Active Ventilation Products Inc. is a small, family-run roof vent manufacturer located in Newburgh, NY, selling residential and commercial roof vent products & accessories. We are dedicated to safeguarding our copyrights, trademarks, and other intellectual property from unauthorized use. The use of Active Ventilation Products' intellectual property, including product descriptions and photography, without our express, written permission is prohibited. As a member of the eBay VeRO Program, we actively monitor and take action against any unauthorized use of our intellectual property on eBay.

If your auction was canceled:

Please note that it was removed by eBay at our request to protect our intellectual property rights. Active Ventilation Products, Inc. reserves all rights to protect its intellectual property. We take our company reputation and the quality of our products very seriously. This policy is in place to protect our brand, content, and most importantly, our customers. To use any display or image of copyrighted materials from Active Ventilation Products, express written permission is required. Failure to obtain such permission will result in the removal of the listing. Copyrighted material can include, but is not limited to, photographs, descriptions, audio, and video from our websites and licensees, as well as text from our website and licensees' materials such as brochures, catalogs, and advertisements.
