Bloomberg Industry Group was founded in 1929 as **The Bureau of Nationals Affairs (BNA)** to provide legal, tax, and regulatory stakeholders with proprietary news, headnoted court decisions, and industry best practices.

The company was purchased by Bloomberg in 2011 and is now known as Bloomberg Industry Group, which reflects the diverse range of businesses and professionals the company serves and the wide range of markets where it operates.

The company empowers professionals in government, tax and accounting, and law with expertise, industry knowledge, content, and technology, enabling them to take decisive action and make the most of every opportunity.

Products

Bloomberg Industry Group has transformed from a traditional publisher to a company that offers an **unmatched mix of compelling content delivered** through cutting-edge technology platforms, all of which leverage artificial intelligence to enhance clients' efficiency.

News is an integral component of the company's platform products. Its news organization is among the largest in Washington, D.C. and covers the legal, government, and tax markets with reporting and analysis that is urgent, relevant, and thorough.
