**RESOLUTION NO. 2022-34**  
**A RESOLUTION TO SUPPORT NO MOW MAY INITIATIVE 2022**

**WHEREAS**, the Edina City Council approved Resolution No. 2020-42 endorsing pollinator friendly policies.

**WHEREAS**, the Edina City Council recognizes that bees and other pollinators are integral to pollination of plants in order to grow a wide diversity of essential foods including fruit, nuts and vegetables; and

**WHEREAS**, pollinator populations are threatened due to habitat loss, neonicotinoid use, pathogens and parasites; and

**WHEREAS**, the City of Edina passed in December 2021 a Climate Action Plan, that includes Greenspace and Trees, with a specific strategy to increase pollinator supportiveness of lawns and grasslands; and

**WHEREAS**, recent research suggests that bee pollinators make use of no mow spaces as key floral resources during early spring in the upper Midwest United States ; and

**WHEREAS**, pollinators and floral resources have a positive relationship, where the increase in pollinators can increase the amount of flora and vice versa; and

**WHEREAS**, the City Council finds it is in the public interest and consistent with adopted City policy for the City to demonstrate its commitment to a safe and healthy community environment through the implementation of initiatives that help increase the pollinator population.

**NOW THEREFORE BE IT RESOLVED** by the City Council of the City of Edina, Hennepin County, Minnesota,

To continue its efforts to become a pollinator friendly City by ensuring best management practices for management of vegetation, and

To continue to identify actively maintained areas that could be converted back to vegetation favorable to bees and other pollinators, or left natural to promote nesting areas for bees, and

To proclaim May 1st -31st, 2022 as “No Mow May”, and encourage all residents of the city who wish to participate in this initiative to register with the City and refrain from mowing their lawns in the month of May to provide vital early spring flowers for bees that emerge from hibernation, and

To temporarily suspend enforcement for No Mow May registered participants of Edina City Code requirements in Sec 30-118 and Sec 30-119, specifically that “Turf grasses shall be regularly cut such that no individual plant shall exceed, at any time, ten inches in height or length” and “Weeds shall be regularly cut or controlled such that no individual plant shall exceed, at any time, ten inches in height or length” from May 1, 2022 to June 15, 2022, while continuing to enforce the Minnesota State Mandate regarding the management of noxious weeds, and

To continue enforcement of the above City Code requirements for any properties not registered for No Mow May, and

---

**ENGINEERING DEPARTMENT**

To develop a registration portal online for those interested in participating in this initiative, where participants will be required to register and where interested parties can learn about the importance of creating and maintaining a pollinator friendly landscape.

ADOPTED this 22<sup>ND</sup> day of March, 2022
