By Nic Farey, March 2023

The following is a complete voting breakdown of ballots submitted for the 2023 FAAn awards (for work first published in 2022).

42 ballots were received. No entire ballots were rejected for any reason. Three ballots included votes for 'Best Cover' for publications from 2021. The voters were informed, and one vote was substituted, the others were not. One ballot included a vote for an episode of *Octothorpe* (not a fanzine) as Best Cover. The voter was informed but did not make a substitution. One ballot included a miscategorized vote for Perzine. The voter was informed, and the vote recorded in the correct (Genzine) category.

And of course **Stavros** himself, **Tommy Ferguson**, Corflu Craic head honcho...
