## Potential Students

The Cosmetic Esthetician program is designed to offer esthetics training for entry-level students. Completion of the program prepares students to sit for the Esthetics licensure examination given by the State Board of Cosmetology and to work in a variety of professions that employ estheticians in beauty salons, spas, health clubs, cosmetic stores, medical spas, as well as plastic surgeon and dermatologists' offices.

### **The Clinic is Open to the Public by Appointment**

All services performed by students  
under direct supervision of a licensed Esthetician.

**Located in Morris Hall, Room 7118-B**

**Monday through Thursday**

**9:00am - 3:00pm**

**Reach the Esthetics Appointment Desk at**

**229.249.2739**

# Cosmetic Esthetics

## Spa Facials

To promote clear, well-hydrated skin (the largest organ of the body), a facial cleanses, exfoliates, and nourishes. Spa facials will precede a complimentary consultation and skin analysis for first-time clients which will lay a foundation for all future treatments performed in our Skin Care Clinic.

**REFRESH FACIAL** ..... \$20

A refreshing facial which incorporates cleansing, toning, a customized treatment mask and moisturizer. Great for those short one time but want a quick facial "pick me up."

**HYDRO JELLY MASK ADDITIONAL** ..... \$5

**EUROPEAN FACIAL** ..... \$30

Deep cleansing Facial where your clinician will incorporate extractions (if needed), massage, and treatment masks best suited for your skin type. Great for anyone needing a fresh, vibrant look and feel, or just some quiet time to relax!

## Facial Treatments

Our facial treatments and modalities are progressive, not aggressive, non-invasive services that address these issues: anti-aging, sun-damage, acneic and sensitive skin as well as, vascular lesions and excessive/unwanted hair.

**OXYGEN FACIAL** ..... \$20

Increase oxygen to your skin by infusion; promotes collagen synthesis, as well as hydrates the skin making the face appear smoother and plumper. Great for mature and acneic skin.

**LED LIGHT THERAPY ADD ON TO ANY FACIAL** ..... \$7

Red Light Therapy increases collagen production and relaxes muscles. Blue Light Therapy improves acne, skin tone, and soothes nerves.

**MICROCURRENT** ..... \$35

Uses low level current with advanced wave forms that work in synergy with the body's own biological current for firming, tightening, toning and lifting. Helping smooth out fine lines and wrinkles. (think non-surgical facelift)

**EYE OR LIP TARGETED TREATMENTS ADDED TO ANY FACIAL** ..... \$15

**REGENERATE** ..... \$40

Nanoneedle facial that infuses a customized serum into the skin, helping with fine lines, wrinkles, acne scarring and overall appearance of the skin. Noninvasive and no down time.

**ADDED TO MICROCURRENT OR MICRODERMABRASION** ..... \$20

## Chemical Exfoliation

**GLYCOLIC ACID/LACTIC ACID (AHA)** - For the treatment of fine lines and wrinkles, acne scarring, mild hyperpigmentation.

**SALICYLIC ACID (BHA)** - Best Suited for acneic and oily skin types.

**CHEMICAL PEEL** ..... \$25

## Microdermabrasion

Microdermabrasion is a procedure that uses a diamond-tipped head to gently exfoliate the uppermost layer of the skin. It is an effective skin polishing technique that removes unwanted dead skin cells. Microdermabrasion is relatively non-aggressive. While the skin surface may appear slightly pink and may even be slightly tender following treatment.

**MICRODERMABRASION (FACE/NECK)** ..... \$25

**DÉCOLLETÉ (CHEST/NECK) TREATMENT** ..... \$25

**THE WORKS (FACE/NECK/CHEST)** ..... \$45

**MICROPEEL (FACE/NECK)** ..... \$35

(Microdermabrasion paired with Chemical Exfoliation to remove unsightly age spots and enhance treatment.)

**MICRO HAND TREATMENT** ..... \$25

Microdermabrasion for the hands; erases the signs of aging for a smooth, younger look and feel; includes light hand massage. (15 mins.)

**ADD ON CHEMICAL PEEL** ..... \$5

## Body Treatments

**"BARE YOUR BEST" BACK TREATMENT** ..... \$30

A soothing and deep cleansing treatment and massage that refreshes the skin that is hard to reach! It's a facial for you back

**BODY SYNERGIE** ..... \$35

Aesthetic Massage System that uses vacuum massage to physically manipulate the collagen fibers and connective tissue and increases metabolism to the treated area through increased local blood circulation. This results in a smoother skin texture, thus reducing the appearance of cellulite. (45-60 mins.)

**NORVELL SPRAY TAN** ..... \$20

Norvell Spray Tan is a safe tan! Maintain healthy skin by using our sunless tanning option. Natural looking tan without orange streaks and bad odor you get with other sunless tanning products. Lasts 5-7 days. (20 mins)
