

Camco profile for eBay VeRO program:

Camco Manufacturing LLC began in 1966 with one employee. Today, Camco is a leader in the Recreational Vehicle accessory market. We have more than 1,500+ employees, over 5,600 products, multiple manufacturing facilities across the globe, numerous brands, and 150+ Patents, Trademarks, and Copyrights.

Any unlicensed use of any of Camco's intellectual property is a violation of our exclusive rights and may cause confusion among customers as to the source of the goods being offered. We take infringement seriously, monitoring and diligently protecting our intellectual property. You may not link to or copy any pictures, nor directly copy any descriptions without our written consent. You may not use or copy our intellectual property (including our logos, trademarks and copyrighted material) without our written consent. This applies to Camco's website or any other online venue where Camco sells its various brands.

Camco's policy is to report any eBay listings infringing on our intellectual property to eBay's VeRO team for action. We may exercise our option of formal legal action for habitual offenders of our products.
