

## **Who is Carlyle Nutritionals, LLC?**

At Carlyle Nutritionals, LLC (“Carlyle”), our roots run deep, spanning three generations of hard work, honesty, and dedication. Our founders started out over 40 years ago with only a few core products and a strong purpose in mind. Our mission was to make a difference by helping individuals and their families reach strong health and happiness in every phase of their life. Decades later we continue to grow and evolve, while still striving to uphold these values. Our commitment to you and your well-being will always be the core of the Carlyle® brand.

Our success is rooted in providing the highest rated and top value natural products at the lowest prices. Carlyle® vitamins and supplements are inspected and tested here in the US, using the best ingredients sourced from all over the world. Our products are thoughtfully crafted by our team of experts using the latest technology and science to ensure it meets our strict quality assurance standards and pave the way to excellence.

We’re proud to offer you the best selection of vitamins, minerals, and herbal supplements that make a difference in your lifestyle. We believe that everybody can achieve strong health and happiness on their lifelong journey, and we will be there to support you every step of the way.
