

# The Olive Tree of Promise

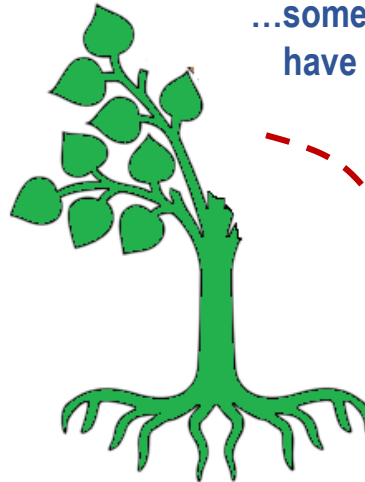

1

Natural Branches = Israel

If the root be holy, the branches also...

Abraham

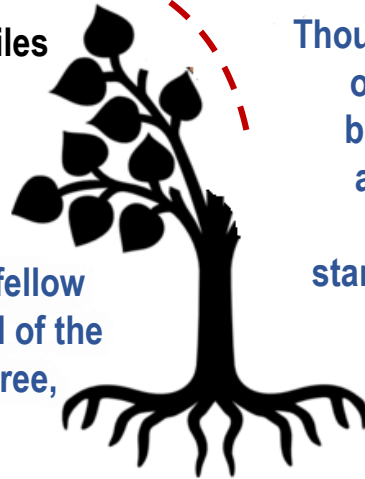

...some of the branches have been broken out ... through unbelief

2

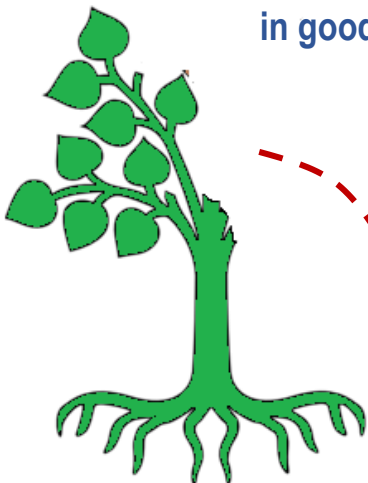

Wild Branches = Gentiles

...and hast become a fellow partaker of the root and of the fatness of the olive tree,

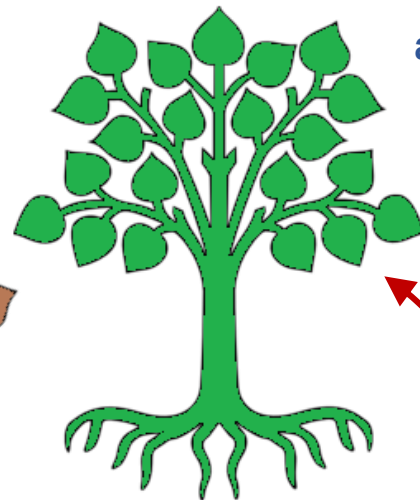

Thou, being a wild olive tree, hast been grafted in amongst them ... and thou standest through faith.

3

...Upon thee goodness of God, if thou shalt abide

in goodness, since otherwise thou also wilt be cut away.

And they too, if they abide not in unbelief, shall be grafted in;

for God is able again to graft them in.
