.

Dunn employs approximately 100 full-time people. Its motto is "Be honest and as good as your word." With this philosophy, they strive to do everything possible to maintain positive relationships with customers.

The trained sales staff will help you every step of the way during your shopping experience at Dunn Chevrolet Buick, which stocks one

of Ohio's largest selection of vehicles. With an average of 22 years of experience, the sales team is ready to answer any questions you have as you shop for a new or preowned vehicle.

The certified service department uses the latest technology and knows precisely which parts your Chevrolet car, truck, or SUV needs. Rely on them to maintain your vehicle with the same parts used to build it.

Financing is available. There are discounts for first responders, military, and educators.

Dunn Chevrolet Buick is located at 3000 Dustin Rd. For more information, call 419-693-3000 or go to dunnchevy.com.

Appliance Center

WINNER: Appliance Store, Bathroom Remodeler, Cabinets, Furniture Store, Interior Designer, Kitchen Remodeling, Mattress

FINALIST: Flooring

Appliance Center has a lot to celebrate. For starters, next year will be their 60th year in business with well over 300,000 satisfied customers and millions of products delivered to northwest Ohio and southeast Michigan.

More recently, Appliance Center has been voted the area's Best Furniture Store for the last six years, and in this year's Blade Readers' Choice Awards, Appliance Center won Best Furniture Store, Best Mattress Store, Best Appliance Store, Best Bathroom Remodeler, Best Kitchen Remodeler, Best Cabinetry Store, and one of their Kitchen and Bath designers (Daryl Redway) won Best Interior Designer.

"We are so grateful to be part of such an amazing community of people in Northwest Ohio and Southeast Michigan, and winning these awards every year is really kind of emotional for us because we work so hard to

take care of our customers," said John Oswald, President of Appliance Center.

Appliance Center prides itself on not only its industry-best customer service, but also its 140 local employees, and its ability to get customers product much faster than its competitors due to the massive \$7,000,000 of inventory they carry at their Toledo Distribution Center.

"Even through a pandemic and all the supply chain issues, we are still offering same-day delivery of furniture, mattresses, appliances, and more," Oswald said.

With over 9,000 items on display, Appliance Center is the largest furniture, mattress, appliance, cabinetry, and flooring store in Ohio. The Maumee location is over 80,000 square feet, plus there is a Clearance Outlet store on the same property as the Maumee Superstore which has clearance furniture, appliances, and

mattresses up to 75 percent off and available for immediate pickup. For guests in the market for new kitchen/bath cabinetry, or flooring, Appliance Center carries these categories as well, and their award-winning designers have completed thousands of projects from floor to ceiling.

In 2017, Appliance Center opened another location in Sylvania at 5656 Monroe St. which also has thousands of items on display available for immediate pickup or delivery.

"Our Sylvania location has received tremendous support from the Sylvania community, and the surrounding areas. We have also been pleased with the huge increase in support from the southeastern Michigan counties at our Sylvania store because it is such a short drive for these guests to get to Appliance Center now," Oswald said.

Appliance Center delivers six days a week and offers up to 48 months

financing (with approved credit) seven days a week. For guests that want to shop online, Appliance Center launched a brand new website in 2020 that offers all the products and services you would find in the stores, including even same-day delivery and financing.

Appliance Center, 321 Illinois Ave., Maumee and 5656 Monroe St., Sylvania, was named winner in the 2022 Blade Readers' Choice Awards for Appliance Store, Bathroom Remodeler, Cabinets, Furniture Store, Interior Designer, Kitchen Remodeling, and Mattress. It was also a finalist for Flooring. The Appliance Center Outlet Store is located at 1035 Conant St., Maumee. For more information, call 419-PAY-LESS, or visit ShopAC.com.
