

# Bumblerride Inc

Bumblerride Inc, based in San Diego CA, designs, manufactures and markets high-end baby strollers and accessories. Our products have been tested and are in compliance with the ASTM Safety Standard F833.

In an effort to protect the intellectual property rights of Bumblerride Inc, the company has create a VeRO participant page. This web-page is meant to help eBay sellers and purchasers understand the requirements of selling Bumblerride products on eBay.

Bumblerride recognizes the rights of Individual Sellers to resell used Bumblerride products on eBay, and to use the name Bumblerride to the limited extent necessary to adequately describe the item being listed. However it is a violation of Bumblerride's intellectual property rights, to use Bumblerride trademarks or logos in a manner that goes beyond that.

It is a violation of Bumblerride's intellectual property rights to use photographs, descriptions or other images or statements taken from Bumblerride websites, catalogues or other materials.

This policy is based on creating fundamental fairness for those Bumblerride partners that spend significant resources to adequately market, stock and display Bumblerride products.

Bumblerride thanks you for taking the time to read this web-page and to learn about the rights of Bumblerride, Inc. We thank you in advance for respecting our intellectual property rights.
