Missionary Report

## Missionaries to Nicaragua

On February 25, the Iglesia Bautista Redención celebrated their sixth anniversary. So much has happened in six years! To think that the work started with 13 people all seated under a mango tree to where the Lord blessed with 101 in attendance on that special day. We praise the Lord for His blessings!

It was a huge blessing to have the young people of the church help in leading the service. Many young people have a heart to serve the Lord and to use their talents to serve Him.

Have we had our ups and downs? Yes! However, we sing a song that states: En las luchas y en las pruebas, la iglesia sigue caminando. In the struggles and the trials, the church keeps moving forward. God has been so good as we constantly see His hand working.

The other church Iglesia Bautista Palabra de Vida continues to grow. Their youth group continues to increase as they are reaching new young people for Jesus. Our new ministry in Los Manguitos has had some setbacks, but we continue to move forward.

We look forward to seeing how the Lord will continue to work in all the areas of ministry here in Nicaragua. Thank you for your faithful prayers and support.
