

COVID-19 Vaccination Public Health – Seattle & King County

During vaccination you will be asked for your identification, insurance information, and consent to perform the test and allow Public Health-Seattle & King County to bill your insurance.

Will I be charged for COVID-19 vaccination?

Regardless of whether you have health insurance, you will not be charged for vaccination and you will not receive a bill. If you are insured, Public Health-Seattle & King County may bill of your private insurance, Medicaid, and Medicare.

Notice of Privacy Practices Acknowledgement of Receipt

HIPAA requires that we make the Notice of Privacy Practices available to you. The Notice of Privacy Practices has been provided to you either in paper at the COVID Vaccine site, electronically and is available on Public Health's web site. For more information, please read the attached Notice of Privacy Practices.
